Kathy Peiss

Zoot Suit The Enigmatic Career Of An Extreme Style:

Zoot Suit Kathy Peiss, 2011-05-23 ZOOT SUIT is the ultimate in clothes. The only totally and truly American civilian suit. Cab Calloway. The Hepster's Dictionary 1944. Before the fashion statements of hippies, punks or hip hop, there was the zoot suit, a striking urban look of the World War II era that captivated the imagination. Created by poor African American men and obscure tailors, the drape shape was embraced by Mexican American pachucos, working class youth, entertainers and swing dancers, yet condemned by the U.S. government as wasteful and unpatriotic in a time of war. The fashion became notorious when it appeared to trigger violence and disorder in Los Angeles in 1943, events forever known as the zoot suit riot. In its wake, social scientists, psychiatrists, journalists and politicians all tried to explain the riddle of the zoot suit, transforming it into a multifaceted symbol to some a sign of social deviance and psychological disturbance, to others a gesture of resistance against racial prejudice and discrimination. As controversy swirled at home, young men in other places, French zazous, South African tsotsi, Trinidadian sassa boys and Russian stiliagi made the American zoot suit their own. In *Zoot Suit*, historian Kathy Peiss explores this extreme fashion and its mysterious career during World War II and after, as it spread from Harlem across the United States and around the world. She traces the unfolding history of this style and its importance to the youth who adopted it as their uniform, and at the same time considers the way public figures, experts, political activists and historians have interpreted it. This outfit was a turning point in the way we understand the meaning of clothing as an expression of social conditions and power relations. *Zoot Suit* offers a new perspective on youth culture and the politics of style, tracing the seam between fashion and social action.

The Dandy Peter K. Andersson, 2025-04-22 A history of the dandy from below, from Beau Brummell and Baudelaire to Bowie and Bolan and beyond. The historical figure of the dandy has commonly been described as an upper class gentleman, often exemplified by well-known men such as Beau Brummell, Charles Baudelaire, Oscar Wilde and Max Beerbohm. But there is a broader history to be told about the dandy, one that incorporates unknown men from the lower strata of society. *The Dandy: A People's History* constitutes the first ever history of those dandies who emanated from the less privileged layers of the populace: the lowly clerks, shop assistants, domestic servants and labourers who increasingly during the modern age have emerged as style-conscious men about town. Peter Andersson shows that dandyism is far from just an elite phenomenon represented by famous poets and artists. He shows how dandyism as a popular youth subculture grew into an influential cultural movement from the days of Beau Brummell in the early 19th century to the age of mods in the 1960s. A series of fascinating in-depth studies of the wide variety of dandy subcultures that have surfaced around the world in the last two centuries tell the story of how the shaping of fashions and the image of men became increasingly democratized, with the arbiters of taste increasingly coming from the other end of the social spectrum. Along the way, we encounter such long-forgotten groups as the mashers, the knuts, the Paris gandins and the Berlin transgender dandies, alongside more well-known but unexplored figures like the zoot suiter, the teddy boy and the New Romantic. Above all, this is a

story of how fundamental aspects of modern culture such as fashion style and conduct have been shaped from below just as much as from above It is a story that shows how the problematic business of young men trying to find an identity is an enduring phenomenon and one sadly often accompanied by innocent victims along the way

The Bebop Scene in London's Soho, 1945-1950 Ray Kinsella, 2022-11-23 This is the first book to tell the story of the bebop subculture in London's Soho a subculture that emerged in 1945 and reached its pinnacle in 1950 In an exploration via the intersections of race class and gender it shows how bebop identities were constructed and articulated Combining a wide range of archival research and theory the book evocatively demonstrates how the scene evolved in Soho's clubs the fashion that formed around the music drug usage amongst a contingent of the group and the moral panic which led to the police raids on the clubs between 1947 and 1950 Thereafter it maps the changes in popular culture in Soho during the 1950s and argues that the bebop story is an important precedent to the institutional harassment of black related spaces and culture that continued in the twentieth and twenty first centuries This book therefore rewrites the first chapter of the classic subcultural canon and resets the subcultural clock requiring us to rethink the periodization and social make up of British post war youth subcultures

