When Dead Speak Paranormal Investigation:

When the Dead Speak Kitty Janusz, 2015-12-22 1st PLACE WINNER 2016 Los Angeles Festival of Books What makes a location Haunted Why do ghosts and spirits seem to remain in some places and is there a way for the Dead to communicate with the living Paranormal investigator and psychic medium Kitty Janusz says that it is indeed possible and shares true experiences from actual paranormal investigations From growing up in a haunted home and with over 20 years experience studying the paranormal field Kitty shares evidence and stories from her years as a paranormal researcher Kitty explains the scientific theories behind why spirits may remain in a location and the different types of hauntings Topics include the latest in paranormal investigation equipment and what you REALLY need understanding and utilizing your own intuitive psychic abilities to connect with spirit safety and ethics during an investigation and how to implement scientific methods to become a more credible paranormal investigator The Dead are talking Are you listening [The Listener, The Paranormal Investigator's Series, Book 2](#) Christopher Carrolli, 2012-11-01 Found face down in a puddle of blood Sidney Pratt is rushed to the hospital where doctors diagnose cerebral hemorrhage as the culprit Comatose Sidney enters the realm of white light and takes a mysterious journey within it where he questions his mortality He meets the dead face to face and soon the events of his life are played out but his untold memory of a boy's voice unravels the team's next case that of The Listener *Ghost Hunting: A Beginners Guide to Investigating the Dead (The Paranormal Investigator's Guide to Basic and Advanced Ghost Hunting Equipment)* Nicholas Miller, 101-01-01 The answers are both complicated and simple based on your particular investigative needs and to a large extent on the size of your wallet With few exceptions all equipment will do what it purports to do whether that is measuring em fields temperatures recording evps or taking pictures It gets a little more complicated though when you try to figure out how relevant that particular information is to hunting ghosts The paranormal investigator's guide to basic and advanced ghost hunting equipment is written to get you the budding ghost hunter to hopefully think a little deeper and maybe gain a better insight into determining what you actually need when you're out there hunting ghosts Things to be discussed in this guide Which ghost hunting equipment is essential to have even when first starting out How to properly get permission from haunted site owners in order to conduct your paranormal investigation What evps are and how do you document them What type of digital camera you should get when first starting out How to properly set up for a paranormal investigation What a spirit box is and how it can be beneficial in your investigations One of the easiest and quickest ways to get permission to investigate a haunted location In this book you will discover the basic tools of the trade how they are used how an investigation should be carried out and how the results may be interpreted An adequate paranormal investigation can be carried out using many items that you probably already possess Items that you may not possess can be acquired without huge financial outlay and we recommend that you hold off buying any expensive custom equipment until you are certain that you actually have a good reason for the purchase **Talking Through Death**

Christine S. Davis, Deborah C. Breede, 2018-07-18 *Talking Through Death* examines communication at the end of life from several different communication perspectives interpersonal patient provider family mediated and cultural By studying interpersonal and family communication cultural media funeral related rituals religious and cultural practices medical settings and legal issues surrounding advance directives readers gain insight into the ways symbolic communication constructs the experience of death and dying and the way meaning is infused into the process of death and dying The book looks at the communication related health and social issues facing people and their loved ones as they transition through the end of life experience It reports on research recently conducted by the authors and others to create a conversational narrative text that helps students patients and medical providers understand the symbolism and construction of meaning inherent in end of life communication

Communicate with the dead Laurent Poret, Do you want to talk to a loved one who has died or learn more about an ancestor You may hope to be able to reason with a mind that seems to haunt your home People have been talking with the dead for thousands of years using varieties of different reasons

The Dead Speak Rodger Ghost Sims, 2016-06-16 Between being possessed by an angry spirit and being accused of a brutal murder Joey Stillman is in a fight for his life He has no memory of the attack but he remembers the bloody aftermath vividly Since being arrested he struggles with rage that seems to flow from his dreams and the patience and control required dealing with his trial Help for what it is worth is on the way in the unlikely form of two elderly men one carrying a scrapbook and the other carrying an old brown backpack Its time to let the dead speak
