Understanding United States Government Growth An Empirical Analysis Of The Postwar Era

William Dale Berry, David Lowery

Understanding United States Government Growth An Empirical Analysis Of The Postwar Era:

Understanding United States Government Growth William Dale Berry, David Lowery, 1987-10-05 *Understanding United States Government Growth* develops and tests alternative explanations of government growth since World War II. It opens with an analysis of debate about the causes and consequences of government growth including the excessive government view that the public sector has grown beyond the scope demanded by citizens due to its own structural defects and the responsive interpretation that government has grown because it has reacted appropriately to external public demands. The authors review the major political and economic explanations for government growth and criticize earlier empirical attempts to test these explanations. In the second half of the book they distinguish four components of government growth: growth in the cost of government and growth in the scope of government activities in three domains: transfer payments, domestic purchases, and defense purchases. Both responsive and excessive explanations of each of these components of growth are developed and tested to allow an evaluation of the validity of the two contrasting views about big government.

Democracy, Bureaucracy, And The Study Of Administration Camilla Stivers, 2018-03-09 This anthology addresses several of the most central ideas in the field of public administration. These ideas are as relevant to public budgeting as they are to performance measurement or human resource management. Collectively and individually the essays explore what Dwight Waldo referred to as the political theories of public administration: issues that are ultimately unresolvable yet crucial to understanding the nature of public administrative practice. How can democracy and efficiency be balanced? Can there be a science of administration? How should we think about administrative accountability? What is the nature of the relationship between citizen and state? Is professionalism an adequate mechanism for ensuring accountability? How efficient can or should bureaucracy be? What is proper leadership by administrators hoping to address political democracy and managerial efficiency? This ASPA Classics Volumes series serves to connect the practice of public policy and administration with the normative theory base that has accrued and the models for practice that may be deduced from this theory. **The Growth of American**

Government Ballard C. Campbell, 1995 This ambitious well written book will be a useful resource for scholars: an excellent overview, a fine readable introduction that presents its analysis in a straightforward manner free from ideological baggage. Congress, The Presidency: A refreshingly unorthodox narrative. Campbell explains in plain language how government grew. His stance is neither liberal nor conservative but simply well informed and reasonable. Walter Nugent, University of Notre Dame. The canvas is large but one comes away from the book with an understanding of what has happened, the factors contributing to these developments and their consequences. Strongly recommended. Samuel McSeveney, Vanderbilt University. Ballard Campbell has synthesized an amazing range of material: federal, state, and even local studies from history, political science, economics, and assorted other specialized studies. The product is a strikingly comprehensive and readable history of the rise of government in the USA. Even better, it provides a coherent explanation of why the state grew so large. Richard Jensen

University of Illinois Chicago His overview chapter 2 should be a compulsory assignment for any seminar on modern political culture The Journal of American History Campbell's book is a marvelous multidisciplinary synthesis that builds on the findings of historians of national state and local government along with those of economists and political scientists to provide a coherent account of the rise of modern American governing structures Journal of Interdisciplinary History The book should be useful in the classroom even for freshmen classes in U S history and government American Historical Review Readable and refreshingly unorthodox Campbell provides a coherent explanation of how and why government has become so large His book deserves inclusion in any undergraduate bibliography covering the development of American government Political Studies Association This engaging survey of the growth of government in America in the last century focuses on the evolution of public policy and its relationship to the constitutional and political structure of government at the federal state and local levels

Perpetuating the Pork Barrel Robert M. Stein, Kenneth N. Bickers, 1997-08-13 Stein and Bickers explore the policy subsystems that blanket the American political landscape

The United States and Canada Paul J. Quirk, 2019-07-11 The United States and Canada share the longest border in the world maintain one of the closest alliances and are notably similar in many ways Yet the two countries also have important differences including sharply contrasting political institutions In The United States and Canada Paul J Quirk has gathered a distinguished cast of contributors to present an integrated comparative examination of the political systems of the United States and Canada with special attention to the effects of political institutions and their interaction with political values geographic and demographic factors and other influences The volume explores the differences between the American presidential or separation of powers system and the Canadian parliamentary system focusing on electoral and party systems executive leadership and the legislative process bureaucratic influence and federalism It proceeds to examine patterns of governance in a wide range of issue areas economic policy climate change policy healthcare policy civil rights integration and immigration and abortion and gay rights A sweeping comparative account this volume serves as an authoritative guide for anyone interested in why the two countries differ and where they might be headed

Big Government and Affirmative Action Jonathan Bean, 2021-10-21 David Stockman Ronald Reagan's budget director proclaimed the Small Business Administration a billion dollar waste a rathole and set out to abolish the agency His scathing critique was but the latest attack on an agency better known as the Small Scandal Administration Loans to criminals government contracts for minority fronts the classification of American Motors as a small business Whitewater and other scandals the Small Business Administration has lurched from one embarrassment to another Despite the scandals and the policy failures the SBA thrives and small business remains a sacred cow in American politics Part of this sacredness comes from the agency's longstanding record of pioneering affirmative action Jonathan Bean reveals that even before the Civil Rights Act of 1964 the SBA promoted African American businesses encouraged the hiring of minorities and monitored the employment practices of loan recipients Under Nixon the agency expanded racial preferences

