Whats Your Story A Young Persons Guide To Writing Fiction

Marion Dane Bauer

Whats Your Story A Young Persons Guide To Writing Fiction:

What's Your Story? Marion Dane Bauer, 1992-04-20 The award winning author provides mentoring and practical and technical advice in this handy how to book as useful to teachers as to young writers School Library Journal starred review Storytelling is a universal experience From an early age we begin to shape our own world by crafting tales But learning to tell and write a good story isn't easy It takes dedication and practice just like for a musician or an athlete and it can be just as rewarding to accomplish as winning a game or mastering an instrument It's the kind of work that feeds our souls and makes us glad to be alive In What's Your Story Newbery Medal winning author Marion Dane Bauer discusses how to write fiction from beginning to end including creating a story plan choosing the best idea bringing characters to life deciding on a point of view creating realistic dialogue keeping readers hooked and revising and polishing the finished product Her last comment is telling Knowing your craft can help you tell a story But only by taking risks can you make art After many pages of provocative information and straightforward counsel that sentence may be the one to launch youngsters to the challenge The book speaks directly to young writers but many adults teachers librarians reviewers editors would be writers will also find this sensible dissection of the storytelling process invaluable Kirkus Reviews starred review A pragmatic organized approach to story writing the exercises and thought processes introduced as groundwork come across as stimulating rather than tedious and may serve to hone analytical skills as well as inspire even the most reluctant writers to try their hand Publishers Weekly

Booktalks Plus Lucy Schall, 2001-04-15 Obesity in a world where thin is endlessly in vogue pros and cons of tattoos and body piercing and family blending This guide leads you to quality literature that inspires students to read and discover more about these and many other issues they find relevant Booktalks for more than 100 titles are accompanied by motivational activities and lists of related works In addition pithy book summaries and bibliographic information are given Fiction and nonfiction titles most published since 1995 were selected with curriculum connections in mind and are arranged topically

Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **TEACHING ENGLISH CREATIVELY** John H. Bushman, 2001-01-01 The plan and purpose of this book is to

provide educationally sound theories and creative activities in the teaching of English This Third Edition retains many of the activities that were included in previous editions but also offers much new material based on the most current research and practice in English education The book provides in great detail proven and tested measures for teachers to use to be successful in their instructional efforts Major topics well described include creating an effective classroom climate preparation for group interaction teaching oral English the teaching of writing teaching literature reading in the English classroom teaching the English language developing thinking skills and creating the English curriculum In this new edition the chapters on reading and teaching literature have been completely rewritten and include sections on literature circles and Socratic seminars In addition the chapter on writing updates the research on assessment and the use of portfolios and also includes practice and theory concerning the use of writing workshops All of the Additional Reading sections at the end of each chapter have been completely updated with the most current resources on theory research and practice The book's easy to read style with the large number of teaching strategies programs and effective classroom activities that have been proven successful make this an essential resource for the English teacher *Spaces that Tell Stories* Donna R. Braden, 2019-07-12

Historical environments delight visitors because of their ability to make them feel transported to another time and place These environments found in both museum exhibitions and historic structures are usually rich with objects that hint at deeper stories and context But these spaces often lack rigor in terms of historical and interpretive methodology along with a thoughtful and purposeful integration of storytelling principles *Spaces That Tell Stories Creating Historical Environments* offers a fresh look at historical environments providing a roadmap for applying this rigor and integrating these principles into the creation of such environments It begins by delving into the power of these environments for museum visitors drawing upon multiple cross disciplinary fields An in depth how to methodology follows which begins with the steps of framing the project by aligning it with institutional goals defining audiences involving visitor studies and inviting community engagement It continues through the steps of researching creating interpreting refining and evaluating the impact of the environment The author's methodology is applicable to environments in both historic structures and museum exhibits from different eras places and topics It is also scalable to museums varying sizes and budgets To give a sense of how the methodology laid out in this book translates into real world practice detailed case studies appear throughout along with practical tips checklists charts descriptive photographs and source lists An extensive bibliography follows *Spaces That Tell Stories Creating Historical Environments* is a unique contribution to the museum field It is a must read for museum professionals installing or upgrading historic environments while the methodology and case studies also offer practical strategies for other museum professionals working with collections exhibitions and interpretation and how these are integrated thoughtful insights into museum practice for students and a helpful toolkit for local historians **A Writer's Story** Marion Dane Bauer, 1995 The author explores the influences that led her to become a writer including the importance of inspiration The Complete

Home Learning Sourcebook Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level *Competitions for Talented Kids* Frances A. Karnes, Tracy L.
