Unplugged Brian Mackenzie,2017-07-11 In the first quarter of 2016 Americans bought 19.7 million fitness wearables an increase of 67 percent over the previous year By 2020 the global market for fitness focused apps and devices is expected to grow to 30 billion This means that more than ever we're looking at our wrists not only to check the time but also to see how much we've moved monitor our heart rate and see how we're stacking up against yesterday's tallies As a result of our fitness tech addiction we've lost awareness of what we're doing how we're feeling and what's going on around us This is bad enough in the gym but when we get outside the constant checking of a tiny screen truly wreaks havoc downgrading what should be a rich experience into yet another task we need to complete to meet our daily goals And if we fall short we feel inadequate There's also the issue of data inaccuracy with many device makers now admitting that their gadgets provide only estimates So why do we continue to obsess over data and treat it as gospel truth It's time to stop take a breath and hit the reset button in a big way Unplugged provides a blueprint for using technology to meet your health and performance goals in a much smarter way while reconnecting to your instincts and the natural world In addition to sharing the performance expertise of Brian Mackenzie and the scientific insight of Dr Andy Galpin Unplugged features exclusive stories and advice from elite athletes and world renowned experts like Laird Hamilton Tim Ferriss Kai Lenny Kelly Starrett Steven Kotler Erin Cafaro Lenny Wiersma Dr Frank Merritt and Brandon Rager Reading Unplugged will enable you to Understand both the value and the limitations of technology in athletic performance fitness health and lifestyle situations Know how and when to utilize

physical activity technologies in your everyday life and when not to Avoid the common mistakes that most people make with wearables and tracking apps Understand which technologies and tests are most effective and which are a waste of money End your addiction to fitness technology and start utilizing it as a tool for cueing learning and sensing instead of as a taskmaster that stresses you out Improve self awareness and increase self reliance Re engage with nature by spending less time indoors and more time outside Rediscover the value of coaches expertise curation and intuition which technology can t replace Take back control of your health fitness and performance with the Unplugged training protocol