During the Reagan administration politicians wrapped themselves in the mantle of minority enterprise even as they denounced quotas elsewhere Created by Congress in 1953 the SBA does not conform to traditional interpretations of interest group democracy Even though the public and Congress favors small enterprise there has never been a unified group of small business owners requesting the government's help Indeed the SBA often has failed to address the real problems of Mom and Pop shop owners fueling the ongoing debate about the agency's viability

Designing Governance Structures for Performance and Accountability Andrew Podger, Tsai-tsu Su, John Wanna, Hon S. Chan, Meili Niu, 2020-07-16 Designing Governance Structures for Performance and Accountability discusses how formal and informal governance structures in Australia the People's Republic of China PRC and Taiwan may be designed to promote performance and to ensure accountability The book presents a selection of papers developed from the Greater China Australia Dialogue on Public Administration's seventh workshop held in June 2017 hosted by City University of Hong Kong Insights are provided on both current developments in the different contexts of the three jurisdictions examined and on broader institutional and organisational theories Chapters cover theories of organisational forms and functions in public administration the core agency structures used in the different jurisdictions the structures used to deliver public services including non government organisational arrangements and other non core agency structures such as government business enterprises regulatory organisations and integrity organisations A particular emphasis is placed on the institutional arrangements the executive arm of government uses for advising on and implementing government policies and programs Although the book explores arrangements and developments within very different political governance systems the purposes of the structures are similar to promote performance and accountability This book is a companion volume to Value for Money Budget and Financial Management Reform in the People's Republic of China Taiwan and Australia ANU Press 2018

Theories of the Policy Process, Second Edition Paul Sabatier, 2019-06-04 Theories of the Policy Process provides a forum for the proponents of several of the most promising and widely used theoretical frameworks to present the basic propositions of their frameworks to assess the empirical evidence that has developed and to discuss promising directions for future research The first edition contained analysis

Innovation in Public Services Stephen Osborne, Louise Brown, Richard Walker, 2017-10-02 In response to changes in internal needs external organizational environments and the expectations of shareholders most notably citizens and politicians innovation is now an important common place aspect of governance and the running of public service organizations Given the ongoing financial and economic crisis which presents a significant challenge to public service organizations PSOs there is a growing need to establish innovative strategies in order to survive the crisis and provide the basis for future sustainable growth This book contributes towards the discussion of PSO innovation through theoretically informed empirical studies of innovation across a range of theories topics and fields Studies examine the role of citizens managers and public service organizations the adoption diffusion implementation and management of innovations

collaboration communication and information technologies and decision making ethical principles HR management leadership and procurement The studies which examine the situation in a range of countries in Europe and Asia cover a range of different organizations such as non profits health service organizations and local governments This book was originally published as a special issue of Public Management Review

In the Shadow of the Garrison State Aaron L. Friedberg, 2012-01-06 War or the threat of war usually strengthens states as governments tax draft soldiers exert control over industrial production and dampen internal dissent in order to build military might The United States however was founded on the suspicion of state power a suspicion that continued to gird its institutional architecture and inform the sentiments of many of its politicians and citizens through the twentieth century In this comprehensive rethinking of postwar political history Aaron Friedberg convincingly argues that such anti statist inclinations prevented Cold War anxieties from transforming the United States into the garrison state it might have become in their absence Drawing on an array of primary and secondary sources including newly available archival materials Friedberg concludes that the weakness of the American state served as a profound source of national strength that allowed the United States to outperform and outlast its supremely centralized and statist rival the Soviet Union Friedberg s analysis of the U S government s approach to taxation conscription industrial planning scientific research and development and armaments manufacturing reveals that the American state did expand during the early Cold War period But domestic constraints on its expansion including those stemming from mean self interest as well as those guided by a principled belief in the virtues of limiting federal power protected economic vitality technological superiority and public support for Cold War activities The strategic synthesis that emerged by the early 1960s was functional as well as stable enabling the United States to deter contain and ultimately outlive the Soviet Union precisely because the American state did not limit unduly the political personal and economic freedom of its citizens Political scientists historians and general readers interested in Cold War history will value this thoroughly researched volume Friedberg s insightful scholarship will also inspire future policy by contributing to our understanding of how liberal democracy s inherent qualities nurture its survival and spread

Understanding United States Government Growth An Empirical Analysis Of The Postwar Era Introduction

In today's digital age, the availability of Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals for

download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding United States Government Growth An Empirical Analysis Of The Postwar Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like

Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Understanding United States Government Growth An Empirical Analysis Of The Postwar Era books and manuals for download and embark on your journey of knowledge?

FAQs About Understanding United States Government Growth An Empirical Analysis Of The Postwar Era Books

What is a Understanding United States Government Growth An Empirical Analysis Of The Postwar Era PDF? A

PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a**

Understanding United States Government Growth An Empirical Analysis Of The Postwar Era PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Understanding United States Government Growth An Empirical**

Analysis Of The Postwar Era PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Understanding United States Government Growth An Empirical Analysis Of**

The Postwar Era PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Understanding United States Government Growth An Empirical Analysis Of The Postwar Era PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features.