A Kiss across the Ocean Richard T. Rodríguez, 2022-08-08 In A Kiss across the Ocean Richard T Rodríguez examines the relationship between British post punk musicians and their Latinx audiences in the United States since the 1980s Melding memoir with cultural criticism Rodríguez spotlights a host of influential bands and performers including Siouxsie and the Banshees Adam Ant Bauhaus Soft Cell Frankie Goes to Hollywood and Pet Shop Boys He recounts these bands importance for him and other Latinx kids and discusses their frequent identification with these bands glamorous performance of difference Whether it was Siouxsie Sioux drawing inspiration from Latinx contemporaries and cultural practices or how Soft Cell singer Marc Almond's lyrics were attuned to the vibrancy of queer Latinidad Rodríguez shows how Latinx culture helped shape British post punk He traces the fandom networks that link these groups across space and time to illuminate how popular music establishes and facilitates intimate relations across the Atlantic In so doing he demonstrates how the music and styles that have come to define the 1980s hold significant sway over younger generations equally enthused by their matchlessly pleasurable and political reverberations

Latin American and Latinx Fashion Design Today - ¡Moda Hoy! Tanya Melendez-Escalante, Melissa Marra-Alvarez, 2024-04-18 Accompanying a major exhibition at The Museum at FIT Latin American and Latinx Fashion Design Today Moda Hoy examines Latin American and Latinx fashion design from the past 20 years asking What is Latin American fashion design in the 21st century The book seeks to explore the sociohistorical influences and cultural dynamics that have propelled the development of the unique sartorial bricolage that is Latin American and Latinx fashion Through a series of themes and topics favored by contemporary designers including Indigenous heritage art sustainable design politics gender elegance and popular culture it highlights established designers with a strong international presence such as Isabel Toledo Carolina Herrera Rick Owens Oscar de la Renta Carla Fernández

and Gabriela Hearst Accompanied by regional brands and emerging talents and case studies that take an in depth look into specific designers and beautifully illustrated in full color throughout Latin American and Latinx Fashion Design Today is essential reading for fashion enthusiasts who have an overlapping interest in Latin American studies and all who appreciate the history and visual culture of fashion and Latin America

Artifacts from American Fashion Heather Vaughan Lee, 2019-11-22 Clothing and fashion accessories can serve as valuable primary sources for learning about our history This unique book examines daily life in 20th century America through the lens of fashion and clothing This collection explores fashion artifacts from daily life to shed light on key aspects of the social life and culture of Americans in the 20th century Artifacts from American Fashion covers forty five essential articles of fashion or accessories chosen to illuminate significant areas of daily life and history including Politics World Events and War Transportation and Technology Home and Work Life Art and Entertainment Health Sport and Leisure and Alternative Cultures Youth Ethnic Queer and Counter Culture Through these artifacts readers can follow the major events social movements cultural shifts and technological developments that shaped our daily life in the U S A World War I soldier s helmet opens a vista onto the horrors of trench warfare during World War I while the dress of a typical 1920 s flapper speaks volumes about America women s changing role during Prohibition and the Jazz Age Similarly a homemade feedsack dress illuminates the world of the Great Depression while the bikini ushers us into the Atomic Age Here such artifacts tell the story of twentieth century daily life in America

Our America Smithsonian American Art Museum, 2014 Explores how one group of Latin American artists express their relationship to American art history and culture

Hope in a Jar Kathy Peiss, 2011-11-29 How did powder and paint once scorned as immoral become indispensable to millions of respectable women How did a kitchen physic as homemade cosmetics were once called become a multibillion dollar industry And how did men finally take over that rarest of institutions a woman s business In *Hope in a Jar* historian Kathy Peiss gives us the first full scale social history of America s beauty culture from the buttermilk and rice powder recommended by Victorian recipe books to the mass produced products of our contemporary consumer age She shows how women far from being pawns and victims used makeup to declare their freedom identity and sexual allure as they flocked to enter public life And she highlights the leading role of white and black women Helena Rubenstein and Annie Turnbo Malone Elizabeth Arden and Madame C J Walker in shaping a unique industry that relied less on advertising than on women s customs of visiting and conversation Replete with the voices and experiences of ordinary women *Hope in a Jar* is a richly textured account of the ways women created the cosmetics industry and cosmetics created the modern woman

The Suit Christopher Breward, 2016-04-15 A beautifully tailored history of this fashion staple at once a garment of tradition power and subversion The Suit unpicks the story of this most familiar garment from its emergence in western Europe at the end of the seventeenth century to today Suit wearing figures such as the Savile Row gentleman and the Wall Street businessman have long embodied ideas of tradition masculinity power and respectability but the suit has also

been used to disrupt concepts of gender and conformity Adopted and subverted by women artists musicians and social revolutionaries through the decades from dandies and Sapeurs to the Zoot Suit and Le Smoking the suit is also a device for challenging the status quo For all those interested in the history of menswear this beautifully illustrated book offers new perspectives on this most mundane and poetic product of modern culture
