Warren Buffett Favorite Banks:

The Complete Financial History of Berkshire Hathaway Adam J. Mead, 2021-04-13 For the first time the complete financial history of Berkshire Hathaway is available under one cover in chronological format Beginning at the origins of the predecessor companies in the textile industry the reader can examine the development of the modern day conglomerate year by year and decade by decade watching as the struggling textile company morphs into what it has become today This comprehensive analysis distills over 10 000 pages of research material including Buffett s Chairman s letters Berkshire Hathaway annual reports and SEC filings annual meeting transcripts subsidiary financials and more The analysis of each year is supplemented with Buffett s own commentary where relevant and examines all important acquisitions investments and other capital allocation decisions The appendices contain balance sheets income statements statements of cash flows and key ratios dating back to the 1930s materials brought together for the first time The structure of the book allows the new student to follow the logic reasoning and capital allocation decisions made by Warren Buffett and Charlie Munger from the very beginning Existing Berkshire shareholders and long time observers will find new information and refreshing analysis and a convenient reference guide to the decades of financial moves that built the modern day respected enterprise that is Berkshire Hathaway

The Mega Deals of Warren Buffett Glen Arnold, 2023-04-25 In THE MEGA DEALS OF WARREN BUFFETT we trace Warren Buffett s journey as he made Berkshire Hathaway the largest company in America In this enthralling account we follow Buffett s investment deals over the decade from 1989 to 1998 as Berkshire shares jumped 14 fold from 4 700 to 68 000 and its market cap grew from 5 billion to 100 billion This was a period of Buffett s career when he was approaching normal retirement age But far from slowing down he was just hitting his stride Buffett was as driven as ever to seek out great companies at good prices By studying the decision making that went into his investment deals and the successful and unsuccessful outcomes we can learn from Buffett and become better investors ourselves In this decade Buffett made investments in Wells Fargo USAir American Express The Shoe Group Helzberg Diamond Shops RC Willey FlightSafety International Dairy Queen NetJets and General Re For each of these deals investing expert and Buffett historian Glen Arnold dives into unprecedented detail to analyse the investment process and the stories of the individuals involved Arnold s engaging lucid style transports the reader to the time and place of the deals to truly appreciate how Buffett was operating

The Warren Buffett Way Robert G. Hagstrom, 2013-09-30 Warren Buffett is the most famous investor of all time and one of today s most admired business leaders He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen The first two editions of The Warren Buffett Way gave investors their first in depth look at the innovative investment and business strategies behind Buffett s spectacular success The new edition updates readers on the latest investments by Buffett And more importantly it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett New material includes How

to think like a long term investor just like Buffett Why loss aversion the tendency of most investors to overweight the pain of losing money is one of the biggest obstacles that investors must overcome Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett s investing success Analysis of Buffett s recent acquisition of H J Heinz and his investment in IBM stock The greatest challenge to emulating Buffett is not in the selection of the right stocks Hagstrom writes but in having the fortitude to stick with sound investments in the face of economic and market uncertainty The new edition explains the psychological foundations of Buffett s approach thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation **The New Tao of**

Roy C. Smith,2025-09-23 A LONG WILD RIDE *Paper Fortunes* is the richly detailed story of Wall Street from post war heyday to present woes from a player whose experiences profiles of the colorful personalities involved and learned observations of the forces shaping the business make it insightful and timely Smith a long time Goldman Sachs banker and now a distinguished NYU professor of finance enables anyone working on the Street investing with it or just appalled by its worst shenanigans to understand how the industry has grown changed and evolved and what its future prospects are From various Goldmans Sachses and Lehmans through to Richard Fuld Henry Paulson and Tim Geithner *Paper Fortunes* tells the ongoing story of the shifting U S market economy through the actions of the people who ve shaped it for the last 60 years and will shape it for the next 60 years *So You Want to Be a Superinvestor?* Ashray Jha,2023-12-29 It is human nature to make simple things more complicated than they actually are Investing is no exception From our early days in school we are briefly taught about the stock market given complex formulas to take a quantitative approach and use Greek letters to define terms in the stock market The constant use of phrases like smart money by the media makes you believe you have to know

everything about investing to have a chance to succeed However there are always two sides to every coin So You Want to Be a Superinvestor examines what we were taught about investing from academia and then questions this conventional thinking Do the greatest investors like Warren Buffett and other Superinvestors also use the conventional wisdom or do they think about investing differently Is this nonconventional investing approach accessible to all or only ultrawealthy millionaires In this easy to understand book the author details his own journey into investing from his early influences from his dad to what he learned in the realm of academia to researching other great Superinvestors Across various books and media these wildly successful investors have shared their teachings on evaluating companies how to think about market cycles investor mindsets and how the macro economy effects investing So You Want to Be a Superinvestor is a comprehensive book that takes the various lessons learned from the Superinvestors and illustrates these points by using examples from the authors own life The author also makes observations on market moving events the changing psychology of investors and provides research and examples from history to guide you in your investing journey These principles can be used by beginners to intermediate investors to emulate the success of the greats

Absent Management in Banking Christian Dinesen,2020-01-27 Offering a historical analysis of management in banking from the Medici to present day this book explores how banks can cause devastating financial crisis when they fail Rather than labelling management as good or bad the author focuses on the concept of absent management which can occur as a result of complexity The complexity of banking which intensified alongside the phenomenal growth of banks in the 20th and 21st centuries resulted in banks that are mismanaged or at times even unmanaged Drawing on business school case studies including Barings and Lehman Brothers this book showcases how absent management in banking has caused crises depressions and recessions and how ultimately it will continue to do so

Buffett's Early Investments Brett Gardner,2024-11-05 Buffett s Early Investments investigates ten investments that legendary investor Warren Buffett made in the 1950s and 1960s earning him his first millions and uncovers unique insights in the process Using the same documents Buffett used when he made these investments the author reveals the fascinating inside stories of How Philadelphia and Reading Buffett s largest investment in 1954 transformed from a declining coal company to a diversified conglomerate whose stock went up twentyfold due to the intervention of Buffett s mentor Ben Graham How Buffett and Charlie Munger made their first formal investment together in Hochschild Kohn How corporate governance issues actually presented serious risk to Buffett s 1966 investment in Walt Disney Other investments analyzed include American Express British Columbia Power Cleveland Worsted Mills Greif Bros Marshall Wells Studebaker and Union Street Railway Not all of these investments worked out this book shows why Buffett s Early Investments helps readers understand how history s greatest ever investor really made his returns in the years where he produced his best numbers
