**We All Have a Destiny** Nick Cascione, 2019-03-08 We All Have a Destiny is a magical and sometimes tragic story of a boy who is named after a particular renowned priest from his parents homeland in Italy The young boy is similar to his namesake in the simplicity of his good heart and through a spiritual connection they both share From the moment he was born the stars of the night danced in great celebration His parents instill in him much confidence by giving their only child numerous words of encouragement to let him know how very special they believe him to truly be It is these positive words that have a way of penetrating the very being of this unique young boy which allows his heart to humbly believe these very sentiments As he becomes a man realization of the importance of his essential upbringing reveals how his faith affects his fate Although his life is a darkened mystery at times it is through his faith alone that he is enlightened The puzzling questions of life for him are answered in the wondrous signs he uniquely receives through intuitive abilities These signs from above help mold him exactly into the man whom he is destined to become As the story unfolds his once darkened mysteries will be illuminated in such a way as to reveal to him what he spends his whole life searching for his destiny **The life, letters,**
