DeSena, 2020-04-23 Bringing together scholarly but readable essays on the process of gentrification this two volume collection addresses the broad question In what ways does gentrification affect cities neighborhoods and the everyday experiences of ordinary people In this first volume of Gentrification around the World contributors from various academic disciplines provide individual case studies on gentrification and displacement from around the globe chapters cover the United States of America Spain Brazil Sweden Japan Korea Morocco Great Britain Canada France Finland Peru India Indonesia Pakistan Syria and Iceland The qualitative methodologies used in each chapter which emphasize ethnographic participatory and visual approaches that interrogate the representation of gentrification in the arts film and other mass media are themselves a unique and pioneering way of studying gentrification and its consequences worldwide Violence in the Heights Eileen M. Ahlin, 2023-06-30 Given the media attention and research focus on big cities with large minority populations people have grown accustomed to

associating violence with these attributes Violence in the Heights counters that narrative to provide a fresh perspective on inner city violence with a close look at violence and associated social disorder in a cluster of neighborhoods in a mid sized predominantly White city Eileen M Ahlin studied 42 residents and their perceptions of and responses to violence to give voice to their experiences Ahlin provides a historical overview of the neighborhoods and highlights a series of pivotal violent events and discovers how they differentially impacted residents and their perceptions of safety Residents reveal how institutional and demographic shifts reduced interpersonal connections and weakened the community s social fabric A unique take on inner city violence Violence in the Heights also details why residents move to other communities when violence increases or if they remain adapt to changing conditions This book will interest mainstream readers interested in learning about urban affairs and the human interest story as it will track why inner city residents stay in their neighborhoods or move to other communities when violence increases This book will also serve as an academic text to outline the changes in violence and community disorder in a mid sized city that is predominantly White an understudied aspect of urban violence
