There really are no words I can find to thank this author for being the beacon of light at the end of this transition from victim to the person I am today." - A Reader "I've been reading Warrior of Light. I really like how the author expresses things directly and very energetically. A Reader: I loved the manifesting chapter in this book. *Empowering Spirit Wisdom*: How many times do we think and immediately deny it because we feel so undeserving or we don't believe it can happen. A Reader: I really enjoyed *Empowering Spirit Wisdom* and I am glad that I found an author of books that are in alignment with my beliefs. A Reader: This is the first time for me reading one of Kevin Hunter's books. I was curious what a Warrior of Light would have to say on Love, Career, and the Spirit World because I consider myself being a kind of warrior within. To me, the language of the author is quite energetic and committed. He and his Spirit team come straight to the point. No glossing over, no beating about the bush, but clear information instead. Which actually is very encouraging because our abilities and responsibilities as humans are also addressed directly. I very much enjoyed the chapters on love and relationships because they speak from the heart. This book provides a lot of interesting and important information. Sometimes it feels like a sheer stream of insights that come along like waves. I loved it. A Reader: **Twin Flame Soul Connections** Kevin Hunter, 2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart, causing one to be two until two become one again, separate and whole and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God because to know love is to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate.

or Twin Flame dynamic Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames and how to identify if you've come into contact with your Twin Flame or if you know someone who has The ultimate goal is not to find ones Twin Flame but to awaken ones heart to love and to work on becoming complete and whole as an individual soul through spiritual self mastery life lessons growth and raising your consciousness Your soul's life was born out of love and will die right back into that love Chapter Topics Include Karmic Soul Connections Soul Mate Soul Connections The Twin Flame Craze The Birth of Twin Flames Masculine Feminine Yin and Yang The Light and Dark Higher and Lower Energies Twin Flames The Romantic and Non Romantic Twin Flames Age and Location Twin Flames Example Couples Twin Flames Genders Gay Straight Homosexual Heterosexual Twin Flames Runner Chaser Push and Pull Twin Flames Mirrors Goals Missions and Purposes Technology Strengths and Challenges Twin Flames Coming Together Is This Person My Twin Flame Twin Flames Spiritual Growth Twin Flames Recapping the Truths and Myths of Twin Flames The Twin Flame Summary Cheat Sheet

The Seven Deadly Sins Kevin Hunter, 2016-03-12 The Seven Deadly Sins is a pocket book that takes a look at the traditional sins in a practical way The Seven Deadly Sins in today's language would be the Seven Toxic Challenges Being aware of these toxic challenges are helpful since falling into a deadly sin creates a block from achieving greatness finding peace and picking up on the messages and guidance coming in from Heaven The messages and guidance are intended to help guide you along your path You were born with an ego that expands as it enters the Earth's atmosphere This ego causes you to struggle and have conflicts as it attempts to take over you and dominate your actions thoughts and feelings When your ego runs recklessly it grows and expands into darkness The dark ego is what prompts you to wrestle with challenges in this lifetime These challenges were called sin during ancient times The sins committed can delay you on your path and wreak havoc on your soul's innate system This innate system is the higher self part of you that governs your life through a broader perspective The

seven deadly sins were created in order to assist human souls in making sounder choices. They are challenges that all human souls wrestle with to one degree or another. When you're deeply absorbed in these toxic challenges, then it causes an array of issues and complications on your life path. These sins or challenges prevent the positive flow of energy and abundance in your life. They also play a hand at creating a block that stops up the communication line with your team on the Other Side. The sins or toxic challenges looked at include Pride, Envy, Greed, Lust, Gluttony, Wrath, and Sloth.

