Warsaw Pact Ground Forces Elite

Jeffrey Simon

Warsaw Pact Ground Forces Elite:

Warsaw Pact Ground Forces, 1991 *Warsaw Pact Ground Forces* Gordon L. Rottman, 2012-09-20 While much has been published on the armed forces of the USSR during the 1980s surprisingly little is available on the forces supplied by the other member nations of the Warsaw Pact Rivaling the size of the United States Army the combined ground forces of the six non Soviet Warsaw Pact countries totalled over 775 000 active troops with almost two million ground forces reserves This book examines the history organization and uniforms of the often overlooked DDR Czechoslovak Polish Bulgarian Hungarian and Romanian forces at the end of the Cold War *NATO-Warsaw Pact Force Mobilization* Jeffrey Simon, 2021-05-03 Recent demographic and economic trends present mobilization problems for both the North Atlantic Treaty Organization and the Warsaw Pact When the United States and the Soviet Union agreed to rid Europe of intermediate range nuclear weapons their agreement increased the emphasis on conventional force balances thus creating anew strains within and between the alliances These developments make the time ripe for a comprehensive study of NATO and Warsaw Pact capabilities to mobilize their conventional forces This book draws upon essays prepared for the NATO Warsaw Pact conference In these essays U S and European specialists discuss developments and vulnerabilities in the blocs They address four issues 1 mobilization and reinforcement 2 developments in front line states 3 communications and transportation problems and 4 difficulties on the flanks These individual studies and the book as a whole represent the most current and thorough examination of NATO Warsaw Pact capabilities available today **Cold War Gone Hot** Ambush Alley Ambush Alley Games, 2011-11-20 My fellow Americans I m pleased to tell you today that I ve signed legislation that will outlaw Russia forever We begin bombing in five minutes Ronald Reagan 1984 With these words spoken as a sound check to a radio broadcast President Reagan came dangerously close to igniting the long simmering Cold War Although Soviet forces were placed on alert following reports of this comment the full scale conflict between the West and the Soviet Bloc did not break out Cold War Gone Hot the latest companion volume for Force on Force looks at the 44 year history of the Cold War and asks what if With the orders of battle vehicle stats and missions included in this volume Force on Force players can simulate the advance of Soviet tanks across Western Europe a thrust into Alaska or any number of other plausible scenarios where history took a slightly different path **Russian Security and Paramilitary Forces since 1991** Mark Galeotti, 2013-08-20 While the size of Russia s regular forces has shrunk recently its security and paramilitary elements have become increasingly powerful Under the Putin regime they have proliferated and importantly seem set to remain Russia s most active armed agencies for the immediate future In parallel within the murky world where government and private interests intersect a number of paramilitary private armies operate almost as vigilantes with government toleration or approval This book offers a succinct overview of the official semi official and unofficial agencies that pursue Russian government and quasi government objectives by armed means from the 200 000 strong Interior Troops through Police and other independent departmental

forces down to private security firms Featuring rare photographs and detailed colour plates of uniforms insignia and equipment this study by a renowned authority explores the Putin regime s shadowy special forces apparatus active in an array of counter terrorist and counter mafia wars since 1991

Napoleonic Heavy Cavalry & Dragoon Tactics Philip Haythornthwaite,2013-07-20 During the Napoleonic Wars the supreme battlefield shock weapon was the heavy cavalry the French cuirassiers and their British Austrian Prussian and Russian counterparts Big men mounted on big horses the heavy cavalry were armed with swords nearly a metre long used for slashing or thrusting at their opponents many wore steel armour a practice revived by Napoleon They were tasked with smashing a hole in the enemy s line of battle with exploiting a weakness or with turning a flank Their classic manoeuvre was the charge arrayed in close order lines or columns the heavy cavalry would begin their attack at the walk building up to a gallop for the final 50 metres before impact Illustrated with diagrams relevant paintings and prints and specially prepared colour plates this is the first volume of a two part study of the cavalry tactics of the armies of Napoleon and those of his allies and opponents Written by a leading authority on the period it draws upon drill manuals and later writings to offer a vivid assessment of how heavy cavalry actually fought on the Napoleonic battlefield

World War II Jungle Warfare Tactics Stephen Bull,2013-08-20 This book describes and illustrates in fascinating detail the slow and painful learning curve followed by the Allies in the mid war years as they attempted to end the Japanese stranglehold on Southeast Asia and the Pacific Based on the actual wartime training documents and front line memoirs it shows how the British Australian and US armies transformed their tactics attitudes and equipment to master the art of jungle warfare In 1944 45 the Allies finally conquered the jungle environment exploiting their new strengths and their enemy s weaknesses to win crushing victories in Burma and on the Pacific islands

[CIA Analysis of the Warsaw Pact Forces](#) ,2012

American Civil War Marines 1861-65 Ron Field,2013-08-20 The part played in the Civil War by the small Marine Corps of the United and Confederate States is overshadowed by the confrontations of the great armies Nevertheless the coastal and riverine campaigns were of real importance given the strategic significance of the Federal blockade of southern ports and of the struggle for the Mississippi River Marines wearing blue and grey fought in many dramatic actions afloat and ashore ship to ship engagements cutting out expeditions and coastal landings This book offers a comprehensive summary of all such battles illustrated with rare early photographs and meticulously researched color plates detailing the often obscure minutiae of Marine uniforms and equipment

MILITARY UNIFORMS IN EUROPE 1900 - 2000 Volume Two R Spencer Kidd,2013-10-01 This book Volume Two gives an historical overview of 51 countries whose armed forces served in Europe 1900 2000 together with uniform descriptions Includes 204 full colour paintings of the regular armies marines airforce and para military troops engaged in land exercises operations and warfare in Europe including non European troops serving in Europe Each entry is accompanied by a history and description of the uniforms illustrated The author and illustrator Ron Kidd has been interested in both police and military history uniforms and insignia

since he was a school boy in the 1950 s He has visited over 300 police and military museums world wide and has written and illustrated a number of magazine articles on both police and military history and uniforms He is a member of both the Military Heraldry Society and the Military Historical Society
