We're Heaven Bound! Gregory D. Coleman, 1998-12-01 More than one million people from all walks of life have been uplifted and entertained by Heaven Bound the folk drama that follows through song and verse the struggles between Satan and a band of pilgrims on their way down the path of glory that leads to the golden gates Staged annually and without interruption for more than seventy years at Big Bethel African Methodist Episcopal Church in Atlanta Heaven Bound is perhaps the longest running black theater production Here a lifelong member of Big Bethel with many close ties to Heaven Bound recounts its lively history and conveys the enduring power and appeal of an Atlanta tradition that is as much a part of the city as Coca Cola or Gone with the Wind

Civil Sights Gene Kansas, 2025-02-01 Once the wealthiest Black neighborhood in the world the Sweet Auburn Historic District in Atlanta Georgia now occupies a distinct place both historically and geographically It is at once the globally significant birthplace of the civil rights movement and it also lays in the wake of social commercial and urban challenges that have left some of its most important spaces and places in a state of peril and even in danger of demolition as Atlanta grows in around and over it Now for the first time author preservationist and cultural developer Gene Kansas shines a spotlight on the district in *Civil Sights* An illustrated and historic guidebook designed to educate visitors and inspire action *Civil Sights* not only describes and depicts historically significant Sweet Auburn buildings and streets it also tells the stories of people and places then and now that came together to move mountains before during and after the civil rights movement These are the streets and buildings in which Dr Martin Luther King Jr Congressman John Lewis Roslyn Pope Alonzo Herndon Ella Baker John Wesley Dobbs and countless others laid the groundwork for a social movement of equality that would sweep the country change laws and positively affect lives around the world With accounts of such places as the first integrated fire station and the Butler Street YMCA that served as Atlanta's Black City Hall and of the churches restaurants and entertainment halls that have dotted the neighborhood Kansas unspools a riveting history that also aims to illuminate a path to preservation Most importantly *Civil Sights* poses questions of historical accountability to us all How are we educating advocating and investing in the causes that Sweet Auburn represents This volume includes illustrations from Atlanta architect Clay Kiningham a foreword from New York Times best selling author and journalist Gary M Pomerantz and an afterword from former dean of Georgia Tech's Ivan Allen College of Liberal Arts Jacqueline Jones Royster

Heavenly Poems and Prose Charles W. Craig, 2011-01-28 Although I have achieved almost all of the goals in life that I ever set out to accomplish nothing in my pursuit of the American Dream can ever compare with the gift of the Holy Spirit that I received on January 24 1999 My life was forever changed in the twinkling of an eye when I was 66 years old This momentous event completely overshadows anything that has ever

happened to me and to think that the Creator of the Universe has singled me out to be one of His own is almost more than my mind can enfold After this born again experience I was filled with the tremendous desire to do two things i e to read everything of God that I could get my hands on and to be of service in His kingdom To that end I've read hundreds of books commentaries and devotionals and I've made it a point to read the Bible through every year since my conversion Then too I wrote my biography entitled Life's Reflections with the sub title of From A Toddler To Eternity which was published by AuthorHouse in January of 2007 In addition I was moved by the Holy Spirit to write a number of poems and articles as well as my testimony and these offerings comprise the substance of this book It is my fervent hope that the thoughts expressed herein will be an inspiration and a blessing to you and to others in your life Blessed be the name of the Lord **Satan's**

Secret D. A. Teunis, 2003-06-06 The author radically addresses conflicting denominational beliefs associated with established Christian doctrinal teachings including the immortality of the soul hell fire eternal torment miracles God's Kingdom prayer the Trinity and the salvation and eventual resurrection of the entire human race Then through extensively detailed scriptural research he provides a thought provoking and inspirational conclusion attributing these differences to the true source of universal deception Satan the father of lies and beguilement Other topics that reveal Satan's influence on Christian thought and moral character covers abortion homosexuality capital punishment occultism and the heinous terrorist attacks perpetrated on a country known for its Christian values These are covered at length in detail and are explained in conjunction with the plan of God and its revelation through an intense study of His Word Being a devoted non denominational Bible student with 30 years of experience and personal connections has its reward as these dilemmas are explained through the eyes of this movement's most knowledgeable leaders The author enlightens the reader to lost unparalleled dimensions in thinking slicing through traditional parameters and exposing the truth which has been hidden from the majority of the followers of Christ for so many centuries It's time the world is reintroduced to the God of eternal love and not the God of wrath and punishment says the author Come let us reason together **Love Explosion**

