Whats Wrong With Childrens Rights

Martin Guggenheim

Whats Wrong With Childrens Rights:

What's Wrong with Children's Rights Martin Guggenheim, 2007-09-30 From foster care to adoption to visitation rights and beyond Guggenheim offers an analysis of the most significant debates in the children's rights movement He argues that children's rights can serve as a screen for the interests of adults who may have more to gain than the children for whom they claim to speak

What's Wrong with Children's Rights Martin Guggenheim, 2007-09-30 Children's rights the phrase has been a legal battle cry for twenty five years But as this provocative book by a nationally renowned expert on children's legal standing argues it is neither possible nor desirable to isolate children from the interests of their parents or those of society as a whole From foster care to adoption to visitation rights and beyond Martin Guggenheim offers a trenchant analysis of the most significant debates in the children's rights movement particularly those that treat children's interests as antagonistic to those of their parents Guggenheim argues that children's rights can serve as a screen for the interests of adults who may have more to gain than the children for whom they claim to speak More important this book suggests that children's interests are not the only ones or the primary ones to which adults should attend and that a best interests of the child standard often fails as a meaningful test for determining how best to decide disputes about children

The Sociology of Children's Rights Brian Gran, 2021-01-07 Children's rights appear universal inalienable and indivisible intended to advance young people's interests Yet in practice evidence suggests the contrary the international framework of treaties procedures and national policies contains fundamental contradictions that weaken commitments to children's real world protections Brian Gran helps us understand what is at stake when children's rights are compromised This insightful text grounds readers in core theories and key data about children's legal entitlements The chapters tackle central questions about what rights accrue to young people whether they advance equality and how they influence children's identities freedoms and societal participation Ultimately this book shows how current frameworks hinder young people from possessing and benefiting from human rights arguing that they function as cynical invitations to question whether we truly believe children are endowed with human rights The Sociology of Children's Rights offers a critical and accessible introduction to understanding a complex issue in the contemporary world and is a compelling read for students and researchers concerned with human rights in sociology political science law social work and childhood studies

The Oxford Handbook of Children's Rights Law Jonathan Todres, Shani M. King, 2020-02-19 Children's rights law is a relatively young but rapidly developing discipline The U N Convention on the Rights of the Child the field's core legal instrument is the most widely ratified human rights treaty in history Yet like children themselves children's rights are often relegated to the margins in mainstream legal political and other discourses despite their application to approximately one third of the world's population and every human being's first stages of life Now thirty years old the Convention on the Rights of the Child CRC signalled a definitive shift in the way that children are viewed and understood from passive objects subsumed within the family to full human beings with a distinct set

of rights Although the CRC and other children s rights law have spurred positive changes in law policies and attitudes toward children in numerous countries implementation remains a work in progress We have reached a state in the evolution of children s rights in which we need more critical evaluation and assessment of the CRC and the large body of children s rights law and policy that this treaty has inspired We have moved from conceptualizing and adopting legislation to focusing on implementation and making the content of children s rights meaningful in the lives of all children This book provides a critical evaluation and assessment of children s rights law including the CRC With contributions from leading scholars and practitioners from around the world it aims to elucidate the content of children s rights law explore the complexities of implementation and identify critical challenges and opportunities for children s rights law Children's Rights: Progress and Perspectives Michael D. A. Freeman, Michael Freeman, 2011-10-28 The International Journal of Children s Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal s work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children s rights is to be found throughout this collection as is the history of children s rights

Children's Rights Ursula Kilkelly, Laura Lundy, 2017-07-05 The articles in this volume shed light on some of the major tensions in the field of children s rights such as the ways in which children s best interests and respect for their autonomy can be reconciled challenges such as how the CRC can be made a reality in the lives of children in the face of ignorance apathy or outright opposition and critiques whether children s rights are a Western imposition or a successful global consensus Along the way the writing covers a myriad of issues encompassing the opposition to the CRC in the US gay parenting Dr Seuss s take on children s autonomy the voice of neonates on their health care the role of NGO in supporting child labourers in India and young people in detention and more *Children's Rights and the Developing Law* Jane

