A Partner in Holiness Rabbi Jonathan P. Slater, DMin, 2014-07-17 Find inspiration for a satisfying spiritual life of practice through the combination of contemporary mindfulness meditation and classical Hasidic spirituality The soul yearns to feel connected to something greater and to know

happiness despite personal suffering and seemingly endless need Surprisingly the perspectives of the late eighteenth and nineteenth century Hasidic spiritual teachers offer a radically different Jewish theology that speaks directly to today's spiritual seekers whose faith has been shattered by both modernity and the Holocaust These masters taught of interdependence interconnectedness selflessness service and joy anticipating the insights of contemporary science and twenty first century spirituality Bringing together the teachings of beloved Hasidic master Rabbi Levi Yitzhak of Berdichev 1740-1809 and the practice of mindfulness meditation Rabbi Jonathan P Slater reveals a new entrance into Jewish spiritual life Covering the Five Books of Moses these two volumes present accessible translations of selections from Kedushat Levi R. Levi Yitzhak's Hasidic Torah commentary which emphasizes our spiritual capacity to transform consciousness and so our life experience The selections are paired with Rabbi Slater's commentaries to illuminate their message The lessons in Kedushat Levi were not originally intended as intellectual curiosities or as demonstrations of R. Levi Yitzhak's brilliance They were meant to inspire religious passion and deeper spiritual practice I believe that these teachings will come to life in us when we bring them into our lives in practice from the Introduction

Spiritual Activism Avraham Weiss, Alan Dershowitz, 2010-04
 Avi doesn't only talk the talk or even walk the walk He writes the instruction manual This book shows a way perhaps not the only way but one indispensable way of being an activist on behalf of the Jewish people Read it and learn from the Foreword by Alan M. Dershowitz In this age of perpetual strife and conflict we need now more than ever to find out how to be proactive in repairing our broken world Rabbi Avraham Weiss's provocative and challenging guidebook will show you just that and so much more With easy to follow steps accessible explanations of the principles of spiritual activism and an exploration into the foundations of spiritual activism as rooted in the Torah Weiss offers more than simply a user manual he provides an in depth approach to changing your role in the world Topics include Why How and When Do We Engage in Spiritual Activism Choosing the Cause Making Partners Designing the Strategy Leading Other People Seeing the Big Picture And more

The Spirituality of Welcoming Ron Wolfson, 2006 Synagogues should be effective and relevant centers of Jewish life but too often the focus is on programs not people on revenue not relationships The end result is frequently a corporate atmosphere where membership lacks commitment core leadership and spiritual fulfillment In this empowering practical guide Dr. Ron Wolfson shows you how to transform your synagogue congregation into a sacred community by focusing on strategies for successful change Using a case study format for creating an inviting spiritual center Wolfson defines the welcoming congregation and the fundamental materials that are involved in building one He addresses the services a welcoming congregation should provide the themes the congregation should focus on and the standards that a vital spiritual community should uphold Tapping into his experiences as co-developer of Synagogue 2000 the transdenominational project designed to envision and implement the ideal synagogue of the spirit for the twenty first century Wolfson also provides essential problem solving tools that you can use to alleviate roadblocks along the way

The Chutzpah Imperative Rabbi Edward

Feinstein,2014-09-24 Reconnect with Judaism s most important contribution to humanity and redeem our world The gift of Judaism is an understanding of what it means to be a human being what we can do what we can hope for how we can live with purpose what is expected of us It is a celebration of human freedom human possibility and human responsibility Judaism is a way to live a heroic life to construct a life devoted to values that are eternal values of ultimate significance The reward of a Jewish life is walking the world with a profound faith that you matter your life matters your dreams matter I call this chutzpah from the Introduction In this clarion call for a new way to do Judaism award winning spiritual leader Rabbi Edward Feinstein urges us to recover this message of Jewish self empowerment or chutzpah to reshape our world He walks us through the history of chutzpah from the early chapters of Genesis Jewish biblical law and the Rabbis of the Talmud to the mystics of medieval Spain and the European Hasidic tradition Zionism and post Holocaust thought By showing us the ever presence of chutzpah in Judaism he reveals the inner story of the Jewish People s soul as well as the meaning that Judaism s deepest purpose and most precious treasure has for us today *"The" Athenaeum* ,1871 **The Death of Death** Rabbi Neil Gillman, PhD,2011-11-16 Does death end life or is it the passage from one stage of life to another In *The Death of Death* noted theologian Neil Gillman offers readers an original and compelling argument that Judaism a religion often thought to pay little attention to the afterlife not only presents us with rich ideas on this subject but delivers a deathblow to death itself Combining astute scholarship with keen historical theological and liturgical insights Gillman outlines the evolution of Jewish thought about bodily resurrection and spiritual immortality Beginning with the near silence of the Bible on the afterlife he traces the development of these two doctrines through Jewish history He also describes why today somewhat surprisingly more contemporary Jewish scholars including Gillman have unabashedly reaffirmed the notion of bodily resurrection In this innovative and personal synthesis Gillman creates a strikingly modern statement on resurrection and immortality *The Death of Death* gives new and fascinating life to an ancient debate This new work is an intellectual and spiritual milestone for all of us interested in the meaning of life as well as the meaning of death **Healing from Despair** Elie Kaplan Spitz, Erica Shapiro Taylor,2010-09 Through healing brokenness can become a source of hope and blessing This wise and helpful guide traces the path of suffering from despair to depression to desperation to the turning point where suffering can be transformed into blessing **The Messiah and the Jews** Elaine Rose Glickman,2013 A comprehensive inspiring and fascinating discovery of what Jews believe about the Messiah and why you might believe in the Messiah too The conviction that the Messiah is coming is a promise of meaning It is a source of consolation It is a wellspring of creativity It is a reconciliation between what is and what should be And it is perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 *The Messiah Is Coming* The coming of the Messiah the promise of redemption is among Judaism s gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic

teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish The Creative Jewish Wedding Book Gabrielle Kaplan-Mayer,2009 This inspiring and useful guide brings your complete wedding planning into focus It helps you express your individuality and spirituality on your wedding day Whether your plans are traditional or alternative whether you are planning your first or second marriage it provides the tools you need to look at and think about ritual and tradition in new and innovative ways *Freedom Journeys* Rabbi Arthur O. Waskow,Rabbi Phyllis O. Berman,2011-02-01 How does the story of the Exodus echo in our own generation and in our own lives For us to hear the Oneness of God we must grow into a place where the cosmic and the political are deeply the same truth from Part V The story Jews retell on Passover is about rising up against tyranny about the triumph of the God who sides with the despised against a resplendent emperor Exploring how this tale applies to our own time enriches the ancient account and it expands and transforms the community for which Exodus is a collective family story Exodus is not only the saga of the escape from slavery but also a story of courage celebration rebirth and community from which people of all faith traditions have learned and can continue to learn Calling us to relearn and rethink the Passover story Rabbi Arthur O Waskow and Rabbi Phyllis O Berman share The enduring spiritual resonance of the Hebrews journey for our own time Social justice ecological and feminist perspectives on the Exodus How the Passover story has been adapted and used by African American as well as Christian and Muslim communities to provide insight and inspiration With contributions by Dr Vincent Harding Exodus in African America A Great Camp Meeting Dr S Ayse Kadayifci Orellana Exodus in the Qur an Mercy Compassion and Forgiveness Ched Myers and Russell Powell Exodus in the Life and Death of Jesus
