The Routledge Companion to Translation Studies Jeremy Munday,2009-01-13

The Routledge Companion to Translation Studies brings together clear detailed essays from leading international scholars on major areas in Translation Studies today This accessible and authoritative guide offers fresh perspectives on linguistics context culture politics and ethics and contains a range of contributions on emerging areas such as cognitive theories technology interpreting and audiovisual translation Supported by an extensive glossary of key concepts and a substantial bibliography this Companion is an essential resource for undergraduates postgraduates researchers and professionals working in this exciting field of study Jeremy Munday is Senior Lecturer in Spanish and Translation Studies at the University of Leeds He is the author of Introducing Translation Studies Translation An Advanced Resource Book with Basil Hatim and Style and Ideology in Translation all published by Routledge An excellent all round guide to translation studies taking in the more traditional genres and those on the cutting edge All the contributors are known experts in their chosen areas and this gives the volume the air of authority required when dealing with a subject that is being increasingly studied in higher education institutions all over the world

Christopher Taylor University of Trieste Italy

Translation: Theory and Practice in Dialogue Antoinette Fawcett,2010-05-27

This exciting new book explores the present relevance of translation theory to practice A range of perspectives provides both current theoretical insights into the relevance of theory to translation and also offers first hand experiences of applying appropriate strategies and methods to the practice and description of translation The individual chapters in the book explore theoretical pronouncements and practical observations grouped in topics that include theory and creativity translation and its relation with linguistics gender issues and more The book features four parts it firstly deals with how theories from both within translation studies and from other disciplines can contribute to our understanding of the practice of translation secondly how theory can be reconceptualized from examining translation in practice thirdly reconceptualizing practice from theory and finally Eastern European and Asian perspectives of how translation theory and practice inform one another The chapters all show examples from theoretical and practical as well as pedagogical issues ensuring appeal for a wide readership This book will appeal to advanced level students researchers and academics in translation studies

Translations We Live By Almira G. Shabrina Romala,2022-01-06

Living with translation is inevitable in the ever expanding global society The book Translations We Live By Exploring Theories and Practices of Translation

exposes the students to fundamental translation theories and provides practice exercises that illustrate the translation process This first edition summarizes various theories of translation encompassing criteria of a good translation methods and strategies of translation identification of problems in translation Some translation strategies are also explored and implemented to address issues that arise while translating various types of English and Bahasa Indonesia texts particularly popular scientific legal and literary texts

Introduction to Translation and Interpreting Studies Aline Ferreira, John W. Schwieter, 2022-08-31 A unique and balanced combination of translation and interpreting studies edited and written by leading voices in the fields In Introduction to Translation and Interpreting Studies accomplished scholars Aline Ferreira and John W Schwieter have brought together a detailed and comprehensive introductory level textbook covering the essential aspects of translation and interpreting studies Through chapters authored by leading voices in the field this book covers topics of theoretical and conceptual relevance such as the history of the development of the field and methods for understanding gender society and culture as aspects of the role of the interpreter as well as critical topics in the application of theory to real world practice Beginning with an authoritative treatment of the theoretical developments that have defined the field since the early 1970s this textbook first describes the influential work of such figures as Jakobson Holmes and Toury thus ensuring students develop a thorough understanding of the history and theoretical underpinnings of the fields of translation and interpreting studies The text then begins to introduce grounded discussions of interpreting in specialized fields such as legal and healthcare interpreting and sign language translation Learning is reinforced throughout the text through pedagogical features including reflection questions highlighted key words further readings and chapter objectives Instructors will also have access to companion website with PowerPoint slides and multiple choice questions to support classroom application Truly a unique work in translation and interpreting studies this essential new textbook offers A thorough introduction to the fields of translation and interpreting with discussion of applications to interdisciplinary topics Explorations of translation machines and technology including their history and recent trends Practical discussions of culture gender and society in the context of translation and interpreting studies as well as training and pedagogical issues in translation and interpreting A concise examination of translation process research and methods including the mental processes and actions that people take while translating Complementary web materials including PowerPoint slides and practice questions Ideal for advanced undergraduate and graduate students in programs in such as linguistics language studies and communications or for those who plan to work in translation and or interpreting Introduction to Translation and Interpreting Studies will earn a place in the libraries of anyone interested in a reader friendly translation and interpreting resource

Handbook of Translation Studies Yves Gambier, Luc van Doorslaer, 2011-12-21 As a meaningful manifestation of how institutionalized the discipline has become the new Handbook of Translation Studies is most welcome It joins the other signs of maturation such as Summer Schools the development of academic curricula historical surveys journals book

series textbooks terminologies bibliographies and encyclopedias The HTS aims at disseminating knowledge about translation and interpreting and providing easy access to a large range of topics traditions and methods to a relatively broad audience not only students who often adamantly prefer such user friendliness researchers and lecturers in Translation Studies Translation but also scholars and experts from other disciplines among which linguistics sociology history psychology In addition the HTS addresses any of those with a professional or personal interest in the problems of translation interpreting localization editing etc such as communication specialists journalists literary critics editors public servants business managers intercultural organization specialists media specialists marketing professionals Moreover The HTS offers added value First of all it is the first Handbook with this scope in Translation Studies that has both a print edition and an online version The advantages of an online version are obvious it is more flexible and accessible and in addition the entries can be regularly revised and updated The Handbook is variously searchable by article by author by subject A second benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography TSB The taxonomy of the TSB has been partly applied to the selection of entries for the HTS Moreover many items in the reference lists are hyperlinked to the TSB where the user can find an abstract of a publication All articles between 500 and 6000 words are written by specialists in the different subfields and are peer reviewed Last but not least the usability accessibility and flexibility of the HTS depend on the commitment of people who agree that Translation Studies does matter All users are therefore invited to share their feedback Any questions remarks and suggestions for improvement can be sent to the editorial team at hts@lessius.eu
