Maura Ikharo,2020-08-17 If you have siblings you know that people born in the same family can be completely different Those differences become drastic when one sibling is rich and one is poor As the wealth gap widens between classes it hits hardest at home It s easy to say that the guy speeding off in a Ferrari got rich from luck unless you grew up with the same parents The girl showcasing her luxury travel pictures as she jets from one continent to the next makes sense when you assume her father was an oil tycoon and not your dad But what happens when you can travel the world at your leisure yet your siblings don t even have a passport What happens when you re touring potential real estate investments but your siblings are living in government subsidized housing That s my life And your family may look like mine Get ready for a whirlwind in every chapter **Stealth Millionaire** Sarah
