Warfare Witness Contending With Spiritual Opposition In Everyday Evangelism:

Warfare Witness Stanley D. Gale, 2005 Spiritual warfare is a popular topic with no shortage of books addressing the subject. However, rather than this important issue being developed from a biblically founded view, it is often drawn from extra-biblical ideas with God's Word brought to the service of human notions. In *Warfare Witness*, Stanley Gale sets out to rectify this trend. Spiritual warfare forms the backdrop against which we understand life, the work of Christ, and our work of ministry in the world in which we live. God has not left us without instruction on the subject of the spiritual opposition we face and how we are to wage spiritual warfare. In fact, the Bible is full of the counsel of God to equip us for the task. *Warfare Witness* fixes our attention firmly upon God's word, enabling us to understand the opposition believers face in reaching others for Christ. Jesus has won the war, as only He could, but there remains a battle taking place, one that involves us. In our spiritual growth, we face a foe, and it is of great importance that we know what this foe looks like and how to deal with it. The Lord has not left us to fight this battle alone, and when we look to His word, we will find it an immense source of strength, guidance, and preparation for the fight.

Fighting Satan Joel R. Beeke, 2015-06-23 In a day when society has in many ways placed itself under Satan's rule, when Satanism is flourishing in Western nations, when certain branches of the church are preoccupied with deliverance ministries, and when others deny the devil's existence, *Fighting Satan* is a sober, practical perspective on this vital subject. Joel R. Beeke states, "We must know our enemy. We must know how to withstand him and what spiritual weapons to take up against him. We must defeat him by faith through lives that bear fruit and spread the truth." With questions for reflection and discussion at the close of each chapter, *Fighting Satan* is ideal for group and individual Bible study.

Good News About Satan Bob Bevington, 2015-01-01 The bad news of Satan, while serious, is overshadowed by the good news of Jesus. Here are the plain teachings of Scripture regarding Satan, demons, and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ. Containing none of the unfruitful speculations so common to this topic, we believe it differs significantly from virtually every other book on the subject. Finding Forgiveness Stanley D. Gale, 2016-11-25 If you are a Christian, you have personally experienced the joy of sins forgiven and reconciliation with God. Forgiveness writes Stanley Gale is a divine accomplishment to be savored and offered to others. Forgiveness is the most basic of Christian graces, yet the topic raises many questions, including these: Is it biblical to forgive and forget? Why do we need to confess our sins if

they are already forgiven How do we actually go about forgiving someone Does the Bible give a place to forgiving ourselves What does life look like after forgiveness In *Finding Forgiveness* you will discover practical answers to these questions and many others With pastoral warmth the author will help you see how the awe of the gospel dawns anew for those who apply forgiveness and experience the healing of a burdened spirit or broken relationship What is Spiritual Warfare? Stanley D. Gale, 2008 Thoroughly biblical Gale guides us from Genesis to Revelation laying out a spiritual and practical guide to standing daily against Satan and his schemes Focusing on the redemptive work of Christ he exposes Satan's tactics and gives us a battle plan of resistance of standing and abiding in Christ *Wat is geestelike oorlogvoering? Gale, 2005 **Living Through Dying** Douglas Dales, 1994 In this beautifully written study Douglas Dales examines the autobiographical passages in St Paul's letters notably II Corinthians in the light of the continuing spiritual experience and language of the church to ascertain the saint's own experience of entering into the dying and rising of Christ This phenomenon is related to certain aspects of other New Testament writings especially early Christian attitudes to the passages about suffering in the Old Testament and the testimony of the Apostolic Fathers Douglas Dales aims to address the question What makes a church a place where the experience of living through dying may be realised and concludes his study with a call to the modern church in the West to pursue afresh the steps of the saints This book takes us back to the heart of that mystery which has been worked out in so many different circumstances It tells of the mystery of Christ and the cross above all as it is expounded in the writings of Saint Paul From the Foreword by The Revd Canon A M Allchin **Why Do We Pray?** Stanley D. Gale, 2012 We all have questions about prayer why pray to an all knowing God who has ordained everything Here is an overview of Scriptures teaching to give us a grounded balanced and broad understanding of prayer *The Prayer of Jehoshaphat* Stanley D. Gale, 2007 The Prayer of Jehoshaphat develops King Jehoshaphat's prayer in 2 Chronicles 20 to give us focus stability strength courage and direction in times of great distress In the overwhelming circumstances that enter our lives it directs us to take hold of the hand of our God who leads us from the point of crisis to gather up His blessings for us deposited by the storm Enemy Territory Douglas Mosley, 2007-03-25 The battle rages in enemy territory are you prepared for victory As an ordained minister and former Marine Sergeant I hope to bring you insight into the battle we face against an enemy that walks among us every day This enemy is not of any foreign power it is not even of this world The enemy we face attacks us spiritually We must be prepared to fight him spiritually just as much as any physical army is prepared to fight its

