Banshees Mark C. Marino,2018-08-06 In a world where supernatural and mythical beings coexist with humans a 244 year old banshee named Siobhan goes to Paris with three of her best friends to spend the week for a vacation Eventually after an attack on the Eiffel Tower the four friends bond together on a journey to Jordan to bring down a powerful paramilitary organization led by the ghoulish king known as Azraghul **Ruthless Devotion** Rebecca Kenney,2025-07-22 SPECIAL DELUXE EDITION WITH STAINED EDGES CHARACTER ART AND MORE He was the other half of my soul the mirror to my every dark desire My destruction my redemption my salvation my Heathcliff Cathy Earnshaw's got the devil inside her or at least that's what the small cultish community she's spent her whole life trapped inside would say She can sense death coming and every loss sends her spiraling into a violent uncontrollable episode of grief wailing like a banshee across the swampy forests of the Lowcountry With a secret as dark as hers there's no hope of relief or escape or finding someone with a chance of understanding Until she meets him Heathcliff's got his own trauma and a secret just as dangerous as Cathy's Stolen as a child raised by necromancers he's the most forbidden sin she could ever imagine and the most desperately tempting Violent in his passions tender in his affection he feels like the other half of her soul but even as they claw desperately to be together the world seems just as determined to keep them apart Because it turns out their little Southern community was built long ago on a graveyard of lies and every cult needs its sacrificial lamb An addictive and truly original spicy New Adult retelling of Wuthering Heights with a magical twist RICH BONUS FEATURES INCLUDE Sprayed edges Gorgeous b/w interior art Additional scenes And more **Flying** ,1999 *Shadowrun Legends: Dead Air* Jak Koke,2018-09-19 JACKED IN REVVED UP AND ARMED TO THE TEETH It's fast and furious inside the Combat Biker maze where armor plated hogs and juiced up rice grinders blast pound and pummel each other for points But it's just barely up to speed for Jonathon and Tamara two elven bikers at the head of the Los Angeles Sabers With a simsense link between them that allows them to act virtually as one they're been tearing up the league and making headlines But all that changes when Tamara takes a brutal hit from the cyberspurs of Dougan Rose lead linebiker for the New Orleans Buzzsaws and the most respected player in the league When Tamara gets slammed Jonathon's out for revenge But it isn't going to be easy Because there's a lot more to this sabotage than meets the eye and if the megacorp agents simsense industry operatives and hostile mages don't kill him the truth probably will Bernstein Meets Broadway Carol J. Oja,2014-07-25 Winner of the 2015 Music in American Culture Award from the American Musicological Society When Leonard Bernstein first arrived in New York City he was an unknown artist working with other brilliant twentysomethings notably Jerome Robbins Betty Comden and Adolph Green By the end of the 1940s these artists were world famous Their collaborations defied artistic boundaries and subtly pushed a progressive political agenda altering the landscape of musical theater ballet and nightclub comedy In *Bernstein Meets Broadway* Collaborative Art in a Time of War award winning author and scholar Carol J Oja examines the early days of Bernstein's

career during World War II centering around the debut in 1944 of the Broadway musical *On the Town* and the ballet *Fancy Free*. As a composer and conductor, Bernstein experienced a meteoric rise to fame thanks in no small part to his visionary colleagues. Together they focused on urban contemporary life and popular culture featuring as heroes the itinerant sailors who bore the brunt of military service. They were provocative both artistically and politically. In a time of race riots and Japanese internment camps, Bernstein and his collaborators featured African American performers and a Japanese American ballerina staging a model of racial integration. Rather than accepting traditional distinctions between high and low art, Bernstein's music was wide open, inspired by everything from opera and jazz to cartoons. *Oja* shapes a wide-ranging cultural history that captures a tumultuous moment in time. *Bernstein Meets Broadway* is an indispensable work for fans of Broadway musicals, dance, and American performance history.
