Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what

the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28 18 20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate Satan Exposed tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry Warfare Prayer C. Peter Wagner, 2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God