Poetry Carla E. Rutledge, 2012-08-24 This is a collection of poems inspired by the Great Tribulation It describes poetically the difficult times we are living in today We are in a mental spiritual and physical war right now It takes the whole armor of God each and every day just to make it through There is hope though we are awaiting the return of our Lord and savior Jesus Christ for the Bible states he will return and rule the Earth with an iron fist He will have Government on his shoulders and we will have 1 000 years of peace This book will become one of the most read and referred to collections of the recount of this historic time period History is in the making *That's Just Your Opinion* Moreno Dal Bello, 2015-10-05 A Scriptural rebuttal of the unfounded claims of those who say that no one knows what the Gospel of God is and that the Gospel of God is

lost Oftentimes when in the process of declaring the teachings of the Gospel of God the doctrines of salvation by grace one is met with the all too commonly heard phrase That s just your opinion What does such an accusation really mean What motivates the mindset of those whose reply to the Truth is Well that s just your opinion or That s just your point of view or That s just your interpretation What is the mindset behind them and is this way of thinking in accordance with Scripture or does it stand in contrast to and therefore in defiance of Truth This book will examine just exactly what a person is really saying and what the implications are of such comments made after hearing the Gospel of God as well as the consequences of such remarks The First American King George Gordon Hastings,1905 The Scariest Word in the Bible Lance M.

Bacon,2018-08-14 In Jesus view many are wrong about being right with God They anticipate a home in heaven but will receive an eternal eviction How can we be sure that we are not among the many This book will help you find that answer Presented from a pastor s heart this work combines exegetical analysis theological acumen and practical ministerial insight to help you obtain and maintain a saving relationship with God The Parable of the Sower serves as the roadmap on our journey as it provides remarkable insight on why many seeds fail to find good ground or bring forth good fruit Jesus also reveals how we can tap the unimaginable potential for personal and kingdom growth contained within The first section breaks up the hard ground to reveal the deep truths of sin and salvation The second section identifies ways to overcome the stones that prevent spiritual growth offense unforgiveness fear solitude and complacency The third section analyzes the postmodern worldviews deficient theologies materialism and the idolatry of self that suffocates many growing Christians Only the believer who rightly responds to God can begin to live for God and ultimately live from God This is God s salvation Is it yours **Free Will and Predestination** Loren Henry Wilson,2011-05-25 This book is about a word that has probably

caused more disagreement and contention in the churches of Jesus Christ than has any other word in our long history The word is predestination This book is also about the free will of man and the question of how man can be free if God has previously determined his fate For centuries the usual arguments that Christian people have made about these two issues have been exclusively from one side or the other with little consideration for the opposite point of view Seldom have they ever been considered together with any design to see how they might both exist with any validity Although there have been some attempts in recent times to initiate dialog that might bring the two sides together more often than not the conclusions to these efforts have been to acknowledge that both views are in the Bible but only one can be understood at a time The other is simply left alone as a mystery and ignored resulting in more disagreements and even divisions So here in these pages we will consider them together The objective reader may find here some plausible arguments and some fresh insights into what the two words predestination and salvation truly mean So we ask is anything in this life absolutely certain Is life here and hereafter a big gamble to see how it will all turn out The Bible has the answer to both questions **Messages of Inspiration** J. Public Worship and Public Work Christian Batalden Scharen, 2004 Description In a time of increasing cultural pluralism and vast religious restructuring in the United States Christian social ethics must take account of how values and commitments shape Christian communities In Public Worship and Public Work Christian Scharen examines theological claims about the relationship of worship and ethics by means of ethnographic study of the life worship and work of three vibrant congregations Public Worship and Public Work moves beyond two caricatures of the relationship between worship and social ethics Rather than resolute portrayals of the Church as a reflection of its culture and context and causal accounts of the Church s liturgy forming a Christian witness over and against culture this book lifts up congregational identity as an area of dynamic interaction between worship social ethics and culture Chapters in Part One are Liturgy and Social Ethics Characterizing a Debate and Sociologizing the Debate Identity Ritual and Public Commitment Chapters in Part Two Three Case Studies in Atlanta s Old Downtown are People