Fortin, 2009-08-13 This book examines how developing law and policies in England and Wales simultaneously promote and undermine children s rights **Handbook of Children's Rights** Martin D. Ruck, Michele Peterson-Badali, Michael

Freeman, 2016-12-08 While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin over the past several decades there has been a substantial increase in both social and political commitment to children s rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults In addition there has been a noticeable shift in orientation from a focus on children s protection and provision to an emphasis on children s participation and self determination With contributions from a wide range of international scholars the Handbook of Children s Rights brings together research theory and practice from diverse perspectives on children s rights This volume

constitutes a comprehensive treatment of critical perspectives concerning children's rights in their various forms. Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children's rights including the best interests of the child, evolving capacities of the child, states' rights versus children's rights, rights of children versus parental or family rights, children as citizens, children's rights versus children's responsibilities, and balancing protection and participation. In addition to its multidisciplinary focus, the handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches, e.g., childhood studies, developmental psychology, sociology of childhood, anthropology, and political science. The handbook also brings together diverse methodological approaches to the study of children's rights, including both quantitative and qualitative perspectives and policy analysis. This comprehensive, cosmopolitan, and timely volume serves as an important reference for both scholarly and policy-driven interest in the voices and perspectives of children and youth.

(Re)conceptualising Children's Rights in Infant-Toddler Care and Education Frances Press, Sandra Cheeseman, 2022-10-11. This book brings together researchers from a variety of national contexts to examine and explore the conceptualisation, reconceptualisation, and translation of children's rights for infants and toddlers in early childhood education and care settings. It brings together authors from various national contexts to examine changing understandings and manifestations of infant and toddler rights in Early Childhood Education and Care. The book aims to engender trans-national dialogue through the contributions. Through such dialogue, both authors and readers are challenged to recognise the specificity of their own cultural contexts and thereby envision a more expansive view of infant and toddler rights. By drawing together reflections on infant/toddler rights from key early childhood researchers across the world, this book will extend readers' understandings of rights not only in terms of how rights are re-conceptualised but also how to meaningfully translate the rights afforded in policy to practice.

[Fortin's Children's Rights and the Developing Law](#) Rachel E. Taylor, 2024-02-29. The notion that children constitute an important group of rights holders has gained increasing acceptance both domestically and internationally. Nevertheless, this rhetorical commitment to children's rights is not necessarily realised in practice. Now in its fourth edition, Fortin's *Children's Rights and the Developing Law* explores the extent to which law and policy in England promotes or undermines the rights of children. Fully revised and updated, this textbook uses current research on child development and welfare to reflect on the extent to which the law fulfils children's rights in a wide range of areas, including medical law, education, and child poverty. These developments are measured against the domestic law and the UK's international obligations under, for example, the United Nations Convention on the Rights of the Child.

Whispering the Secrets of Language: An Psychological Journey through **Whats Wrong With Childrens Rights**

In a digitally-driven world where displays reign great and immediate connection drowns out the subtleties of language, the profound secrets and emotional nuances concealed within phrases usually move unheard. Whats Wrong With Childrens Rights Introduction

In today's digital age, the availability of Whats Wrong With Childrens Rights books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Whats Wrong With Childrens Rights books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Whats Wrong With Childrens Rights books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Whats Wrong With Childrens Rights versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Whats Wrong With Childrens Rights books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Whats Wrong With Childrens Rights books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Whats Wrong With Childrens Rights books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Whats Wrong With Childrens Rights books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Whats Wrong With Childrens Rights books and manuals for download and embark on your journey of knowledge?

FAQs About Whats Wrong With Childrens Rights Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Whats Wrong With Childrens Rights is one of the best book in our library for free trial. We provide copy of Whats Wrong With Childrens Rights in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Whats Wrong With Childrens Rights.
