We Make Change Community Organizers Talk About What They Do And Why:

We Make Change Kristin Layng Szakos, Joe Szakos, 2007 Community organizers work at their jobs because they are passionate because they believe that change is possible and because they enjoy working with people Although it is not an occupation that leads to great wealth community organizers can make a living at it They get salaries pensions and health insurance They raise families They do well by doing good This book explores the world of community organizing through the voices of real people working in the field in small towns and city neighborhoods women and men of different races and economic backgrounds ranging in age from those in their twenties to those in their sixties Fourteen in depth profiles tell the life stories of a cross section of the diverse people who choose the life of an organizer Other chapters focused on issues of organizing are tapestries of experience woven from the 81 interviews the authors conducted

Progressive Community Organizing Loretta Pyles, 2013-07-24 The second edition of Progressive Community Organizing offers a concise intellectual history of community organizing and social movements while also providing practical tools geared toward practitioner skill building Drawing from social constructionist feminist and critical traditions Progressive Community Organizing affirms the practice of issue framing and offers two innovative frameworks that will change the way students of organizing think about their work Progressive Community Organizing is ideal for both undergraduate and graduate courses focused on community theory and practice community organizing community development and social change and service learning The second edition presents new case studies including those of a welfare rights organization and a youth led LGBTQ organization There are also new sections on the capabilities approach queer theory the Civil Rights movement and the practices of self inquiry and non violent communication Discussion of global justice has been expanded significantly and includes an account of a transnational action research project in post earthquake Haiti Each chapter contains discussion questions written and web resources and a list of key terms a full free access companion website is also available for the book

Organizing and Advocacy Loretta Pyles, 2009-01-13 This interdisciplinary textbook offers a comprehensive view of the central issues facing progressive community organizers who seek to mobilize those negatively impacted by local national and global social policies and practices Intended for both undergraduate and graduate students in social work it aims to articulate the depth of the subject by introducing students to the philosophical political and sociological theories that inform community organizing and advocacy These topics are explored in detail through such examples as the labour movement environmental organizing feminist movements and faith based movements as a way to inform social work community practice The author emphasizes the importance of a thorough understanding of why and how people get together to effect change in their own communities Ongoing debates and controversies that face organizers and advocates in the social work profession are also considered Each chapter includes relevant discussion questions for reflection as well as a list of useful books and websites for further inquiry Also included are numerous case studies from community efforts in Post Katrina New Orleans many of which the author has

been involved in herself providing a recent and widely recognized series of real world examples that will be easily accessible for students and professors around the world
