Shakespeare and Directing in Practice Kevin Ewert, 2018-05-11 When directors approach Shakespeare is the play always the thing or might something else sometimes be the thing How can directing produce fresh contexts for Shakespeare s work Part of the innovative series Shakespeare in Practice this book introduces students to current practices of directing Shakespeare Ewert explores how the conventions and creative tropes of today s theatre make meaning in Shakespeare production now The In Theory section starts with an analysis of theatre production and directing more

generally before looking at the specific Shakespeare context The In Practice section offers a wonderful range of production examples that showcase the wide breadth of approaches to directing Shakespeare today from the conventional to the most experimental Providing a useful general overview of directing Shakespeare on stage today this is an ideal text for undergraduate and postgraduate students studying Shakespeare in Performance in Literature Drama Theatre and Performance Studies departments This book will also inspire students studying directing as part of a theatre programme and scholars performers and lovers of Shakespeare everywhere

Metamodernism in Contemporary British Theatre Tom Drayton, 2024-10-03 Postmodern theatre is dead A new theatre is rising one that combines the well worn postmodern aesthetics of irony detachment and deconstruction with a paradoxical interest in authenticity engagement and reconstruction Whilst recent scholarship has treated these evolving interests as unrelated shifts in performance aesthetics this volume proposes a new understanding that these are part of a wider emerging cultural paradigm metamodernism

Metamodernism in Contemporary British Theatre is the first book to focus on metamodernism and performance offering a pioneering framework by which to identify and understand metamodern theatre By drawing critical links between the works of performance theorists such as Anne Bogart and Andy Lavender and the metamodern as defined by Timotheus Vermeulen and Robin van den Akker this book makes a clear vital and urgent case for the use of the term metamodernism within mainstream theatre scholarship Focussing on small scale theatre companies across the UK including Poltergeist YESYESNONO Middle Child and The Gramophones many of whom have not been documented in academia before this book also provides a unique analysis of the theatre made by British millennials a generation who have been distinctly affected by specific structures of contemporary precarity coinciding with this wider cultural shift Through this Metamodernism in Contemporary British Theatre makes a crucial contribution towards understanding emergent developments in post millennial theatre practice across Britain and beyond

Advanced Consciousness Training for Actors Kevin Page, 2018-05-20 Advanced Consciousness Training for Actors Meditation Techniques for the Performing Artist explores theories and techniques for deepening the individual actor's capacity to concentrate and focus attention Going well beyond the common exercises found in actor training programs these practices utilize consciousness expanding technologies derived from both Eastern and Western traditions of meditation and mindfulness training as well as more recent discoveries from the fields of psychology and neuroscience This book reviews the scientific literature of consciousness studies and mindfulness research to discover techniques for focusing attention expanding self awareness and increasing levels of mental concentration all foundational skills of the performing artist in any medium
