Urgings Of The Heart Urgings Of The Heart:

Urgings of the Heart Wilkie Au, Noreen Cannon, 1995 Using stories and images the authors blend the best of spirituality and psychology to help the reader live in peace with self others and God Urgings of the Heart Wilkie Au, 1999

Enduring Heart, The: Spirituality for the Long Haul Wilkie Au, 2015 A guidebook for traveling the road of middle age that acts as a type of spiritual Triple A Club providing both a map for middle life's journey and roadside assistance for those who find themselves stuck along the way **The Discerning Heart** Wilkie Au, Noreen Cannon Au, 2006 Integrating the wisdom of Christian tradition and psychological findings on effective decision making this book presents a view of Christian discernment that honors the body spirit unity of the person and the broad and mysterious ways we can be led by the spirit of God in our life choices Going beyond discernment skills and concrete practices this book presents a coherent theoretical understanding of discernment that grounds the many spiritual practices used by Christians today By providing a broad and inclusive understanding of the multiple ways God can provide guidance to individuals this book helps individuals to honor the unique and idiosyncratic way that they receive divine guidance as well as provides guidelines that guard against possible self deception and personal blind spots While including anecdotal accounts and practical elements of Christian discernment this book provides a conceptual understanding of discernment that will be helpful for those training to be professional ministers pastors priests religious counselors and spiritual directors It is unique in applying Christian tradition and contemporary psychological insights to the process of discernment The Book of Stones, Revised Edition Robert Simmons, Naisha Ahsian, 2015-03-10 Often dubbed the crystals bible this comprehensive reference guide to the spiritual and healing qualities of 455 sacred stones has become the go to book for looking up the properties of gems and minerals Each entry includes vivid color photographs for each stone to aid identification and to showcase its beauty as well as listing its scientific information its element and chakra correspondences and the physical emotional and spiritual benefits of each stone Illustrated by gorgeously lit clear color photos to aid quick identification the book offers an illuminating alphabetical journey through the mineral kingdom stone by stone This new edition of The Book of Stones the best selling guide to some of Earth's most beautiful natural objects is revised to include 76 new entries The book begins with two introductory chapters detailing advice by authors Naisha Ahsian and Robert Simmons on how to work with crystals and stones including the concept of crystal resonance and the scientific observation that living organisms such as ourselves are liquid crystalline structures Each entry begins with the stone name and photo plus its elemental and chakra correspondences as well as keywords that indicate its properties Next comes a description of the crystal structure hardness history and known locations of each mineral plus any relevant legend or lore from the past Each author then offers their own take and personal insights on the subtle energy properties and spiritual applications of the stone The entries conclude with summaries of the spiritual emotional and physical healing qualities of the stone and an affirmation for evoking its potential benefits The book's presentation is straightforward

enough to make it an excellent introduction for beginners yet the level of detail and the depth of research make it an invaluable resource for the most experienced stone practitioners *The Healing Spirit* Leo O. Stossich,2019-02-26 This book traces the journeys of seven victims of childhood sexual abuse who have experienced recovery through the activity of the Holy Spirit within the context of the local church These recovered victims have been enabled to move beyond the devastation of abuse by others whom they trusted to a place of emotional and psychological stability appropriate sexual intimacy with their spouses and a growing level of spiritual maturity While the Christian community has been slow to grasp the severity and extent of the problem or to provide the healing resources of the gospel some victims have found recovery in local churches The author has undertaken in depth interviews to elicit and explore the narratives of their journeys from woundedness to well being These narratives are an important source of information on the activity of the Holy Spirit in healing While the Spirit is an entity hidden to us the author has explored the experiences of seven recovered victims to disclose meaning for the work of the Spirit in all areas of Christian ministry Postcolonial Images of Spiritual Care Emmanuel Y. Lartey,Hellena Moon,2020-09-23 This anthology is about caring for all persons as a part of the revolutionary struggle against colonialism in its many forms In recognition of the varied ways in which different forms of oppression injustice and violence in the world today are traceable to the legacy and continuing effects of colonialism various authors have contributed to the volume from diverse backgrounds including differing ethnic identities religious and cultural traditions gender and sexual orientations as well as communal and personal realities As a postcolonial critique of spiritual care it highlights the plurality of voices and concerns that have been overlooked or obscured because of the politics of race religion sexuality nationalism and other structures of power that have shaped what discursive spiritual care entails today *Postcolonial Images of Spiritual Care* presents voices of practical and pastoral theologians academics spiritual care providers religious leaders students and activists working to provide greater intercultural spiritual care and awareness in the areas of healthcare community work and education The volume as such expands the discourse of spiritual care and participates in the ongoing paradigm shifts in the field of pastoral and practical theology A New Awareness Dominic Arcamone,2024-02-29 *A New Awareness* is an endeavor of affection and generosity toward Sebastian Moore The book examines his key theological insights and themes over seventy years and proposes that they are still relevant today for the Christian Community He was a theologian and poet He wrote about many theological topics the significance of Jesus the experiences of the disciples and their meaning for us redemption the Trinity sexuality and ecclesiology and original sin But he is mainly known for being the theologian of desire self love to self gift desire is love trying to happen to be myself for another and the insight that there is no more wonderful reality than to be desired by the one you desire **God: An Anatomy** Francesca Stavrakopoulou,2022-01-25 An astonishing and revelatory history that re presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the

fantastic and monstrous A rollicking journey through every aspect of Yahweh's body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author's close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before To Wager Her Heart Tamera Alexander, 2017-08-08 Set against the real history of Nashville's Belle Meade Plantation and the original Fisk University Jubilee Singers ensemble To Wager Her Heart is a stirring love story about seeking justice and restoring honor at a time in American history when both were tenuous and hard won With fates bound by a shared tragedy a reformed gambler from the Colorado Territory and a Southern Belle bent on breaking free from society's expectations must work together to achieve their dreams provided the truth doesn't tear them apart first Syllas Rutledge new owner of the Northeast Line Railroad invests everything he has into this new venture partly for the sake of the challenge But mostly to clear his father's name One man holds the key to Sy's success General William Giles Harding of Nashville's Belle Meade Plantation But Harding is champagne and thoroughbreds and Sy Rutledge is beer and bullocks Sy needs someone to help him maneuver through Nashville's society and when he meets Alexandra Jamison he quickly decides he's found his tutor But he soon discovers that the very train accident his father is blamed for causing is what killed Alexandra's fiancé and shattered her world Spurning an arranged marriage by her father Alexandra instead pursues her passion for teaching at Fisk University the first freedmen's university in the United States But family and Nashville society do not approve and she soon finds herself cast out from both Through connections with the Harding family Alexandra and Sy become unlikely allies And despite first impressions Alexandra gradually finds herself coming to respect and even care for this man But how can she when her heart is still spoken for Sy is willing to risk everything to win over the woman he loves What he doesn't count on is having to wager her heart to do it
