learner's desktop over the Web. But because e Learning is still in the revolution stage there are no clear standards and models for how to create and deliver e Learning successfully. Everyone is asking the same questions: how does web based training fit in with traditional classroom based training? What are the standards for designing high quality e Learning? How much interaction with an instructor do e Learning participants need? What is the role of the instructional designer in online learning? The ASTD e Learning Yearbook will be the first annual reference. **Willing's Press Guide**, 2004.
