Wintz, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate      **Alain Locke** Christopher Buck, 2005      **W.E.B. Du Bois** David Levering Lewis, 2001-09-01 W E B Du Bois 1919-1963 the second volume of the Pulitzer Prize winning biography that The Washington Post hailed as an engrossing masterpiece Charismatic singularly determined and controversial W E B Du Bois was a historian novelist editor sociologist founder of the NAACP advocate of women's rights and the premier architect of the Civil Rights movement His hypnotic voice thunders out of David Levering Lewis's monumental biography like a locomotive under full steam This second volume of what is already a classic work begins with the triumphal return from WWI of African American veterans to the shattering reality of racism and lynching even as America discovers the New Negro of literature and art In stunning detail Lewis chronicles the little known political agenda behind the Harlem Renaissance and Du Bois's relentless fight for equality and justice including his steadfast refusal to allow whites to interpret the aspirations of black America Seared by the rejection of terrified liberals and the black bourgeoisie during the Communist witch hunts Du Bois ended his days in uncompromising exile in newly independent Ghana In re-creating the turbulent times in which he lived and fought Lewis restores the inspiring and famed Du Bois to his central place in American history      Critical Companion to Zora Neale Hurston Sharon Lynette Jones, 2009 Zora Neale Hurston one the first great African American novelists was a major figure in the Harlem Renaissance and an inspiration for future generations of writers Widely studied in high school literature courses her novels are admired for their depiction of southern African American culture and their strong female characters Critical Companion to Zora Neale Hurston is a reliable and up to date resource for high school and college level students providing information on Hurston's life and work This new volume covers all her writings including her classic novel *Their Eyes Were Watching God* her landmark works of folklore and anthropology and her shorter works such as *The Gilded Six Bits* Detailed entries on Hurston's life and related people places and topics round out this comprehensive guide BOOK JACKET      **The Collected Works of Langston Hughes** Langston Hughes, Dolan Hubbard, Leslie Catherine Sanders, 2001 The sixteen volumes are published with the goal that Hughes pursued throughout his lifetime making his books available to the people Each volume will include a biographical and literary chronology by Arnold Rampersad as well as an introduction by a Hughes scholar lums introductions will provide contextual and historical information on the particular work      **W. E. B. Du Bois, 1919-1963** David Levering Lewis, 2000-10-17 A biography of the African American author and scholar describes DuBois's formative years the evolution of his philosophy and his roles as a founder of the NAACP and architect of the

American civil rights movement      **The Restless City** Joanne Reitano, 2010-07 *The Restless City A Short History of New York from Colonial Times to the Present* is a short lively history of the world's most exciting and diverse metropolis. It shows how New York's perpetual struggles for power, wealth, and status exemplify the vigor, creativity, resilience, and influence of the nation's premier urban center. The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009. In these pages are the stories of a broad cross section of people and events that shaped the city, including mayors and moguls, women and workers, and policemen and poets. Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic, political, and social challenges that face every city. Energized by change, enriched by immigrants, and enlivened by provocative leaders, New York City's restlessness has always been its greatest asset.

*A Spy in the Enemy's Country* Donald A. Petesch, 1989 Paperbound reprint of a 1989 study that provides background for understanding the works of black American writers in the late 19th and early 20th centuries. Annotation copyrighted by Book News Inc. Portland, OR

*We Ain't What We Ought To Be* Stephen Tuck, 2011-10-17 In this exciting revisionist history, Stephen Tuck traces the black freedom struggle in all its diversity from the first years of freedom during the Civil War to President Obama's inauguration. As it moves from popular culture to high politics, from the Deep South to New England, the West Coast, and abroad, Tuck weaves gripping stories of ordinary black people as well as celebrated figures into the sweep of racial protest and social change. The drama unfolds from an armed march of longshoremen in post-Civil War Baltimore to Booker T. Washington's founding of Tuskegee Institute, from the race riots following Jack Johnson's fight of the century to Rosa Parks' refusal to move to the back of a Montgomery bus, and from the rise of hip hop to the journey of a black Louisiana grandmother to plead with the Tokyo directors of a multinational company to stop the dumping of toxic waste near her home. *We Ain't What We Ought To Be* rejects the traditional narrative that identifies the Southern non-violent civil rights movement as the focal point of the black freedom struggle. Instead, it explores the dynamic relationships between those seeking new freedoms and those looking to preserve racial hierarchies, and between grassroots activists and national leaders. As Tuck shows, strategies were ultimately contingent on the power of activists to protest amidst shifting economic and political circumstances in the U.S. and abroad. This book captures an extraordinary journey that speaks to all Americans, both past and future.
