Watching Over The Heart:

Watching Over the Heart Michael C. Sharrett, Paul G. Settle, 2005-07-30 Rev Sharrett attempts to examine problems with the heart how the gospel sets the heart free the nature of the heart's warfare how a healthy heart works and how a grace filled heart triumphs over some of life's stumbling blocks Christian Religion *Hope and Healing for the Heart*

Candee Armbruster, 2019-11-07 Life can be hard at times and we all need a little hope and encouragement for the various circumstances that we encounter Whether it be a loss of some kind physical or emotional pain or just the day to day struggles that come our way it is always good to know there is hope there is healing and that our hearts can be uplifted In *Hope and Healing for the Heart* Candee Armbruster shares what God has shown her regarding various circumstances that life may bring with the hope of helping and encouraging others who may be struggling or who just need a little dose of inspiration With various topics like worry fear prayer forgiveness insecurity and countless others Candee shares what she has learned over the years about God's faithfulness and presence in our lives This is not a chapter book but rather a book consisting of short inspirational readings with the goal of helping the reader draw closer to God as well as enhancing their faith and hope As we draw near to Him exercise our faith and hold on to the hope He brings there is healing for our hearts **The Bleeding Heart**

Shellbie Breaux, 2021-06-10 *The Bleeding Heart The Eternal Love Novels* By Shellbie Breaux What would you do in a world that was not what it seemed In a world that our deepest darkest fears and the boogie monsters that we swore were under our beds at night were real Join me in a story about a girl that should have never existed and a guy that was disowned by his pack and left to fight for himself What will happen and is love to overcome all boundaries and taboos of their world My feet pounding against the ground My heart racing to keep up I ran I ran as hard I could I can't fail I thought I can't fail her she must live for Abigail she must live for all who suffered at the hands of those monsters His speed slowed at the memory of his beautiful wife that died only a couple hours ago giving birth to his one and only baby girl FLEE His Bain screamed at him They are right behind me RUN He could sense his pursuit behind him he could hear them thrashing through the forest screaming at and cursing as they chased him He increased his speed Yes he thought chase me because every step you take is a step away from my angel Isabella you will not have her Give up they screamed behind me there is nowhere to run you will burn for the crimes you committed against your race He couldn't help but laugh at that as he ran through the thick brush and undergrowth of the forest in the northern mountains of Montana he laughed so hard he almost lost his footing gathering his wits again he screamed over his shoulder If loving another is a crime then I would do it a thousand times more *The Bleeding Heart* follows a young lady who progresses through life that is constantly challenging her in her mortality her personality and basically everything about her It throws obstacles at her that normal people probably wouldn't get over and with her It makes her personality and her overall character grow in to a story line hero even though she doesn't really want to be a hero *The Bleeding Heart* reminds us that we should never think we don't have a voice and even though
