Untamed Women Of Yesteryear:

Untamed Women of Yesteryear Helen Dunn, 2010 Lesbian Fiction Anthology of Short Stories Life is a journey that all must travel often alone sometimes with others It is a road filled with the deepest of sorrows and the highest of joys but mostly the mundane This anthology is about my travels but I believe they reflect what many have experienced From the first to the very last the collection is a rollercoaster of emotions Some I hope will make you laugh so hard you will cry while others may cause your heart to ache Within each story is a little piece of myself a small window into my world They are short trips which I invite you to share with me a journey into my life and perhaps into your own **Wild Women of Maryland** Lauren R Silberman, 2008-07-15 The daring women of Maryland made their mark on history as spies would be queens and fiery suffragettes Sarah Wilson escaped indentured servitude in Frederick by impersonating the queen s sister In Cumberland Sallie Pollock smuggled letters for top Confederate officials Baltimore journalist Marguerite Harrison snuck into Russia to report conditions there after World War I From famous figures like Harriet Tubman to unsung heroines like Lady Law Violet Hill Whyte author Lauren R Silberman introduces Maryland s most tenacious and adventurous women **Wild Women**

Autumn Stephens, 2020-10-27 A delightful collection of 150 profiles of women who refused to confine themselves to the nineteenth century Victorian model for proper womanhood During the Victorian era a woman s pedestal was her prison Women should not be expected to write or fight or build or compose scores She does all by inspiring man to do all Ralph Waldo Emerson There is nothing more dangerous for a young woman than to rely chiefly upon her intellectual powers her wit her imagination her fancy Godey s Lady s Book magazine But scores of nineteenth century American women chose to live life on their terms In this book you will meet women who refused to remain on a Victorian pedestal In San Francisco a courtesan appeared as a plaintiff in court suing her clients for fraud In Montana a laundress in her seventies decked a gentleman who refused to pay his bill A forty three year old schoolteacher plunged down Niagara Falls in a wooden barrel A frail lighthouse keeper pulled twenty two sinking sailors out of the ocean off Rhode Island A pair of Colorado madams fought a public pistol duel over their mutual beau Two lady lovebirds were legally wed in Michigan An ad hoc abolitionist spirited away scores of slaves on the Underground Railroad A Secessionist spy swallowed a secret message as she was arrested claiming that no one could capture her soul Featuring fifty black and white photos from the era Perfect for fans of Women Who Run with the Wolves or Badass Affirmations Praise for Wild Women A fantastic read with unforgettable woman from across the world I love this groundbreaking and fascinating book of wonderful women Becca Anderson author of The Book of Awesome Women

Sailorwomen: Seafaring Adventurers of Yesteryear Pasquale De Marco, 2025-05-21 In a world dominated by men there are those who dare to break the mold and sail against the tide This book tells the stories of extraordinary women who defied societal norms and embarked on remarkable maritime adventures From ancient seafaring civilizations to the golden age of exploration and beyond women have played a vital role in shaping maritime history They have sailed as pirates

privateers merchant sailors and fishers They have fought in naval battles led expeditions and made groundbreaking contributions to maritime science and technology These women faced countless challenges and discrimination but they persevered proving their resilience courage and determination They navigated treacherous waters endured harsh conditions and overcame prejudice to pursue their dreams of adventure freedom and equality Their stories are a testament to the indomitable spirit of women and their ability to thrive in even the most challenging environments They serve as an inspiration to all who dare to break down barriers and defy expectations In this book you will meet fearless pirates like Grace O Malley and Zheng Yi Sao pioneering explorers like Bessie Coleman and Nellie Bly and skilled navigators like Annie Edson Taylor and Maria Reiche You will learn about the contributions of women to maritime science and technology from Rachel Carson s groundbreaking work on marine conservation to Sylvia Earle s deep sea exploration Their stories are a celebration of the diversity resilience and achievements of women in the maritime world They remind us that the sea has always been a place of opportunity and empowerment for women and that they continue to play a vital role in shaping its future If you like this book write a review on google books

