Where To Find Free Of Catholic Lectionary:

Gospel of John Set Free, The George M. Smiga, 2008 In The Gospel of John Set Free Father George Smiga has written a must read book for all preachers that alerts them to the anti Jewish sentiment so commonly and dangerously misread into the Gospel of John as it appears in the Roman Catholic Lectionary Excerpts from the Lectionary are followed by Fr Smiga s explication of the text and context and where the preacher needs to step carefully Rabbi Leon Klenicki and Father Dennis McManus collaborated in providing valuable Rabbinic comments and historical notes to compliment Fr Smiga s text For easy reference these are keyed to relevant verse numbers in John s gospel The result is a resource that clarifies the fourth gospel for both the preacher and the listener alike **BOOK JACKET**

Free for All (ēmersion: Emergent Village resources for communities of faith) Tim Conder, Daniel Rhodes, 2009-08-01 Is our study of the Bible as pure as we think it is In Free for All Tim Conder and Daniel Rhodes show how the way we read the Bible is held captive by the dominant culture in which we find ourselves They aim to expose the cultural authorities that influence our understanding of the Bible and provide a way for communities to encounter the text as communities This journey into community interpretation of the Bible not only honors the text and liberates its voice but also catalyzes transformative practices of proclamation hospitality ethics mission and imagination Church leaders pastors small group leaders and those interested in the emerging church conversation will find Free for All an energizing resource to infuse their study of God s Word with new life [Community in America](#) Charles H. identity in all areas of the church's life. This book does not offer definitive statements. It is an invitation to a wide audience to engage in new conversations with their practice of worship. Inspired by the heritage of African American churches, Mark Ellingsen has created innovative visionary sermons on Old Testament texts from the Revised Common Lectionary. His messages reflect his unique vantage point as a Lutheran of Norwegian heritage teaching at a historically black seminary, and they are a model for anyone who wants to learn how to relate the Bible to the cutting edge social issues of our day. Ellingsen suggests that many American Christians have abdicated their responsibility to advocate justice in our society or to talk about what the gospel can do in our lives and society as a whole from Monday through Saturday. Ellingsen believes these Old Testament texts are relevant to our contemporary lives. An all too common view of many Christians is to look to the New Testament to find the liberating word of God while viewing the Old Testament as being about the law and the confining demands of tradition. But Ellingsen says that the history of Christianity proves this is not true. He observes that Martin Luther was primarily an Old Testament scholar and that African American churches have based many of their traditions of liberation on Old Testament stories and prophetic traditions. Mark Ellingsen's offering of sermons based on Old Testament texts reflects his usual thorough biblical scholarship and his readable down to earth style that consistently render his material useful to both scholars and those seeking the inspiration of a faithful Christian. Richard H. Stough, Publisher, King Publications. Mark Ellingsen has had a rich and varied career as a parish pastor and a seminary professor. In addition to serving several Lutheran congregations in Pennsylvania and North Carolina, he has held teaching positions at Luther Northwestern Seminary and the Institute for Ecumenical Research in Strasbourg, France. Ellingsen currently is on the faculty of the Interdenominational Theological Center in Atlanta, the largest historic African American seminary in the United States. A regular contributor to several homiletics periodicals, Ellingsen is also the author of ten books, some of which have been used as homiletics texts in many American and Canadian seminaries.
