War And The Law Of Nations A General History:

War and the Law of Nations Stephen C. Neff,2005-08-04 This ambitious 2005 volume is a history of war from the standpoint of international law from the beginning of history to the present day Its primary focus is on legal conceptions of war as such rather than on the substantive or technical aspects of the law of war It tells the story in narrative form of the interplay through the centuries between on the one hand legal ideas about war and on the other hand state practice in warfare Its coverage includes reprisals civil wars UN enforcement and the war on terrorism This book will interest historians students of international relations and international lawyers *The Encyclopedia of Diplomacy, 4 Volume Set* Gordon Martel,2018-04-30 The Encyclopedia of Diplomacy is a complete and authoritative 4 volume compendium of the most important events people and terms associated with diplomacy and international relations from ancient times to the present from a global perspective An invaluable resource for anyone interested in diplomacy its history and the relations between states Includes newer areas of scholarship such as the role of non state organizations including the UN and M decins Sans Fronti res and the exercise of soft power as well as issues of globalization and climate change Provides clear concise information on the most important events people and terms associated with diplomacy and international relations in an A Z format All entries are rigorously peer reviewed to ensure the highest quality of scholarship Provides a platform to introduce unfamiliar terms and concepts to students engaging with the literature of the field for the first time *The Oxford Handbook of the History of International Law* Bardo Fassbender,Anne Peters,Simone Peter,Daniel Högger,2012-11-01 The Oxford Handbook of the History of International Law provides an authoritative and original overview of the origins concepts and core issues of international law The first comprehensive Handbook on the history of international law it is a truly unique contribution to the literature of international law and relations Pursuing both a global and an interdisciplinary approach the Handbook brings together some sixty eminent scholars of international law legal history and global history from all parts of the world Covering international legal developments from the 15th century until the end of World War II the Handbook consists of over sixty individual chapters which are arranged in six parts The book opens with an analysis of the principal actors in the history of international law namely states peoples and nations international organisations and courts and civil society actors Part Two is devoted to a number of key themes of the history of international law such as peace and war the sovereignty of states hegemony religion and the protection of the individual person Part Three addresses the history of international law in the different regions of the world Africa and Arabia Asia the Americas and the Caribbean Europe as well as encounters between non European legal cultures like those of China Japan and India and Europe which had a lasting impact on the body of international law Part Four examines certain forms of interaction or imposition in international law such as diplomacy as an example of interaction or colonization and domination as an example of imposition of law The classical juxtaposition of the civilized and the uncivilized is also critically studied Part Five is concerned with problems of the

method and theory of history writing in international law for instance the periodisation of international law or Eurocentrism in the traditional historiography of international law The Handbook concludes with a Part Six entitled People in Portrait which explores the life and work of twenty prominent scholars and thinkers of international law ranging from Muhammad al Shaybani to Sir Hersch Lauterpacht The Handbook will be an invaluable resource for students and scholars of international law It provides historians with new perspectives on international law and increases the historical and cultural awareness of scholars of international law It is the standard reference work for the global history of international law Research Handbook on the Theory and History of International Law Alexander Orakhelashvili,2020-12-25 This updated and revised second edition with contributions from renowned experts provides a comprehensive scholarly framework for analyzing the theory and history of international law Featuring an array of legal and interdisciplinary analyses it focuses on those theories and developments that illuminate the central and timeless basic concepts and categories of the international legal system highlighting the interdependency of various aspects of theory and history and demonstrating the connections between theory and practice **A World History of War Crimes** Michael S. Bryant,2021-01-28 The greatly expanded and enhanced 2nd edition of A World History of War Crimes provides an authoritative and accessible introduction to the global history of war crimes and the laws of war Tracing human efforts to limit warfare from codes of war in antiquity designed to maintain a religiously conceived cosmic order to the gradual use in the modern age of the criminal trial as a means of enforcing universal humanitarian norms Michael S Bryant s book is a masterful one volume account of the subject This new edition includes for the first time Two chapters providing extensive coverage of the Americas Africa and the Middle East Strengthened chronological boundaries a new chapter on the Incas Aztecs Mayan and North American Indian tribes as well as more material across all regions in ancient times discussion of contemporary war crimes committed in Afghanistan Iraq Myanmar and Syria A historiographical essay to broaden your understanding of the field An added final chapter focusing on the social cultural and psychological aspects of the subject A World History of War Crimes is vital reading for anyone needing to understand the history of war in one of its most significant contexts *A Companion to International History 1900 - 2001* Gordon Martel,2010-03-29 A comprehensive overview of the most important international events movements and controversies of the 20th century Written by distinguished scholars each an authority in their field Explores influential underlying themes such as imperialism nationalism internationalism technological developments and changes in diplomatic methods Addresses a broad range of topics including diplomacy of wartime and peacemaking the cold war era and the new world order the end of European empires the rise of nationalism in the Third World globalization and terrorism Chronological organization makes the volume easily accessible Includes useful guides for further reading and research **Justice among Nations** Stephen C. Neff,2014-02-18 Justice among Nations tells the story of the rise of international law and how it has been formulated debated contested and put into practice from ancient times to the present Stephen Neff avoids technical

