should've known the birthday party for a 113 year old witch wasn't going to be all cake and games Especially with so many other witches around and that scary magic wand I'd been desperate for a vacation from the rain on the California coast But instead of snow and cocoa in a cozy mountain cabin I got a dead body And the murder weapon wasn't a candlestick in the billiard room Looks like it's up to me again My one friend is a Bright witch but not much of a fighter I used to think I too was harmless but the enchanted marks on my skin tell a different story My moral code prevents me from killing anyone but somehow my enemies tend to end up dead Trapped in the spellbound mountain retreat I have to find the killer before anyone else gets killed Or worse I've done it before and I'll do it again Probably An enchanted lake house a magic wand and a murdered witch Life is never boring for ex demon hunter Alma Bellrose even if she'd like it to be Can she use her developing powers to unravel a century of family secrets and save her friend's life or will an old curse claim another victim A standalone mystery within a series *Better Than this* Stuart Harrison, 2001 Nick has an eviable life But he knows that this could soon end if his latest business pitch isn't successful Trouble is he's neglected to mention this to his wife or business partner Oblivious to everything but the need to succeed Nick can't see what's happening to the rest of his life *CHRB News & Review* California Horse Racing Board, 1999 **Informational Hearing on are Insurer Denials of Earthquake Claims for Hidden Damage Undermining Homeowner Security?** California.
