Wanted Dead Or Alive Manhunts From Geronimo To Bin Laden:

Wanted Dead or Alive Benjamin Runkle, 2025-05-21 Early May 2011 in a dramatic late night appearance at the White House President Obama declared that justice has been done as he announced that Osama bin Laden was dead After more than a decade of military operations across Central Asia and the Middle East the Al Qaida leader who orchestrated the 9 11 terrorist attacks was finally killed in a firefight with U S Navy SEALs in Pakistan Although this daring raid marked the end of the longest strategic manhunt in American history bin Laden was not the first individual targeted as the objective of a military campaign From Geronimo to Pancho Villa to Manuel Noriega to Saddam Hussein the United States has deployed military forces to kill or capture a single person nearly a dozen times since 1885 Part military history part action thriller and part strategic policy analysis Wanted Dead or Alive chronicles the extraordinary efforts of the military and intelligence agencies to bring America s enemies to justice

Congressional Pathfinders J. Michael Martinez, 2021-02-04 Congressional Pathfinders First Members of Congress and How They Shaped American History discusses those men and women whose service in the United States Congress as improbable as it was marked a turning point in history To be the first black American or the first woman to serve in a largely white male dominated institution requires a level of moral courage seldom found in ordinary people To be openly gay to subscribe to the Muslim faith in a nation often fearful and ignorant of Islam or to navigate the hallways of power with physical disabilities is to be cognizant of one s separateness To be an other is to feel the stigma of that difference and yet to persevere is to forge a path for later generations of others to follow The service of these courageous men and women forever changed Congress and by extension the nation they truly were congressional pathfinders Nancy Pelosi Daniel Inouye Margaret Chase Smith Shirley Chisholm Ilhan Omar and Hillary Clinton are among the many figures profiled in Congressional Pathfinders
