Language in Society in Bangladesh and Beyond Shaila Sultana, Mian Md. Naushaad Kabir, Md. Zulfeqar Haider, Mohammod Moninoor Roshid, M. Obaidul Hamid, 2023-11-29 This collection presents a holistic picture of the sociolinguistic landscape in Bangladesh offering a critical understanding of language ideologies and social inequalities in the country as they connect more widely to dynamics in the Global South The book seeks to untangle the voices embedded in the language practices of a range of communities and professions in the region which have been little studied in the literature and encourage a rethinking of the relationships between language and nationality class ethnicity race and gender Highlighting perspectives from established and emerging researchers and drawing on a wide range of theoretical approaches and methodologies the volume is organized around such key themes as bilingualism and diglossia language variation across domains language and identity in literature and the interconnectedness of language identity and globalization Taken together the collection calls attention to the socially and spatially situated nature of language practices in Bangladesh and in turn the ways in which scholars in the Global South make sense of the sociolinguistic landscape at both the local and global levels This book will appeal to scholars working in sociolinguistics particularly those working on language policy language and identity language variation and in or about the Global South Challenges for Language Education and Policy Bernard Spolsky, Ofra Inbar-Lourie, Michal

Tannenbaum, 2014-09-15 Addressing a wide range of issues in applied linguistics sociolinguistics and multilingualism this volume focuses on language users the people Making creative connections between existing scholarship in language policy and contemporary theory and research in other social sciences authors from around the world offer new critical perspectives for analyzing language phenomena and language theories suggesting new meeting points among language users and

language policy makers norms and traditions in diverse cultural geographical and historical contexts Identifying and expanding on previously neglected aspects of language studies the book is inspired by the work of Elana Shohamy whose critical view and innovative work on a broad spectrum of key topics in applied linguistics has influenced many scholars in the field to think out of the box and to reconsider some basic commonly held understandings specifically with regard to the impact of language and languaging on individual language users rather than on the masses Mandarin Chinese Dual Language Immersion Programs Ko-Yin Sung,Hsiao-Mei Tsai,2019-06-05 This book discusses multiple aspects of Chinese dual language immersion DLI programs with a focus on the controversial Utah model The first part of the book focuses on the parents teachers and school administrators It looks at the perceptions of the three groups toward the Utah model how they build a supportive DLI classroom with an emphasis on teacher teacher and teacher parent communication and how the teachers position themselves in teaching through their teacher identities The second part of the book emphasizes classroom research and explores teaching and learning strategies corrective feedback and learner uptake and repair translinguaging in authentic teacher student interaction and Chinese character teaching As the first DLI book to include a non alphabetical language Chinese it addresses the need for more research on DLI programs of languages other than Spanish The book will benefit not only Chinese DLI educators and administrators in the US but will also offer some useful suggestions and thoughts to educators and administrators of similar programs worldwide The Complexity of Identity and Interaction in Language Education Nathanael Rudolph,Ali Fuad Selvi,Bedrettin Yazan,2020-08-07 This book addresses two critical calls pertaining to language education Firstly for attention to be paid to the transdisciplinary nature and complexity of learner identity and interaction in the classroom and secondly for the need to attend to conceptualizations of and approaches to manifestations of inequity in the sociohistorical contexts in which they occur Collectively the chapters envision classrooms and educational institutions as sites both shaping and shaped by larger trans communal negotiations of being and belonging in which individuals affirm and or problematize essentialized and idealized nativeness and community membership The volume comprised of chapters contributed by a diverse array of researcher practitioners living working and or studying around the globe is intended to inform empower and inspire stakeholders in language education to explore potentially reimagine and ultimately critically and practically transform the communities in which they live work and or study *Theoretical and Applied Perspectives on Teaching Foreign Languages in Multilingual Settings* Anna Krulatz,Georgios Neokleous,Anne Dahl,2022-06-21 This book promotes linguistically responsive foreign language teaching practices in multilingual contexts by facilitating a dialogue between teachers and researchers It advances a discussion of how to connect the acquisition of subsequent foreign languages with previous language knowledge to create culturally and linguistically inclusive foreign language classrooms and how to strengthen the connection between research on multilingualism and foreign language teaching practice The chapters present new approaches to foreign language instruction in multilingual settings many of them

forged in collaboration between foreign language teachers and researchers of multilingualism The authors report findings of classroom based research including case studies and action research on topics such as the functions and applications of translanguaging in the foreign language classroom the role of learners own languages in teaching additional languages linguistically and culturally inclusive foreign language pedagogies and teacher and learner attitudes to multilingual teaching approaches

Speech Language Therapy as a Global Practice Bea Staley, Chisomo Selemani, Marise Fernandes, 2025-08-15 Speech Language Therapy as a Global Practice focuses on the necessary skills and considerations needed to be a culturally responsive clinician in a multicultural and multilingual world The book highlights current issues of global practice and advocates for appropriate ways to engage with global communities It positions culture context and collaboration as integral and intertwined components of speech language therapy work Drawing on examples of successful and ongoing collaborative global speech language therapy partnerships chapters cover a breadth of topics including social justice translanguaging and colourism and include a series of reflective questions Authors grapple with ways to challenge the status quo and consider alternative ways of being knowing and doing including the use of technology and innovation in global practice Overall this collection highlights the importance of creating space for discussion as the profession of speech language therapy is now practiced in more countries than ever before This much needed book will be essential reading for students and practising speech language therapists particularly those interested in cultural competence meaningful reflection and ethical practice It will also be of interest to allied health professionals working with individuals experiencing communication disability