Reaching for the Warrior

Within Kevin Hunter, 2013-05-30. *Reaching for the Warrior Within* is the author's personal journey recounting a volatile upbringing in a household weighed down with physical, emotional, and psychological child abuse, which caused his consciousness to split into different compartmentalized selves referred to as Dissociative Identity Disorder. This childhood Hell brought on immense anxiety that simultaneously led him down a path of addictions to alcohol, drugs, cigarettes, and destructive relationships. The one saving grace was his strong psychic connections with Heaven, which kept him anchored in faith, courage, and a passion and drive to match. He credits turning his life around by paying attention to the Divine messages he has been receiving from his Spirit team since birth. He explains how he was able to distinctly tell the difference between when his higher self was intervening and ruling the show and when his lower self was running his life into the gutter. Living several lifetimes in one, nothing would stop him from rising above his abusive upbringing, getting his life together, going after what he wanted, and achieving it. He describes how he pulled himself up by his bootstraps and obtained every job he wanted without prior experience. This is from work in the entertainment industry with some of Hollywood's esteemed talent to ridding himself of toxic addictions and moving into living a healthier lifestyle, clear-minded and focused before becoming a spiritual teacher and author of dozens of metaphysical books. Kevin gains strength, healing, and direction with the help of God and his Spirit team of guides and angels. Today as a metaphysical inspirational author, Kevin teaches others how to move out of the Darkness and into the Light. Having experienced living in the trenches of despair, he has experienced what it's like to rise up out of the ashes and into a warrior of light. Living vicariously through this inspiring story can enable you to distinguish when you have been assisted on your own life path. *Reaching for the Warrior Within* attests that anyone can positively change their life if they pay attention to their Divine psychic guidance system. This can be from being a victim of child abuse, a drug and alcohol user, to going after the jobs and relationships you want. This powerful story is for those seeking motivation to change, alter, and empower their life, one day at a time. Although this story isn't about the entertainment industry, there is a bonus for those interested in or curious about getting an Entertainment Industry job. Part of Kevin's story includes how he went from living in poverty and child abuse to becoming an alcoholic and drug addict by the time he was in his early twenties. This all transformed dramatically when he broke into the Entertainment Industry, which is illustrated and broken down in a couple of chapters. He was twenty-three when he was asked to join the film production company of one of Hollywood's respected legendary actors, Michelle Pfeiffer. It was there he worked as a Development Assistant before rising up the ranks.

into coordinating film productions for the Film Studios years later He went through another transformation when he evolved into a metaphysical spiritual teacher after all of those incredible life experience classes He has been sought after behind the scenes in the industry having worked with other Hollywood talent including George Clooney Angelina Jolie Eddie Murphy Shirley MacLaine Antonio Banderas Mark Wahlberg Whoopi Goldberg Jessica Lange Diane Lane Lisa Kudrow Daniel Radcliffe Melanie Griffith Jennifer Jason Leigh Julia Stiles Alessandro Nivola Jennifer Coolidge Topher Grace John C Reilly and many others Chapters include Inner Child Burial The Battle Between the Higher and Lower Self Getting that Important Job Entertainment Industry Saturn Return the One Sided Relationships The Spiritual Transformation The Turning Point The Death Transformation into a Warrior of Light and A New Dawn What Readers Have Said This book is a true inspiration and an example of that saying that says where there s a will there is a way The author talks about the struggles that he come out of He shares his knowledge his experiences hardships successes and his victories The author sets a high standard for anyone to match this level of interconnectivity that he has You should see this book It s all highlighted I just couldn t put that felt tip highlighter down This book is about the author s personal story in coming out of the darkness It s inspiring Thinking about this book after reading it I had an image of a Phoenix bird rising from the ashes covered in this brilliant orange fire transforming itself as it flew higher into this beautiful HUGE majestic animal with its wings widespread open And I said THAT S IT Kevin Hunter is truly a real life amazing Phoenix risen from the ashes and soaring high above into the sky and to the heavenly light Halfway into this book my heart was melting How well this was expressed I was so hooked inspired and moved by this book It gives me hope that we can transform our lives if we understand ourselves better and make the right changes Superb writing It s a wonder that the author is still alive with all that he went through WOW What a turnaround he made I felt so bad for him reading all the stuff about his childhood BUT he survived and look at him now Such a strong wonderful person
