What You Accept Is What You Teach Setting Standards For Employee Accountability

Michael Cohen, Michael H. Cohen

What You Accept Is What You Teach Setting Standards For Employee Accountability:

What You Accept is What You Teach Michael Cohen, Michael H. Cohen, 2006-10-01 While everyone is accountable for their own behavior leaders are ultimately responsible for employee performance By setting their own standards of exceptional performance managers teach their employees to accept accountability for their own actions and attitudes What You Accept is What You Teach is the perfect how to guide for navigating the maze of challenging employee communication and performance problems It is an excellent resource for developing a healthy culture of accountability and improved employee performance In use by more than 25 000 managers nation wide

What You Accept is What You Teach Michael Cohen, 2006-10-01 While everyone is accountable for their own behavior leaders are ultimately responsible for employee performance By setting their own standards of exceptional performance managers teach their employees to accept accountability for their own actions and attitudes What You Accept is What You Teach is the perfect how to guide for navigating the maze of challenging employee communication and performance problems It is an excellent resource for developing a healthy culture of accountability and improved employee performance In use by more than 25 000 managers nation wide

Time to Lead Michael Cohen, Michael H. Cohen, 2011-03-01 A back to basics approach to employee engagement Time to Lead provides common sense leadership practices for busy leaders like you It is a practical resource on how to address your administrative responsibilities while increasing your presence with employees and customers Each goal focused exercise and self assessment tool comes directly from the collective experiences of leaders like you By practicing Time to Lead principles you will enhance your ability to Align your activities with your professional values and work unit priorities Spend quality time with your employees and customers Develop a cohesive team where employees effectively communicate within and between work units Ensure employee understanding and acceptance of team goals roles policies and resources Teach employees the difference between problems that can be solved and realities outside of your control Conduct results oriented meetings where employees constructively participate in decision making and Hire and retain those employees who demonstrate high Emotional Intelligence E Q

The Accountability Factor Oswald R. Viva, 2019-07-08 Without personal accountability there is no organizational accountability and without that businesses and organizations fail to reach their ultimate potential The flip side is when accountability is prevalent employees stop blaming each other departments get along and organizations become more productive Oswald R Viva the founder and president of V pinpoint why things are not working as well as they should and create an environment where accountability is implemented and demanded of all members When employees take ownership of tasks and an action plan is clear personal accountability emerges lowering stress increasing productivity influencing job satisfaction and propelling the organization forward Transform the way employees think about accountability and improve business culture and performance with the lessons in The Accountability Factor

Company J. Scott Thompson,2019-01-14 Scott Thompson author of *The Functional Fire Company* says the functional fire company concept was not created but realized I realized after many attempts at trying to view success in the organization from the top down that it wasn t possible Real indicators of success in the fire service come from the bottom up A fire department s success is best judged at the company level Many leaders and senior members have been taught the how but not the why and they don t understand the reasons for doing what they do Thompson says Because firefighting is such a technical activity we must ensure that we are explaining why we do things while we demonstrate the how It is essential that we develop critical thinking for solving fire suppression rescue and EMS problems WHAT OTHERS ARE SAYING Chief Scott Thompson combines his decades of experience and years of observation with today s leadership skills and provides a path for

the successful fire department to follow The Functional Fire Company will take you step by step from being an ordinary fire department to one which defines excellence Rick Lasky Fire Chief ret Texas I found both motivation and a guide to implementation in this book Chief Thompson has provided a deep resource for all ranks from creating culture to setting up training structure I highly recommend this book to anyone with aspirations of making an organizational impact Brian Brush Chief Thompson has spent his entire career focusing on training and organizational effectiveness The Functional Fire Company is his life s work wrapped up into a playbook which offers insight into how to make your organization perform at maximum proficiency Experience perspective and a never quit mentality are evident as Chief Thompson provides a unique view to solving problems in the modern day fire service Terry McGrath Assistant Chief Lewisville TX Fire Department This book offers a living breathing example that Chief Thompson s principles truly work I hope you get as much value from this book as we have received from Chief Thompson s lessons and that you take what you learn back to your organization Garrett Rice The Colony Fire Department TX Battalion Chief A Shift *The Power of Self Management* Michael Cohen, Michael H. Cohen, 2008-02-01 This timely workbook helps employees prepare themselves for our constantly changing health care environment Learn how to be an outstanding Organizational Citizen by developing effective problem solving and change agent skills Develop conflict resolution competence and assertive Fair Fighting skills to deal with difficult co workers managers and physicians Empower yourself to take complete responsibility for your own job success satisfaction intrinsic motivation work and service ethic regardless of the environment you work in **It's Lonely at the Top!** Oswald R. Viva, 2011-09-07 As the owner and CEO of a small or midsize business the success or failure of your operation begins and ends with you But success doesn't just mean earning profits To truly be a leader you must strive to improve the welfare of your employees stakeholders and others allied with your business by envisioning and implementing a strategy for success Make the right decisions with the guidance of author Oswald R Viva a longtime entrepreneur and business coach using this straightforward manual You'll be jotting down notes nonstop as you learn how to motivate yourself to the best CEO you can be create a work culture that cultivates achievement delegate and make employees accountable improve every aspect of your organization This guide points you to the knowledge that can help you make the right decisions even in the toughest situations Its Lonely at the Top but when you seek out the right guidance and make educated moves you can accomplish your objectives become a better leader and increase profitability for your small or midsize business *Charge Nurse Program Builder* Tammy L.
