Upside Down The Men Of The Sisterhood:

Upside Down Fern Michaels, 2014-08-01 The men behind a squad of fierce female vigilantes form their own team in the first of this thrilling series from a 1 New York Times bestselling author Through public triumphs and private sorrows the men in the Sisters lives husbands friends colleagues and lovers have offered invaluable aid and support In the process they ve become an informal brotherhood of their own able to relate to the unique challenges and rewards of life among the vigilantes But after years of bit parts the Sisterhood s significant others are itching to take center stage Frustrated with the limits of the criminal justice system Nikki s husband Jack Emery has recruited his friends Ted Joe Harry Bert Jay and Abner They have brand new headquarters with state of the art equipment an unlimited bankroll and a plaque on the door that reads BOLO Consultants Their first case toppling ruthless slum landlord Tyler Sandford also lieutenant governor of Virginia Sandford may have friends in very high places but that s no match for BOLO or the women who ve got their backs **Double Down** Fern

Michaels, 2015-09-29 All three of the Men of the Sisterhood novellas together for the first time For the first time the menfolk are stepping out of the pages of 1 New York Times bestselling author Fern Michaels beloved Sisterhood series and into the spotlight After years of standing by their women the Sisterhood s significant others have also become loyal friends And now Jack Emery Nikki s husband has enlisted Ted Joe Jay Bert Dennis and Abner to form a top secret organization known as BOLO Consultants Jack has two missions in mind The first offering some behind the scenes help to Nikki s law firm as they take on the all powerful Andover Pharmaceuticals Andover s anti leukemia drug causes terrible side effects in young patients but a class action suit seems doomed to fail BOLO Consultants have a prescription to cure that Meanwhile Virginia s lieutenant governor has a sideline as a slum landlord and his impoverished tenants are suffering Tyler Sandford believes his status puts him above the law But when the Sisterhood and their allies decide to get involved no one is beyond the reach of true justice The storyline is like a grand roller coaster ride with dips and sharp curves Michaels has outdone herself RT Book Reviews on Gotcha Delectable Revenge that s creatively swift and sweet Michaels style Publishers Weekly on Hokus Pokus

The Sisterhood Dorothy Allred Solomon, 2025-10-16 Many hold a deep fascination with Mormonism but erroneously think of it as a secret religion that celebrates polygamy and confinement Most outsiders regard Latter day Saint women as submissive and pitiable In The Sisterhood award winning author Dorothy Allred Solomon takes us inside the lives of women of the faith She focuses on the roles of Mormon women in the nineteenth twentieth and twenty first centuries including fascinating personal stories about family children and husbands She takes us into the lives of the High Priestesses of the Church draws on histories sustained by the most thorough genealogical records in the world and addresses the wives of polygamists The Sisterhood sheds light on an expanding and complex religion and offers a long overdue portrait of Mormonism and women *The Sisterhood* Marcia Cohen, 2014-04-01 In this epic drama of personality and politics passion and ambition courage and betrayal Marcia Cohen tells the fascinating inside story of the feminist revolution through the lives

of the women who made it and were sometimes unmade by it Focusing on Betty Friedan Gloria Steinem Germaine Greer and Kate Millett *The Sisterhood* is a revealing group portrait of the women whose ideas and actions have so profoundly transformed us all This classic account traces the women s movement from its quiet birth in the 1960s through its startling triumphs in the 1970s and its troubled legacy in the 1980s Today everything seems possible for women as they function on an equal plane with men in nearly every walk of life But the revolution was hard won Now the irreverent entertaining chronicle that reveals all the well kept secrets of feminism with a thoughtful new foreword by the author appears in a special edition that serves as a riveting social history casting light on an entire era so important for women as well as men

Sisterhood of Spies Vanessa Lind,2025-02-06 They came for the books They stayed for the revolution In the summer of 1776 as the American Revolution rages Phoebe Tredwell and her literary society find themselves thrust into the heart of the conflict What began as a harmless book club transforms into a secret network of spies when General George Washington himself requests their aid in gathering intelligence As British forces tighten their grip on New York Phoebe and her friends devise ingenious methods to collect and transmit vital information But their activities don t go unnoticed With suspicious neighbors British officers quartered in their homes and the constant threat of discovery the women must prove that in a man s war they might just be the secret weapon that turns the tide A tale of courage friendship and the power of words in a time of revolution where ordinary women rise to become extraordinary heroes **The Abolitionist Sisterhood** Jean Fagan Yellin,John C. Van Horne,2018-05-31 A small group of black and white American women who banded together in the 1830s and 1840s to remedy the evils of slavery and racism the antislavery females included many who ultimately struggled for equal rights for women as well Organizing fundraising fairs writing pamphlets and giftbooks circulating petitions even speaking before promiscuous audiences including men and women the antislavery women energetically created a diverse and dynamic political culture A lively exploration of this nineteenth century reform movement *The Abolitionist Sisterhood* includes chapters on the principal female antislavery societies discussions of black women s political culture in the antebellum North articles on the strategies and tactics the antislavery women devised a pictorial essay presenting rare graphics from both sides of abolitionist debates and a final chapter comparing the experiences of the American and British women who attended the 1840 World Anti Slavery Convention in London *Sisterhood Blood of Our Blood* James Hendershot,2013-09 Spiritual drama hides in English history as Lilith after being blasted into space finds herself as a newborn baby of an aristocrat in the seventeenth century English As she matures with her past still concealed she vows to help the penurious which leads her to invite four new near starving soon to be blood sisters Fejr claims to be sent from Ann s Empire in another reality Ann instantaneously bonds with these four poverty stricken girls Ann s father receives official countess documents for these girls from the Danish king s brother They shockingly discover that one of the destitute girls is truly the French princess hidden by her royal parents for her protection While at a special dinner on her behalf Countess