Salvation David Cocklin, 2021-07-20 SALVATION sal vey shuhn The act of saving or protecting from harm risk loss destruction etc Redemption Salvation Lyric from love and lost love to hope conflict spirituality and philosophy It ranges everywhere from a deeply personal introspection right through to a broad spectrum of social observation The emotionally evocative tales are littered with truisms sarcasm symbolism and analogies while keeping the reader engaged and intrigued Lyricist David Cocklin maintains a great variety in his tone inflection and subject matter all through the whole collection so it never feels like the monotonous exercise of a single voice and never sacrifices the integrity of the thought to the rhyme His observations their insights the color and nuance and his sheer creativity of expression is fully deployed *Book of Edward Christian Mythology (Volume I: Matters of the Heart)* Edward G. Palmer, 2005-06 Today Christianity is steeped in mythology and Christians are unwittingly headed towards Hell instead of Heaven They are far away from God and HIS Word How would you answer these three questions 1 Do you pray to Jesus 2 Do you worship Jesus 3 Do you give all the glory to Jesus If you ve answered yes to even one you do not know God HIS only human begotten Son or HIS Word Many Christians have been programmed with mythology as explained in 2 Timothy and 2 Thessalonians However Jesus taught 1 Pray to God the Father Matthew 6 6 2 Worship only God the Father Matthew 4 10 3 That he comes in his Father s glory Mark 8 38 Inside Volume I Matters Of The Heart you ll learn that eternal salvation is a matter of the heart Each of us is going to have to make a choice from the heart to engage God and become obedient to HIS Word It s from inside our hearts that we will find HIS kingdom The heart for God is where eternal salvation starts Volume I of a four volume set that deals with Faith Prophecy and Christology Over 1367 Scriptures are cited and there are 238 illustrations tables lists in the entire four volume set *What About Repentance?* Marvin McKenzie, I am excited There are few subjects that get debated as often as does that of repentance Christians even those who claim to be of like faith and practice I mean independent fundamental Baptists split hairs and churches over it The word repentance in one form or the other is found one hundred twelve times in the Bible That s plenty of material to discover what God has to say on the subject This book is an attempt to do just that If you are looking for me to give you all the answers on the doctrine of repentance I am afraid you will be disappointed I have my opinions conclusions form my personal studies past and present No doubt you ll see what they are in these pages My goal is not to prove my conclusions or even to quantify them exactly My goal has been to simply study and preach the Bible In context Led of the Holy Ghost Those passages of Scripture that address the doctrine 1 Definition Understanding the true meaning of repentance 2 Biblical Examples Examining Biblical characters who have repented and the consequences of their repentance 3 Grace Understanding how God s grace plays a role in the process of repentance 4 Confession Understanding the significance of confession in the process of repentance 5 Reconciliation Understanding how repentance leads to

Jesus Set Me Free Jennifer Ulysse, 2022-05-13 I'm sure you have read scriptures of Jesus casting out demons in the Bible. Maybe you have heard it referenced in a sermon in church or maybe watching a sermon online. But how often are you seeing that today within the church which is the body of Christ? The devil has either been revealed in a different way or has gone unnoticed throughout the body of Christ. Therefore he has been able to stay hidden so his agenda can go forward which has given him access to the church. He has been able to disguise himself within the church which gives people the impression they are among the light when they are really surrounded by darkness. You may ask, How do I know that? I'm glad you asked because I was that person. Although reared in the church, knew the Bible, and recited the scriptures, I found myself bound by demons, enslaved to sin, and trapped in a world of darkness with no way of getting out. This book takes you on a journey of how I went many years not even recognizing that the enemy had me trapped and how I was able to get out even in the midst of feeling like there was no hope. This book is for the body of Christ. It's a wake-up call that we must wake up and open our spiritual eyes to see what is really right in front of us and sometimes what's within us. But we are not without hope. Ultimately, this book is about the hope that Jesus has already given us. The same Jesus who was able to set me free can set you free too. Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches. Revelation 2:29 NLT.