enemy physically We must be equipped trained and prepared for serious spiritual warfare to win this battle The enemy comes at us from all angles with all forms of attack Millions of souls hang in the balance where so few people are even aware of his presence in their lives Through these pages I endeavor to enlighten you with an understanding of the various weapons and tactics of the enemy we face in spiritual battle Armed with the Word of God I will show you how to engage the enemy in his territory and defeat in him once and for all And not just in your personal life but in the ongoing quest to bring souls to the Kingdom and bring Glory to God [101 Reasons Why Prayer Is Not for Wimps](#) JM Tranquilla,2018-02-27 This book brings home the everyday reality and consequences of spiritual warfare shows how to recognize and combat the works of the enemy against Jesus church and equips us with practical tools with which to engage the enemy as individuals and churches

Spiritual Warfare James B. Motley,2008-03 Using language associated with the military profession and Scripture the author reveals his battles with Satan beginning with his rebellious teenage years and including his wartime experiences in Vietnam and family crises of recent years to show the power of Jesus Christ Christian *Spiritual Warfare for Every Christian* Dean Sherman,1995-06 Simply one of the best books on Spiritual Warfare available God has called Christians to overcome the world and drive back the forces of evil and darkness at work within it Spiritual warfare isn't just casting out demons it's Spirit controlled thinking and attitudes Dean delivers a no nonsense both feet planted on the ground approach to the unseen world Includes study guide **Discipled Warriors** Charles E. Lawless,Chuck Lawless, Using solid biblical exegesis Chuck Lawless presents a well rounded proven model for fighting the enemy through the development of a spiritually healthy church This unique book suggests workable strategies and resources for developing disciples prepared for spiritual warfare *Fighting in Faith* A. Barlow,2015-10-28 Fighting In Faith is written with two primary objectives First this book demonstrates how to utilize the Holy Bible to teach God's eternal truths about how Satan and his demons operate in our daily lives whether we believe it or not Second this book provides very practical means by which to both activate and operate our faith in God to engage and completely conquer demonic forces through Bible based Spiritual Warfare There are many great books on Spiritual Warfare Healing and Deliverance Ministry putting on the armor of God and how to recognize demonic activity in our daily lives However there are few that concentrate on intensely practical and Bible based strategic means to LEARN and IMMEDIATELY APPLY in safe and successful Healing and Deliverance Ministry Unfortunately there are very few books that not only teach practical application strategies but also include actual testimonies from those who have been miraculously healed delivered and otherwise touched by God Who Should Read This Book Fighting in Faith is for Healing and Deliverance practitioners Evangelists Pastors and Christians who want to be bold or even bolder in their faith Has God gifted you in Power Ministry including the performance of miracles If so this book is specifically written for you If you have never operated in Power Ministry but believe God is guiding you to this area of ministry this book is for you too However if you are the type of person who simply likes to constantly learn biblical principles or new things about God but

never motivated to put them into ACTIVE PRACTICE then I can assure you that this book is NOT for you Fighting In Faith is specifically written under the guidance of the Holy Spirit for those who earnestly desire to put feet to their faith by actively doing the Word of God as opposed to being forgetful hearers who only deceive themselves God faithfully promises to bless each and every one who looks into the perfect law of liberty and continues in it and is not a forgetful hearer but a doer of the work James 1 25 Ask yourself right now Am I a doer of God s will or am I a forgetful hearer As moved by the Holy Spirit of Christ Jesus Fighting In Faith provides sound biblical instruction and hands on practical strategies that have already been successful in conducting Spiritual Warfare even under seemingly insurmountable circumstances Deliverance Ministry is spiritual cleansing from the negative and soul damning presence power and influences of the world the flesh and demonic spirits Demons are disembodied malevolent spirits specifically sent by Satan to steal and to kill and to destroy John 10 10a every good thing God has ordained for mankind This is especially true with respect to eternal salvation of the soul Mankind is locked in an eternal battle with a trinity of an enemy the Holy Bible identifies as the World the Flesh and the Devil Deliverance Ministry is simply having an ever present Bible based understanding that as we go about our normal lives at work in vocational ministry or the marketplace there will be opportunities to put the Word of God into active practice This is often accomplished by laying hands on the sick for healing and casting out demons for deliverance from satanic or demonic powers or influences Has God in some way stirred up your spirit to be interested in this very powerful ministry One caveat Everything in this book presupposes that you have FAITH Belief Trust in Jesus a desire to OBEY God regardless of what others think have been filled with the Holy Spirit and have already been delivered from Doubt Fear Pride and Unbelief If you do not meet all of these qualifications please do not try to perform anything written in this book until you have done so Otherwise you will be effectively playing with Hell Fire at the risk of your soul being eternally separated from God in the Lake of Fire
