We are Eternal Robert Brown (Medium), 2003 A noted British medium shares his insights into life after death and recounts his personal experiences and contacts to describe the world beyond the physical what happens when people die and messages of the spirits for the living

Spiritual Truths and Experiences of Life After Death Gert Niemand, 2013-01-18 Most of the information in this book came from Angels and Spiritual Masters who are living in the greater World of Spirit Therefore I would like to thank all the Angels and Masters who came down to do their work for God in Love and with Love and all their helpers who helped me to fulfill an oath I made During an out of the body experience while standing at Mountain Zion in the Presence of God I promised Him that I would tell all the people the truth about Him and His Spiritual Messengers the Angels and other life in the Spirit World All the Angels and Masters spoken to have nothing but Love for God their fellows spirits all of Mankind and the Animal Kingdom Life as we know it continuo after death in a slightly different format and regardless of what we say or believe every one of us knows deep in our inner being that we came from the world of spirit and we knows deep inside ourselves that that world is real and that we must one day return to it Regardless of what we say or believe we know within ourselves about the Presence of God I have used most of these short stories as talks during church services because Angels advised me what to write down and to use what they have shown me in the world of spirit as the talk Therefore most of the information in this book is from spiritual beings they are the real authors of this book I am just an instrument used by them as a voice box in the wilderness of Babel to explain some of the wonderful stories we read of in the bible In this way am I also complying with the vow I made to God

The Call Matthew J. Romano, 2018-01-01 The atmosphere within the United States and most of the world is ripe

for another great spiritual awakening The current state of affairs is one of profound division even within the church The saints themselves have a difficult time distinguishing what is right and what is wrong because we have abandoned our first love and have embraced the love of the world In this season the Lord exhorts His people to prepare themselves like a bride adorned for her husband and beckons the church to answer The Call toward revival that will spread like a holy fire in the hearts of many Who will answer The Call to battle this present darkness with weapons of righteousness Only when God s own people are revived can we expect to see transformation in America and throughout the world The Call An Invitation to Revival and Transformation takes the reader on a journey of spiritual awakening alongside the author Each chapter inspires the reader to answer The Call of God toward freedom holiness and purpose This book will mentor people to hear the voice of God think with the mind of Christ be alert to the tactics of Satan engage in spiritual warfare learn to pray and meditate on the promises of God and much more Θρηνοῖκος: the House of Mourning, furnished ...
