Transportraits Voices From Transgender Communities:

Trans/Portraits Jackson Wright Shultz, 2015-09-22 Although transgender people are increasingly represented in academic studies and popular culture they rarely have the opportunity to add their own voices to the conversation In this remarkable book Jackson Shultz records the stories of more than thirty Americans who identify as transgender They range in age from fifteen to seventy two come from twenty five different states and a wide array of racial religious and socioeconomic backgrounds and identify across a vast spectrum of genders and sexualities Giving voice to a diverse group of individuals the book raises questions about gender acceptance and unconditional love From historical descriptions of activism to personal stories of discrimination love and community these touching accounts of gender transition shed light on the uncharted territories that lie beyond the gender binary Despite encounters with familial rejection drug addiction and medical malpractice each account is imbued with optimism and humor providing a thoughtful look at the daily joys and struggles of transgender life With an introduction and explanations from the author this work will appeal to transgender individuals their significant others friends family and allies health care providers educators and legal professionals and anyone questioning their own gender considering transition or setting out on their own transition journey

Transgender Health Issues

Sarah Boslaugh, 2018-08-03 Transgender individuals face unique challenges when it comes to their physical psychological and social health and well being This accessible reference investigates these concerns in depth offering readers insights into topics such as discrimination and access to health care Although transgender individuals have always existed their fight for acceptance and equal rights is just beginning Within this larger context one area of emerging concern is their health physical psychological and social From legislation determining public restroom access to insurance coverage of hormone therapy for transitioning individuals to harassment and discrimination transgender people face a number of challenges that can negatively affect their well being A part of Greenwood's Health and Medical Issues Today series Part I of this book explores definitions of sex and gender the history of transgender awareness and activism physical and psychological health concerns specific to transgender individuals and how identifying as transgender can have different effects on individuals health at different stages in their life Part II examines issues and controversies related to the health and well being of transgender individuals Part III provides a variety of useful materials including case studies a timeline of critical events a glossary and a directory of resources

Representing the Rainbow in Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In *Representing the Rainbow in Young Adult Literature* LGBTQ Content since 1969 Christine Jenkins

and Michael Cart provide an overview of the literary landscape An expanded version of *The Heart Has Its Reasons* this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives

Transgender Aaron Devor, Ardel Haefele-Thomas, 2019-02-15 This book provides a crucial resource for readers who are investigating trans issues It takes a diverse and historic approach focusing on more than one idea or one experience of trans identity or trans history *Transgender A Reference Handbook* is a go to resource about the transgender experience The book takes contemporary as well as historic aspects into consideration It looks at ancient indigenous cultures that honored third fourth and fifth gender identities as well as more contemporary ideas of what transgender means Notably it focuses not only on Western medical ideas of gender affirmation but on cultural diversity surrounding the topic This book will primarily serve as a reference guide and jumping off point for further research for those seeking information about what it means to be transgender While a reference book it contains original work that may be cited in addition to the encyclopedia itself In particular the perspectives section of the book includes writings from some of the world's foremost trans writers activists artists and historians *Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries* Craig A. Rubano, 2023-11-13 *Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries* Gender Creative Promise uniquely brings a gender diverse theological imagination to the field of pastoral theology supplemented by deploying a gender creative interpretative lens on scripture The reader is introduced to an array of persons diverse in their gender variance four continua of gender sex identity expression attraction a gender affirmative psychotherapeutic model as a template for the field of pastoral theology common resilience strategies that transgender persons employ in the face of cultural oppression and aspersion benefits derived from religious affiliation that can enhance resilience and scripturally based principles for delivering affirmative pastoral caregiving beyond gender binaries The author encourages readers to look within and wrestle with the complexities of their own gendered selves while journeying alongside him to emerge as pastoral change makers in their places of teaching ministry and caregiving *Valor and Vulnerability* Robert C. Dykstra, Ryan LaMothe, 2025-04-10 Intimacy vulnerability precarity resiliency and loss are ingredients of any life though they take on particular shape and tone when we listen to the experiences of boys and men The voices and stories of men and boys are invitations for pastoral ministers and theologians to

understand and respond to their joys struggles and sorrows as well as to recognize and affirm their courage and strengths In this book thirteen scholars in pastoral theology from diverse backgrounds and perspectives collaborate in engaging art literature the social sciences and cultural artifacts to explore the intersection of masculinity and religious life in rich and varied forms Their aim in part is not only to deepen and appreciate wide ranging experiences of boys and men but also to attend and respond to systemic realities that contribute to or undermine their flourishing **America through**

Transgender Eyes J. E. Sumerau, Lain A.B. Mathers, 2019-04-01 America through Transgender Eyes provides an opportunity for readers to look at American society through the eyes of transgender people at a time when movements for and against transgender people permeate socio political discussions throughout the nation This book provides readers with important insights into the beauty and struggle of transgender people identities experiences and relationships As political religious and scientific traditions update their arguments in relation to growing recognition of transgender lives and histories America through Transgender Eyes offers an opportunity to visualize the way such traditions appear to some of the people often left out of them As political battles about the rights of transgender Americans grow throughout the nation this book provides an important introduction to this population for voters leaders activists and scholars seeking to make sense of the shifting gender dynamics of contemporary America *Queer Studies* Bruce Henderson, 2019-09-10 Written for entry level survey courses in queer or LGBTQ Studies for students from all majors this engaging text covers a wide range of topics Early chapters consider the meaning of queer and examine identities such as trans bi and intersex Intersections between sexuality gender expression and other identities such as race ethnicity and class are also examined The book then reviews life experiences such as families friendship religion and spirituality health and politics through the lens of queerness *Queer Studies Beyond Binaries Engages* undergraduates with a narrative that applies key ideas to their own lives and experiences Questions various binaries either or pairings to help students examine their own sexual identity and gender expression Reviews foundational concepts from queer theory and queer history to create a deeper understanding of the concepts Emphasizes an intersectionality approach that demonstrates how one's identity is the product of multiple characteristics such as sexuality gender race class and disability Uses a multidisciplinary approach drawing from the social and natural sciences humanities and arts to provide a broad overview of perspectives Details an individual or an event in Spotlight on sections to highlight the experiences of queer people Provides questions for class discussion or field activities in Issues for Investigation sections that apply the ideas covered in the chapter Allows instructors to shape the class with different foci using the stand alone chapters in Part III Features an Instructor's resource manual available to adopters with 20 PowerPoint slides for each chapter sample syllabi for a variety of courses teaching tips for using the Spotlight On and Issues for Investigation sections and the suggested readings a test bank with objective and essay questions and student aids such as keywords chapter outlines and summaries and learning objectives Designed for undergraduate courses in queer or LGBT

Studies requiring no prerequisites Queer Studies Beyond Binaries also serves as an excellent supplement in courses on queer theory or history or on sexuality gender and women s studies **Transgender Role Models and Pioneers** Barbra Penne,2016-12-15 This title profiles a host of accomplished transgender people who have made their names in a wide range of fields including sports politics activism entertainment and the arts It includes historical pioneers such as Christine Jorgensen Marsha P Johnson and Sylvia Rivera as well as present day figures such as Lana and Lilly Wachowski Kye Allums and Laverne Cox **Trans Bodies, Trans Selves** Laura Erickson-Schroth,2022 Now in a new thoroughly updated edition Trans Bodies Trans Selves remains a revolutionary resource a comprehensive reader friendly guide for transgender people with each chapter written by transgender and gender expansive authors
