When The Church Was Young Voices Of The Early Fathers:

When the Church Was Young Marcellino D'Ambrosio, 2014-07-17 If the word trinity isn't in Scripture why is it such an important part of our faith And if the Bible can be interpreted in many ways how do we know what to make of it And who decided what should be in the Bible anyway The Church Fathers provide the answers These brilliant embattled and sometimes eccentric men defined the biblical canon hammered out the Creed and gave us our understanding of sacraments and salvation It is they who preserved for us the rich legacy of the early Church D'Ambrosio dusts off the dry theology and brings you the exciting stories and great heroes such as Ambrose Augustine Basil Athanasius Chrysostom and Jerome This page turner will inspire and challenge you with the lives and insights of these seminal teachers from when the Church was young

"Almost There" Walking through the Valley Jack Weitzel, 2018-06-25 Just a few moments before his death my father looked straight ahead and with a calm voice said to me Almost there It has been 20 years since his homeward journey and I have been haunted by those words What was he seeing that we couldn't see In my career as a surgeon and a witness for Christ I have observed many deaths when the last moments were calm and unafraid Four years as a hospice volunteer brought me even more intimate with those last moments I think that the valley David wrote of could also represent moments of extreme circumstances in our lives when we are in the Shadow of death an automobile accident with severe injuries the sudden loss of a child or spouse the loss of a career a consuming fire a devastating flood the birth of a stillborn Do you have the Good Shepherd to guide you through these times We only have this moment this breath Tomorrow is not promised to anyone Do you have the peace of God that surpasses all understanding Are you ready to walk through the valleys of your life Come with me as I walk through the valley of the hospice and witness the grace and comfort that only God can provide for us Journey with me and meet my Lord There will be stops along the way as we see how the world deals with the valley I pray that this book might be a life changing experience for you as we journey to Almost there

An Ecumenical Field Guide For Fresh Expressions Michael Adam

Beck,2024-08-20 Learn the essentials of fresh expressions for your church An Ecumenical Field Guide for Fresh Expressions is a practical manual for understanding and implementing Fresh Expressions for a church in any denominational setting The Fresh Expressions movement is a new way of thinking about the local church and a new way of doing church as a congregation It refers to new fresh iterations or types expressions of ministry usually outside the confines of the church building These iterations or types of ministries are formed intentionally but organically out in the community where people are They are based on shared activities or interests where people are gathering already and where the people are open to or interested in learning about Jesus Christian people share their own stories of how Jesus is part of their lives Often these gatherings become regular and increasingly begin to adopt the practices of a church community like worship service study and giving Thus they become fresh expressions of the church from which they sprang **A Field Guide to Methodist**

Fresh Expressions Michael Adam Beck,2020-03-23 According to Fresh Expressions U S a Fresh Expression is a form of church for our changing culture established primarily for the benefit of those who are not yet part of any church Fresh Expressions are introducing people to Jesus expanding the kingdom and revitalizing churches Congregations need a practical and theological resource that can help them cultivate Fresh Expressions As consultants who work nationwide and as innovative pastors authors Michael Beck and Jorge Acevedo awaken congregational leaders and ministry teams to a distinctive Wesleyan approach for the Fresh Expressions movement In Wesleyan Fresh Expressions they show congregations how to cultivate and customize fresh expressions that fit their local context They motivate ministry teams to take risks experiment and when necessary fail well On April 2 1739 John Wesley went to a field just outside what was then the city limits of Bristol England There he tried a missional innovation called field preaching Thousands of people showed up many of whom who had no connection with a church Today most Methodists and other Wesleyans don t know their own story Lost in the milieu of divisive issues that threaten to tear the church apart Wesleyans have forgotten their DNA as a renewal movement born not from doctrinal disputes but from a missional imperative In this sense the Fresh Expressions movement is the most Methodist thing in the denomination today This iteration of the Spirit is taking it to the fields again Wesleyan Fresh Expressions will help guide the way **The Rise of Christianity** Kevin W. The Revelation of Jesus Christ Jon Scott Birch,2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

A Pledge of the Truth Taylor Evan Walls,2024-04-12 Persecution false accusations and philosophical criticisms were all a common part of the life of the church in the second century Many Christian writers took up the mighty pen to defend the Christian faith Though often overlooked Theophilus of Antioch was one of these apologetic writers who boldly identified himself as a Christian and a believer in God's word In his only remaining work *Ad Autolycum* Theophilus shows the irrationality of the pagan worldview and defends the Christian faith with a firm commitment to the authority of Scripture The Scriptures are foundational to his defense of the Christian faith He presents the Scriptures both from the Old and New Testaments as a faithful guide and guarantee of truth on the nature of God the world and ethics The Scriptures were efficacious in his own conversion to Christianity and so he uses those same divine words in order to call his pagan friend from idolatry to the truth of the one God In this book Taylor Evan Walls offers a systematic presentation of Theophilus' understanding of the nature of Scripture and shows how this doctrine provided the foundation and structure for his defense of Christianity