Henrietta Maria is raided by a vagabond that begs for some food The English prepared to beat and cast him away however she postulates that this destitute vagabond be given her food Upon exiting the restaurant a disguised Charles I vows to marry Henrietta The French gave their long lost princess now both loved and hated to become Queen Henrietta Maria of England They venture through Buckingham Palace as Queen Maria shares and keep her sisterhood vows The sisters must first develop their social skills and survive like Puritans which forces the family to the colonies The sisters vow to serve Lilith Ann as they endure hidden worlds horror slavery beatings and find a road that leads them through many escapades causing them to leap through the horrors and blood of time going deep in the earth and through the ages of time Ann departs and meets Drusilla as they struggle as Roman slaves She agonizes through starvation rapes beatings yet wins her divine tribulations She then leads her sisters back to her lost empire yet surreptitiously things have altered

A Sisterhood of Suffering and Service Sarah Glassford, Amy J. Shaw, 2012-04-15 As the body of First World War literature continues to grow women s experiences of this period remain largely obscure particularly those of Canadian and Newfoundland women A Sisterhood of Suffering and Service explores this obscurity and begins to redress it This innovative collection discusses women s activities in the workforce overseas within the domestic realm and in literary representations to show that women were not bystanders who were quietly knitting for the duration rather they actively participated in wartime society served their country in a variety of ways made sacrifices and were deeply affected by the vagaries of war Incorporating the experiences of Newfoundland with those of Canada and looking at girls as well as women the volume enriches our knowledge of an important era in Canadian nation building and takes a step towards writing women into the historical narratives of the First World War

Upside Down Robert L. Waring, 2012 In the early 1970 s feminism promised to remake the world for women and create a new cultural landscape where women have equality with men But forty years later this attempted reboot has not occurred Only a small minority of women have ever self identified as feminists and women overall are less happy today In many ways progress is now stalled Has feminism failed or have we been thinking wrongly about gender issues all along Both are true Feminism sought too little systemic change and didn t build a national consensus that it should succeed While the book *The End of Men* helped encourage the false illusion that we ve largely remedied gender inequality in America in fact we ve barely begun We need to rethink the effort and on many levels start over *Upside Down* draws on insights from biology psychology economics and political science This book itself is paradoxical It embraces the notion of gender differences but does not imagine the world necessarily being better if women were in charge Rather *Upside Down* proposes a dozen public policy changes that could make the world a better place with the side effect of aiding women s advancement The book delves into the difficult divide of partisan politics and explains how various public policies affect women thus empowering individuals to effect change with their energies their money and their votes To set the stage for a new direction the book relies on peer reviewed scientific studies to describe eleven gender paradoxes circumstances that based on feminism s goals

shouldn't have happened but did. Each of these paradoxes helps explain the causes of women's continuing inequality in society, illuminates the harms, and suggests solutions. Did you know that as societies are becoming more egalitarian and behavior and opportunity are less constrained by gender, personality differences between men and women are becoming greater and increasing advantages men have in attaining power and wealth? This runs completely counter to the feminist view that such differences are purely cultural. It has huge implications for women's competitiveness. Did you know that women in the U.S. are less happy today than they were forty years ago? And that by many measures, women's progress in business and government, which should be steadily improving, has completely stalled in the 21st Century? Even more disturbing is research showing that in many workplace settings, women discriminate against women more than men do. Based on eleven years of meticulous research, *Upside Down* is filled with other surprising facts to support its conclusions. For example, did you know that mothers-to-be who skip breakfast are more likely to have daughters than those who don't? Even more curious is the way this mechanism explains why women are less prone to violence than men. And on the topic of violence, many people are aware of the role played by testosterone, but did you know that a single dose often makes women more egocentric, less trusting, and less collaborative? The book's proposals would increase women's access to opportunity, influence, and power. For example, part-time careers should be available to all in every field; family responsibilities are too big a counterweight to a full-time career for many. Changing hearts and minds about gender issues will require advertising and public relations campaigns. Adopting the policies of countries where women have greater influence could help women gain influence in government here. The book's unique formula for gender quotas in state legislatures also could accelerate change. *Upside Down* charts a course for feminism to regain relevance and create real gender equality. This Deluxe Edition gives readers access to original research papers on a wide range of gender issues. The endnotes contain hundreds of web links to academic journal articles and newspaper stories.

Kiss and Tell Fern Michaels, 2014-06-24

Putting Justice In The Bank Life comes in stages. Even the Sisterhood has been content to let their gold shields gather a little dust while they enjoy their friends and family. But when a string of anonymous emails arrives at Pinewood suggesting shady dealings at a local assisted living facility, Myra Rutledge and her best friend Annie de Silva are more than ready to out-hustle a master con artist at his own game. They'll need to enlist some new and untested allies in order to pull off their brilliant plan, all while Myra faces a personal challenge that will rock the Sisterhood to the core. Praise for Fern Michaels and Her Sisterhood Novels: There's nothing quite like watching the Sisterhood take on corruption and injustice. RT Book Reviews on Home Free Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands. Booklist on Weekend Warriors
