The Use of New Media by the Palestinian Diaspora in the United Kingdom Amira Halperin, 2018-11-07 This book presents pioneering research on the impact of new media on the Palestinian Diaspora and is the result of unprecedented access to the Palestinian community in the United Kingdom It explores issues of politics conflict resolution new media and daily life experiences of the dispersed Palestinian people The research is linked to the contemporary phenomenon of the large immigration wave from the Middle East and Africa to Europe and the increasing use in internet and smart phone applications by immigrants As the book shows new technology empowers the Palestinian people enables their global visibility and strengthens democratic values in this society It deals with the impact of new media on the Palestinian Diaspora from the emergence of satellite television channels and the internet to the development of social networks and smart phone applications During the research period internet and smart phone usage of Palestinians in the UK was higher than the usage in Gaza and the West Bank In recent years there has been a significant increase in the use of digital and information technology in Gaza and the West Bank The book will primarily appeal to international scholars specializing in media the Middle East diaspora and migration political science and peace and conflict studies It will also be of interest to those involved in politics and new media as well as government

decision makers and legislators Reporting from the Danger Zone Maria Armoudian, 2016-07-28 Journalism is a dangerous business when one's beat is a war zone Armoudian reveals the complications facing frontline journalists who cover war zones hot spots and other hazardous situations It compares yesterday's conflict journalism which was fraught with its own dangers with today's even more perilous situations in the face of shrinking journalism budgets greater reliance on freelancers tracking technologies and increasingly hostile adversaries It also contrasts the difficulties of foreign correspondents who navigate alien sources languages and land with domestically situated correspondents who witness their own homelands being torn apart **Political Communication** Heather Savigny, 2016-12-02 This major international text introduces the key themes issues and theoretical approaches in the field A central concern is to put the politics back into the study of communication by posing key critical questions about power and ideology what is being communicated by whom how in whose interests and with what effects and implications The New Arab Media Mahjoob Zweiri, Emma C. Murphy, 2012-04-27 Offers an introduction and analysis of some of the most important issues surrounding the media revolution in the Middle East in particular examining the two Janus like faces of the media in the Middle East its role in reflecting developments within the region as well as its function in projecting the Arab world outside of the Middle East

Media, Power, and Politics in the Digital Age Yahya R. Kamalipour, 2010-11-16 Focusing on the Iranian presidential elections of 2009 and ensuing demonstrations in major cities across Iran and world Media Power and Politics in the Digital Age provides a balanced discussion of the role and impact of modern communication technologies particularly the novel utilization of small digital media vis vis the elections and global media coverage Written in a non technical easy to read and accessible manner the volume will appeal to scholars students policy makers and print professionals alike To provide a global overview of media coverage and diverse perspectives on the controversial 2009 presidential election this book consists of 24 original essays covering issues from global media coverage to new media social networking from the ideological political dimensions to the cultural facets of the elections Organized in a cohesive manner the writing styles and presentation remain varied and richly informative Comparing Post-Socialist Media Systems Zrinjka Peruško, Dina Vozab, Antonija Čuvalo, 2020-10-04 This book explains divergent media system trajectories in the countries in southeast Europe and challenges the presumption that the common socialist experience critically influences a common outcome in media development after democratic transformations by showing different remote and proximate configuration of conditions that influence their contemporary shape Applying an innovative longitudinal set theoretical methodological approach the book contributes to the theory of media systems with a novel theoretical framework for the comparative analysis of post socialist media systems This theory builds on the theory of historical institutionalism and the notion of critical junctures and path dependency in searching for an explanation for similarities or differences among media systems in the Eastern European region Extending the understanding of media systems beyond a political journalism focus this book is a valuable contribution

to the literature on comparative media systems in the areas of media systems studies political science Southeast and Central European studies post socialist studies and communication studies *Sousveillance, Media and Strategic Political Communication* Vian Bakir,2010-05-27 Fusing perspectives from politics media studies and cultural studies and focusing on Iraq offers detailed insights into the impact of different media forms **Chinese Television and Soft Power Communication in Australia** Mei Li,2019-12-16 Chinese Television and Soft Power Communication in Australia discusses China s soft power communication approach and investigates information handling between China and its targeted audiences in the eyes of key influencers intermediate elites public diplomacy policy elites in particular in China and Australia It explores CGTN with staff from several professional cultures and conducts a systemic test of how successful unsuccessful China s soft power message projection is in terms of congruence between projected and received frames as a pivotal factor of its power status The analysis is based on a case study of frames in the messaging on Chinese international TV about China s Belt and Road Initiative and in the minds of Australian public diplomacy policy elites The question raised is whether and how Australia is listening **The Domestic Dimension of Public Diplomacy** Katarzyna Pisarska,2016-10-15 This book explores new grounds that public diplomacy is entering today as domestic publics come to the forefront of the policy acting both as foreign policy constituencies and public diplomacy actors cooperating with their foreign counterparts The author discusses the phenomena of public diplomacy s domestic dimension described as government s ability to engage its own society in foreign policy practices through information cooperation and identity defining By analysing data from over 80 recorded interviews with Australian Norwegian and American public diplomacy practitioners this volume illustrates both successful and unsuccessful models of such cooperation From Norwegian Peace Diplomacy through Australia s ambivalent engagement with Asia to U S Government sponsored exchange programs the author argues that governments around the world are slowly accepting a paradigm shift in diplomatic practice from monological dialogical to a more collaborative public diplomacy This book is an essential resource for students scholars experts and diplomats interested in world s best practices of engaging domestic civil society actors in foreign policy statecraft **Image of U.S. Presidential Administrations** Céilia Belim,Patricia Calca,2012-12-16 This book analyzes the image of the U S presidential administrations from 2001 to 2011 and their political image in foreign countries The authors focus on the European perception of U S presidencies specifically during the terms of George W Bush and Barack Obama Political image is decisive in electoral victory and more often is central in the conquest and maintenance of political power Political image is also highly relevant because of the credibility of the United States on the international stage resulting in gained confidence and the celebration of profitable alliances This study of political image has a crucial interdisciplinary framework for disciplines such as communication political science and international relations Routledge Handbook of Public Diplomacy Nancy Snow,Philip M. Taylor,2008-11 The Routledge Handbook of Public Diplomacy provides a comprehensive overview of public diplomacy and national image and perception

management from the efforts to foster pro West sentiment during the Cold War to the post 9 11 campaign to win the hearts and minds of the Muslim world Editors Nancy Snow and Philip Taylor present materials on public diplomacy trends in public opinion and cultural diplomacy as well as topical policy issues The latest research in public relations credibility soft power advertising and marketing is included and institutional processes and players are identified and analyzed While the field is dominated by American and British research and developments the book also includes international research and comparative perspectives from other countries Published in association with the USC Center on Public Diplomacy at the Annenberg School based at the University of Southern California The Routledge Handbook of Strategic Communication Derina Holtzhausen,Ansgar Zerfass,2014-11-20 The Routledge Handbook of Strategic Communication provides a comprehensive review of research in the strategic communication domain and offers educators and graduate level students a compilation of approaches to and studies of varying aspects of the field The volume provides insights into ongoing discussions that build an emerging body of knowledge Focusing on the metatheoretical philosophical and applied aspects of strategic communication the parts of the volume cover Conceptual foundations Institutional and organizational dimensions Implementing strategic communication and Domains of practice An international set of authors contributes to this volume illustrating the broad arena in which this work is taking place A timely volume surveying the current state of scholarship this Handbook is essential reading for scholars in strategic communication at all levels of experience *Qualitative Media Analysis* David L.
