Understanding Four Views On The Lords Supper Counterpoints Church Life:

Understanding Four Views on the Lord's Supper Zondervan, 2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship. But there are still many ways of understanding it and many questions surrounding this meal. Who should participate in the Lord's Supper? How frequently should we observe it? What does this meal mean? What happens when we eat the bread and drink from the cup? What do Christians disagree about and what do they hold in common? These and other questions are explored in this volume of the fair-minded informative Counterpoints series. Contributors make a case for one of the following views: Baptist view memorialism, Reformed view spiritual presence, Lutheran view consubstantiation, Roman Catholic view transubstantiation. All contributors use Scripture to present their views and each responds to the others' essays. Included are resources for understanding the topic further, such as: A listing of statements on the Lord's Supper from creeds and confessions; Quotations from noted Christians; A resource listing of books on the Lord's Supper; Discussion questions for each chapter to facilitate small group and classroom use. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion. *Understanding Four Views on the Lord's Supper* Russell Moore, 2007 Four different ways Christians understand the Lord's Supper: Baptist view memorialism, Reformed spiritual presence, Lutheran consubstantiation, and Roman Catholic transubstantiation are fairly represented and debated to provide readers with an opportunity to draw their own conclusion on this important Christian institution. **Complementarian Spirituality** Natalie Brand, 2013-10-09 In this work Dr. Brand seeks to contribute a unique complementarian expression of Reformed spirituality in order to stimulate a spiritual renewal in the contemporary Reformed tradition. Using a distinctively feminine approach in a theological arena largely monopolized by male theologians, the author anchors corporate and personal spirituality upon the *unio mystica* so returning to a Calvinistic appreciation of the Christian life. Grounding Reformed spirituality on the marital union between Christ and the church, a corporate portrait of the church is explored. Critical of the neglect of women in Reformed church life and practice, the author calls the tradition to reform, proposing an intentional complementarian use of women that can practically and spiritually profit the whole church body. The book culminates with an initial tracing of a Reformed feminine spirituality which is pastorally relevant to women as well as encouraging a renewed experiential enjoyment of Christ for both men and women. **Food for the Journey** Bob Waldron, 2020-09-08 A beautifully reflective book, an allegorical poetic masterpiece about communion that will enrich the life of the Christian, whether a new or seasoned follower. A gem of a read that can be read, re-read, and shared with loved ones. Nonfiction Authors Association. No matter where you are on your walk with God, this award-winning devotional on the Lord's Supper will draw you closer to the heart of God. Make Communion more meaningful. Enrich your experience with Christ. Increase your sense of the sacred.

Provide strength for your journey More than wine and bread Communion is an oasis a sacred time spent with Jesus at the Table Written conversationally Food for the Journey is enriched with insights gleaned from Bob's experiences with cultures around the world Themelios, Volume 47, Issue 1 D. Who Can Take the Lord's Supper? Dallas W. Vandiver, 2021-09-10 Baptism and the Lord's Supper are likely more basic for the church than you think When Jesus inaugurated the new covenant by his death on the cross he established baptism as the new covenant sign of entry and the Lord's Supper as the new covenant sign of participation These signs identify believers with Christ and his people They are integral to the existence membership and discipline of the local church In answer to the question Who can take the Lord's Supper this book catalogues four major positions in the broad Baptist tradition While proponents of various views have appealed to the necessity of circumcision for participation in Passover as evidence for their position none have adequately worked out the covenantal relationships between circumcision and baptism or Passover and the Lord's Supper By contrast to Reformed paedobaptist covenantal theology and in distinction from Baptist covenantal theology and dispensational theologies this book develops the relation of these covenantal signs from a progressive covenantal perspective It presents an unprecedented comparison of the continuities and discontinuities between the covenant signs across the storyline of Scripture to demonstrate a biblical theological principle that the sign of entry should precede the sign of participation

Church Government According to the Bible Simon V. Goncharenko, 2014-09-03

Just as the government structure of Russia differs from that of the United States and both differ from that of Great Britain so it is with church government Yet as the institution governed by God s written word the church must find and defend its governing structures using that word the Bible In this book Dr Simon Goncharenko argues that it is in fact possible to identify a specific preferred model of church polity within the Bible and to model our current church structure after

Scriptural precedent **Progressive Creation and the Struggles of Humanity in the Bible** Zoltan Dornyei,2018-03-22

Why does the Christian walk often feel like an ongoing struggle and why does God s creation include imperfection let alone forces that are intent on thwarting God s creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity s struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job s temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God s creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord s Prayer and to fulfill the Great Commission **The Apostle Paul and**

the Christian Life Scot McKnight,Joseph B. Modica,2016-02-23 The new perspective on Paul an approach that seeks to reinterpret the apostle Paul and his letters against the backdrop of first century Judaism has been criticized by some as not having value for ordinary Christians living ordinary lives In this volume world renowned scholars explore the implications of the new perspective on Paul for the Christian life and church James D G Dunn N T Wright Bruce Longenecker Scot McKnight and other leading New Testament scholars offer a response to this question How does the apostle Paul understand the Christian life The book makes a fresh contribution to the new perspective on Paul conversation and offers important new insights into the orientation of the Christian life
