Whats Right With The Church:

What's Right with the Church Elmer L. Towns, 2009-09-15 The early believers of Jesus Christ knew that they were not just members of an organization nor were they just an extension of Old Testament Judaism They knew that they were followers of the living Lord Jesus Christ They were members of a thing called the church Through the centuries the church has been the most powerful transforming force in history Yet in America many observe it as anemic and powerless Author Elmer Towns contends that there is good news there are many things that are still right with the church What Is Right With the Church affirms the positive things that are present in the church today and what will carry it forward as a transforming force This book is not a defense of the traditional church nor does it run to embrace all new forms of worship Rather this book examines the biblical nature of church allowing the best to come forth It is not a book about old churches new churches or home churches It is a book about what is right about every true church no matter the expression history or culture A growing number of people are not aware of the enduring strengths of the church The author contends that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith in this new century they must be established on foundational biblical truths and core values And when this happens the church thrives as a transforming force **What's**

Still Right with the Church of England Canon David Jennings, 2013-01-14 Can the Church of England survive the 21st century What needs to change and what remains How does the Church deal with contemporary challenges and how are these related to the situation it faced in 1966 This book is an evaluation of Bishop Ronald Williams 1966 book What s Right with the Church of England identifying the issues of that time with reference to the issues still facing the Church of England today These include perception and position resources and finance ethics ecumenism a liberal church in a liberal society ministry for today marketing and a contemporary parochial ecclesiology Many of the issues from 1966 have not changed but the context is significantly different requiring different responses What's Right with the Church William H. Bill Cosby Is Right: But What Should The Church Be Doing About It? Merisa Parson Davis, 2010 Merisa Davis Family Merisa Parson Davis is Dr Bill Cosby's cousin She is a Magna Cum Laude graduate of Liberty Baptist Theological Seminary where she earned her Master's degree in Theological Studies She attends First Redeemer Church in Cumming Georgia pastored by Dr Richard Lee There she serves as a Bible teacher youth worker and women's conference speaker She earned her undergraduate degree at Liberty University in Lynchburg Virginia Founded by the late Dr Jerry Falwell There she studied television journalism and Christian counseling She is a former news reporter for WVIR TV NBC 29 in her hometown of Charlottesville Virginia Merisa has worked in youth ministry since 1998 Currently she is helping create Liberty University's new Black Worship Studies Program scheduled to begin classes in fall of 2010 She has been married for 15 years to Marc Davis who is the owner of the Davis State Farm Insurance Agency in Stone Mountain Georgia She is the proud mother of Charissa Joy and Marc Isaac She plans to pursue her Ph D in the near future For several years now I have had the joy to see firsthand how God is using Merisa Davis to bring a message of inspiration to others Her book *Bill Cosby Is Right* is a prescription for those who are seeking to move to a higher place in their work their lives and their faith Dr Richard Lee General Editor The American Patriot's Bible Founding Pastor First Redeemer Church I have had the opportunity of reading a portion of Merisa's book *Bill Cosby Is Right* To say the least it is the best that I have ever seen on the subject My advice secure a copy and be both informed and inspired Dr Harold L Willmington author Willmington's Guide to the Bible Dean Willmington School of the Bible Liberty University

What's Right with the Trinity? Dr Hannah Bacon, 2013-06-28 The doctrine of the Trinity poses a series of problems for feminist theology At a basic level the androcentric nature of trinitarian language serves to promote the male as more fully in the image of God and as the archetype of humanity pushing women to the margins of personhood It is no surprise then that feminist scholarship on this doctrine has often focused on what's wrong with the Trinity setting out the problems raised by the use of traditional androcentric trinitarian language This book brings together a discussion of feminist theological methodology with a critical exploration of the doctrine of the Trinity Focussing on what's right with the Trinity as opposed to what's wrong with the Trinity it considers the usefulness of this doctrine for feminist theology today It replaces a stress on trinitarian language with an emphasis on trinitarian thought exploring how we might effectively think rather than speak God in light of feminist concerns In particular it asks how a trinitarian understanding of God might support and be supported by key values which underpin a feminist way of doing theology specifically values which underpin the methodological use of women's experience in feminist theology The central argument is that thinking God as Trinity need not serve to reinforce patriarchal values and ideals but may in fact promote the subjectivity and personhood of women
