Wars Timothy Findley:

Timothy Findley's Novels Between Ethics and Postmodernism Dagmar Krause, 2005 Timothy Findley 1930 2002 is one of the most important contemporary Canadian writers His novels have been classified as postmodern exhibiting characteristic features such as parody historiographic metafiction and hybrid genres This classification of Findley as a postmodern writer however largely neglects the fact that Findley is deeply committed to the exploration of certain ethical and political themes Recurring topics in his work are for instance fascism environmental concerns and the problem of responsibility Sparked off by the fascinating question of how postmodernism and ethics can be reconciled at all and inspired by the so called ethical turn in the literary theory of the 1990s this study supplies a closer look at Findley's ethics with regard to its postmodern potential A detailed analysis of five of his novels *The Wars* *Famous Last Words* *Not Wanted on the Voyage* *The Telling of Lies* and *Headhunter* explores the ethical dimension of Findley's work and its consequences for his

categorization as a postmodern writer *The Wars* Timothy Findley, 2017-10-10 Robert Ross a sensitive nineteen year old Canadian officer went to war *The War to End All Wars* He found himself in the nightmare world of trench warfare of mud and smoke of chlorine gas and rotting corpses In this world gone mad Robert Ross performed a last desperate act to declare his commitment to life in the midst of death

Great Canadian War Stories Muriel Whitaker, 2001-10 Canada is renowned today for its role as a world peacekeeper However the country also played an important role in the wars of the twentieth century *Great Canadian War Stories* shows how Canada at war captured the imagination of fiction writers across the country The stories in this collection chronicle the scope of the Canadian war efforts in the twentieth century from Vimy Ridge to the plains of the Spanish Civil War to the skies over North Africa during World War II This collection includes selections from Timothy Findley Henry Kreisel Colin McDougall Thomas Raddell Joy Kogawa Earle Birney and 16 others At once terrible and uplifting memorable and harrowing the stories in this collection describe a seminal period in Canadian history *Great Canadian War Stories* show us how Canada became a nation in the twentieth century

Timothy Findley's *The Wars* Dennis Garnhum, 2008 This highly theatrical adaptation of Timothy Findley's classic novel traces the brutal coming of age of Robert Ross a sensitive idealist who goes off to the Great War in 1915 Ross who has a fondness for animals and shares a strong bond with his wheelchair bound sister trades his comfortable surroundings in Canada for the nightmare world of trench warfare We watch Ross's slow unravelling as he moves from home to train to barracks and finally to the mud smoke and chlorine gas of the front line in France With death and dying everywhere around him Ross makes a desperate attempt to show his faith in life Cruelty heroism terror and honour *The Wars* takes us deep inside the mind of a soldier and straight onto the bloody battlefield *The Wars* is one of Canada's most beloved novels winner of the Governor General's Award for Fiction in 1977 This adaptation evokes the spirit imagery and heart of the novel and adds the immediacy of the theatrical form

Introducing Timothy Findley's *The Wars* Lorraine Mary York, 1990 Canadian Fiction Studies are an answer to every

librarian s student s and teacher s wishes Each book contains clear information on a major Canadian novel Attractively produced they contain a chronology of the author s life information on the importance of the book and its critical reception an in depth reading of the text and a selected list of works cited

The Great War in Post-Memory Literature and Film Martin Löschnigg, Marzena Sokolowska-Paryz, 2014-10-14 The twenty seven original contributions to this volume investigate the ways in which the First World War has been commemorated and represented internationally in prose fiction drama film docudrama and comics from the 1960s until the present The volume thus provides a comprehensive survey of the cultural memory of the war as reflected in various media across national cultures addressing the complex connections between the cultural post memory of the war and its mediation In four sections the essays investigate 1 the cultural legacy of the Great War including its mythology and iconography 2 the implications of different forms and media for representing the war 3 national memories foregrounding the differences in post memory representations and interpretations of the Great War and 4 representations of the Great War within larger temporal or spatial frameworks focusing specifically on the ideological dimensions of its remembrance in historical socio political gender oriented and post colonial contexts

Animals and War Ryan Hediger, 2012-11-01 Animals and War is the first collection of essays to explore its important yet neglected topic Scholars from sociology history anthropology and literary and cultural studies investigate the presence of animals in human wars The essays analyze a wide range of phenomena including the new militarization of bees zoo animals during war war dogs Finish horses in World War II Canadian war literature and the effort to memorialize nonhuman war animals Although animals are often forced to participate in human wars their presence also signals human vulnerability and dependence Several chapters demonstrate that in the frequently horrible circumstances of war powerful sympathies nonetheless flourish between humans and animals Animals and War thus exposes the often paradoxical contours of human animal relationships

War Is Here Robert McGill, 2017-08-23 How a war Canada did not fight profoundly changed the nation s writing and identity

L.M. Montgomery and War Andrea McKenzie, Jane Ledwell, 2017-05-01 War marked L M Montgomery s personal life and writing As an eleven year old she experienced the suspense of waiting months for news about her father who fought during the North West Resistance of 1885 During the First World War she actively led women s war efforts in her community while suffering anguish at the horrors taking place overseas Through her novels Montgomery engages directly with the global conflicts of her time from the North West Resistance to the Second World War Given the influence of her wartime writing on Canada s cultural memories L M Montgomery and War restores Montgomery to her rightful place as a major war writer Reassessing Montgomery s position in the canon of war literature contributors to this volume explore three central themes in their essays her writing in the context of contemporaneous Canadian novelists artists and poets questions about her conceptions of gender identity war work and nationalism across enemy lines and the themes of hurt and healing in her interwar works Drawing on new perspectives from war studies literary studies historical studies gender studies and visual art

L M Montgomery and War explores new ways to consider the iconic Canadian writer and her work **Catching the Torch** Neta Gordon, 2014-03-25 *Catching the Torch* examines contemporary novels and plays written about Canada's participation in World War I. Exploring such works as Jane Urquhart's *The Underpainter* and *The Stone Carvers*, Jack Hodgins's *Broken Ground*, Kevin Kerr's *Unity 1918*, Stephen Massicotte's *Mary's Wedding*, and Frances Itani's *Deafening*, the book considers how writers have dealt with the compelling myth that the Canadian nation was born in the trenches of the Great War. In contrast to British and European remembrances of WWI which tend to regard it as a cataclysmic destroyer of innocence or Australian myths that promote an ideal of outsize masculinity, physical bravery, and white superiority, contemporary Canadian texts conjure up notions of distinctively Canadian values: tolerance of ethnic difference, the ability to do one's duty without complaint or arrogance, and the inclination to show moral as well as physical courage. Paradoxically, Canadians are shown to decry the horrors of war while making use of its productive cultural effects. Through a close analysis of the way sacrifice, service, and the commemoration of war are represented in these literary works, *Catching the Torch* argues that iterations of a secure mythic notion of national identity, one that is articulated via the representation of straightforward civic and military participation, work to counter current anxieties about the stability of the nation-state, in particular anxieties about the failure of the ideal of a national character.