Creatures in the Mist Gary R. Varner, 2007 Bringing together a medley of stories myths and folklore Gary Varner shares a fascination and respect for humankind s early and contemporary cultures and wonders at similarities across the board Here he focuses on Little People and giants animals and were creatures and the odd helpful or threatening ways imputed to our earthly companions including dogs and cats bats and spiders and the stories people have told each other about them since time immemorial Gary Varner has performed a valuable service in these books Presenting lore from about the world a collector s hoard of traditions rich and strange Varner shows there really are obvious and puzzling similarities between widely separated cultures Gary Varner has pointed the way to some important cross cultural readings in the ageless themes of stone and water Jeremy Harte Curator of the Bourne Hall Museum Surrey England in Northern Earth magazine 103 2005 Menhirs Dolmen and Circles of Stone is an excellent guide to large scale magical stones and stone magic This book is a must for anyone interested in megalithic sites Most highly recommended PanGaia Magazine United States As with other books by the same author this is a book based upon broad research into the subject stretching across the world What results is a fascinating weave of stories and images descriptions of sites and associated tales that leaves a sense of a thousand deities whispering in the air Because it is so broad a sweep the positive outcome is an overreaching perspective of the patterns and commonalities held between human communities our ancestors all around the world The book is a sound overview and provocation to research more deeply ourselves to find alternative visions tales and interpretations to find out more about the sacred currents their depths and importance both to our ancestors and to ourselves The author s notations are comprehensive allowing us easily to follow the clues A valuable piece of work The Druid Network England Gary R Varner is a lecturer and writer on folklore and early religions He is author of several popular books comparing legends and beliefs around the world including The Mythic Forest the Green Man Menhirs Dolmen and Circles of

Stone The Folklore and Magic of Sacred Stone Algora 2005 and Sacred Wells A Study in the History Meaning and Mythology of Holy Wells His approach incorporates details from ancient cultures and from Native American UK and European Asian South Pacific and African folklore Varner is a member of the American Folklore Society [Making Rocky Mountain National Park](#) Jerry J. Frank, 2013-09-03 On September 4 1915 hundreds of people gathered in Estes Park Colorado to celebrate the creation of Rocky Mountain National Park This new nature preserve held the promise of peace solitude and rapture that many city dwellers craved As Jerry Frank demonstrates however the park is much more than a lovely place Rocky Mountain National Park was a keystone in broader efforts to create the National Park Service and its history tells us a great deal about Colorado tourism and ecology in the American West To Frank the tensions between tourism and ecology have played out across a natural stage that is anything but passive At nearly every turn the National Park Service found itself face to face with an environment that was difficult to anticipate and impossible to control Frank first takes readers back to the late nineteenth century when Colorado boosters already touting the Rocky Mountains restorative power for lung patients set out to attract more tourists and generate revenue for the state He then describes how an ecological perspective came to Rocky in fits and starts offering a new way of imagining the park that did not sit comfortably with an entrenched management paradigm devoted to visitor recreation and comfort Frank examines a wide range of popular activities including driving hiking skiing fishing and wildlife viewing to consider how they have impacted the park's flora and fauna often leaving widespread transformation in their wake He subjects the decisions of park officials to close but evenhanded scrutiny showing how in their zeal to return the park to what they understood as its natural state they have tinkered with its features sometimes with less than desirable results Today's Rocky Mountain National Park serves both competing visions maintaining accessible roads and vistas for the convenience of tourists while guarding its backcountry to preserve ecological values As the park prepares to celebrate its centennial Frank's book advances our understanding of its past while also providing an important touchstone for addressing its problems in the present and future **Seeing Differently** Amelia Jones, 2013-06-19 Seeing Differently offers a history and theory of ideas about identity in relation to visual arts discourses and practices in Euro American culture from early modern beliefs that art is an expression of an individual the painted image a world picture expressing a comprehensive and coherent point of view to the rise of identity politics after WWII in the art world and beyond The book is both a history of these ideas for example tracing the dominance of a binary model of self and other from Hegel through classic 1970s identity politics and a political response to the common claim in art and popular political discourse that we are beyond or post identity In challenging this latter claim Seeing Differently critically examines how and why we identify works of art with an expressive subjectivity noting the impossibility of claiming we are post identity given the persistence of beliefs in art discourse and broader visual culture about who the subject is and offers a new theory of how to think this kind of identification in a more thoughtful and self reflexive way Ultimately Seeing Differently offers a mode of thinking

identification as a queer feminist durational process that can never be fully resolved but must be accounted for in thinking about art and visual culture Queer feminist durationality is a mode of relational interpretation that affects both art and interpreter potentially making us more aware of how we evaluate and give value to art and other kinds of visual culture