jargon as he surveys doctrines from natural law to feminism and practice from the Warring States of China to the international criminal courts of today Ancient China produced the first rudimentary set of doctrines But the cornerstone of international law was laid by the Romans in the form of universal natural law However as medieval European states encountered non Christian peoples from East Asia to the New World new legal quandaries arose and by the seventeenth century the first modern theories of international law were devised New challenges in the nineteenth century encompassed nationalism free trade imperialism international organizations and arbitration Innovative doctrines included liberalism the nationality school and solidarism The twentieth century witnessed the League of Nations and a World Court but also the rise of socialist and fascist states and the advent of the Cold War Yet the collapse of the Soviet Union brought little respite As Neff makes clear further threats to the rule of law today come from environmental pressures genocide and terrorism

Notions of Neutralities Pascal Lottaz,Herbert R. Reginbogin,2018-11-16 Neutrality serves different purposes during times of war and peace Notions of Neutralities portrays those historical challenges that neutrals faced and are still facing to maintain some form of economic stability and political order as chaos and wars rage Neutrals are exposed to existential issues and questions of civil society international politics and morality in a world defiant to principles of universal peace Every age has its own armed conflicts and while the questions they raise are often the same the answers are different because the international word order changes Is neutrality justifiable even when the humanity of civilization is at risk as in the Second World War or the wars of the post Cold War era Can those who refuse the call to arms still act by providing humanitarian services to contain the impact of war or on the contrary are neutrals shut off from global politics mere weaklings that suffer what they must This book addresses such questions through an interdisciplinary scholarship by some of the world s foremost experts on neutrality Twelve chapters tackle different but profound aspects of the concept over a span of five hundred years They succinctly show the evolution of international norms in the context of war and peace What is more the essays portray fundamental categories of thinking about a variety of neutralities that the international system has produced in the past and present The authors discuss the complexities of neutrality providing a new and refreshing understanding of international relations and security for the past as well as for the multipolar world of the twenty first century A History of International Law in Italy Giulio Bartolini,2020-04-02 This volume critically reassesses the history and impact of international law in Italy It examines how Italy s engagement with international law has been influenced and cross fertilized by global dynamics in terms of theories methodologies or professional networks It asks to what extent historical and political turning points influenced this engagement especially where scholars were part of broader academic and public debates or even active participants in the role of legal advisers or politicians It explores how international law was used or misused by relevant actors in such contexts Bringing together scholars specialized in international law and legal history this volume first provides a historical examination of the theoretical legal analysis produced in the Italian context

exploring its main features and dissident voices The second section assesses the impact on international law studies of key historical and political events involving Italy both international and domestically and conversely how such events influenced perceptions of international law Finally a concluding section places the preceding analysis within a broader contemporary perspective This volume weighs in on in the growing debate on the need to explore international law from comparative and local viewpoints It shows how regional national and local contexts have contributed to shaping international legal rules institutions and doctrines and how these in turn influenced local solutions *Anticipatory Action in Self-Defence* Kinga Tibori Szabó,2011-08-22 The legality of preemptive strikes is one of the most controversial questions of contemporary international law At the core of this controversy stands the temporal dimension of self defence when and for how long can a state defend itself against an armed attack Can it resort to armed force before such an attack occurs Is anticipatory action covered by the rules of self defence or should it be treated as a different concept This book examines whether anticipatory action in self defence is part of customary international law and if so under what conditions The pre Charter concept of anticipatory action is demarcated and then assessed against post Charter state practice Several instances of self defence both anticipatory and remedial are examined to elucidate the rules governing the temporal dimension of the right The Six Day War 1967 the Israeli bombing of an Iraqi reactor 1981 the US invasion of Iraq 2003 and other instances of state practice are given thorough attention

War And The Law Of Nations A General History Introduction

In todays digital age, the availability of War And The Law Of Nations A General History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of War And The Law Of Nations A General History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of War And The

Law Of Nations A General History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing War And The Law Of Nations A General History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, War And The Law Of Nations A General History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing War And The Law Of Nations A General History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for War And The Law Of Nations A General History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, War And The Law Of Nations A General History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of War And The Law Of

Nations A General History books and manuals for download and embark on your journey of knowledge?

FAQs About War And The Law Of Nations A General History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. War And The Law Of Nations A General History is one of the best book in our library for free trial. We provide copy of War And The Law Of Nations A General History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with War And The Law Of Nations A General History. Where to download War And The Law Of Nations A General History online for free? Are you looking for War And The Law Of Nations A General History PDF? This is definitely going to save you time and cash in something you should think about.
