Warriors Arise Spiritual Life Spiritual Maturity Spiritual Warfare:

Warriors Arise! William Owens (Jr.), 2007 Warriors arise is a clarion call to God's people to arise to spiritual life spiritual maturity and spiritual warfare With a clear command of Scripture Owens provokes those who name the name of Christ to press beyond the accepted Christian norm and become vessels of honor acceptable for the Master's use You will be challenged encouraged and equipped as a warrior who heeds the battle cry Back cover **Warriors Arise!** William Owens, The purpose of this book is to point you to the power of God's Word within you If you do not have God's governing authority working through you to bring about His will in the earth any hope that you possess will be quickly swept away by this forthcoming conflict This conflict is manifesting itself increasingly within the natural realm and encroaching upon our society at an alarming rate War famine strange weather patterns crimes of all kinds and senseless murder abound These are signs of the times and the only effective and relevant place to be is waging a good war Christians hardly realize that their presence in this world is not really favored If the divine hand of God did not protect us Satan would use every possible means against us much more than he already has His attacks are going to increase as time comes to a close The methods of his attacks are going to become increasingly savvy if Christians do not discern his tactics from a position of spiritual warfare we will not know how to circumvent him The Church is headed for a showdown with Satan and his cohorts It is going to get aggressive the closer we get to the Lord's return Unless you possess the authority of a warrior by direct communion and anointing from God you'll be intimidated from going to battle or worse defeated by it **Battles of the Spirit: Understanding Spiritual Warfare**

stand firm in times of adversity Insights into recognizing and dismantling the enemy s tactics If you re ready to confront the unseen forces that seek to hold you back and want to equip yourself for lasting spiritual victory Battles of the Spirit is the essential resource you need to emerge stronger wiser and fully prepared for every battle ahead Bastards in the Pulpit William Owens, God is real He does not hide the sins of His people nor does He concern Himself with the identities of those who consider themselves significant when in truth they are mere vanity altogether lighter than vanity The Lord our God who rides the thunders and oversees the affairs of men with or without their consent desires truth in the inward parts and for the Body of Christ to remain unblemished by the filth and iniquity that tarnish it Christ our Lord will not be mocked by contemporary antidotes that dilute the truth Philosophies motivationalism and all forms of humanism the commandments and doctrines of men will not void His demand for holiness obedience and separation from the world Despite the peace and goodness prophesied by those who offer strange fire they do so from hearts misaligned with God s heart This reality is evident in their fruits philosophies that deny the power of the cross while justifying the corrupt conduct of the flesh This cancer has lingered in many of our pulpits long enough Impurities behind the pulpit are clearly at work and revealed by conduct unseen in private Yet God is exposing these sins and will expose them even more Finally when the results are incorrect you must trace them back to their source Nothing is wrong with God You must then look to the next element namely His servants Ah my friend there are betrayers among the servants of the Most High Truly their time has come to full bloom and inevitably to God s judgment **Astonished! Astonishing God Through Your Journey of Faith** William Owens, At 53 after riding over 1 014 miles on my bike for two and a half months I came to experience God daringly by allowing Him to experience me I let him in Into my issues my fears my disappointments my regrets resentments hopes desires and unanswered questions while accepting that they may never be answered I slept in my tent battling the climb of massive hills enduring unexpected wounds and cold as low as 19 degrees I refused to listen to other voices in my head or even music while I rode my bike I wanted to hear God hear me During this time silence was epic and each push of the pedal was bringing me closer to the knowing that no one could know but me I hope that you would be inspired to embrace the idea of allowing God to be Astonished by you That you would stop being down on yourself and never again let anyone else do so I want to testify to you that God s love for you is way more than you can imagine in one million lifetimes and right this moment He is standing at the doorway of your heart inviting you Astonishment My advice Let Him It will be the beginning of you experiencing Him unlike ever before From the time God spoke to my heart to Shift to the day I climbed on my bike was about 45 days Here s my experience of 1 014 miles to date and I continue my journey for thousands more miles to come I m not done Astonishing God An Art of Spiritual Warfare Grant Schnarr,2014-01-23 Nowadays people search Sun Tsu s ancient war manual for business strategies Going deeper Grant Schnarr finds how to defeat our true enemy our own negativity Read by rock stars and military generals here are brilliant tactics for enlisting higher powers outwitting self destruction and
