assurance that they can comfortably grow older in their own homes Foreclosure Nation Shari B. Olefson, 2009-12-04 The family residence is the backbone of the American economy the most valuable and enduring asset for those who have achieved a financial foothold Yet today record numbers of households confront foreclosure In the next year it is estimated that over two million Americans will lose their homes and almost two billion dollars of wealth will disappear in the process How did the traditional American Dream morph into a nightmare for so many Real estate attorney and educator Shari B Olefson a recognized expert in the current mortgage crisis and its effects on homeowners explains how America slipped to the edge of this dangerous stagnation recession precipice In plain language that is easily understandable to the average person she clarifies legal and financial terminology and describes how our country s mortgage system really works Utilizing real life lender and borrower interviews she exposes its intrinsic flaws and often discriminatory practices from the mortgage application process to the securitization of bundled mortgages by large investment firms She also provides evidence to show the government s and Wall Street s roles in both causing and solving the problem Above all Olefson offers expert tips tools and resources to help you Choose a mortgage professional and understand what s motivating him or her Decide what mortgage product fits best and when to refinance Get the best fees interest rate and service Create your own solutions for navigating the credit crunch Know what to do when you can t afford your mortgage Protect your home if you are at risk of foreclosure Understand how to proceed if you are already in foreclosure Capitalize on emerging opportunities and avoid the scams and mortgage fraud Prepare for coming changes Foreclosure Nation demystifies the real estate bubble and the subprime mortgage crises that followed With bold clear visuals like inventory absorption and price trend graphs Olefson pinpoints exactly when and why experts are predicting a recovery She also cites statistics that strongly suggest the number of foreclosures will surge in the fall of 2008 and again in 2009 with increased reverberations felt throughout the US and global economies Foreclosure Nation will prove indispensable to explaining what is happening and guiding readers through Whether you are planning on buying your first home struggling to meet your current mortgage payments facing foreclosure or wondering how your investments will be affected this comprehensive book will assuage the fear of the unknown empowering you to make wise choices and protect your most valuable assets *Simplification of the Truth in Lending Act*

United States. Congress. House. Committee on Banking, Finance, and Urban Affairs. Subcommittee on Consumer Affairs, 1978 **The Charles Schwab Guide to Finances After Fifty** Carrie Schwab-Pomerantz, Joanne Cuthbertson, 2014-04-01 Here at last are the hard to find answers to the dizzying array of financial questions plaguing those who are age fifty and older The financial world is more complex than ever and people are struggling to make sense of it all If you re like most people moving into the phase of life where protecting as well as growing assets is paramount you re faced with a number of financial puzzles Maybe you re struggling to get your kids through college without drawing down your life s savings Perhaps you sense your nest egg is at risk and want to move into safer investments Maybe you re contemplating

downsizing to a smaller home but aren't sure of the financial implications. Possibly medical expenses have become a bigger drain than you expected and you need help assessing options. Perhaps you'll shortly be eligible for social security but want to optimize when and how to take it. Whatever your specific financial issue, one thing is certain: your range of choices is vast. As the financial world becomes increasingly complex, what you need is deeply researched advice from professionals whose credentials are impeccable and who prize clarity and straightforwardness over financial mumbo jumbo. Carrie Schwab Pomerantz and the Schwab team have been helping clients tackle their toughest money issues for decades. Through Carrie's popular Ask Carrie columns, her leadership of the Charles Schwab Foundation, and her work across party lines through two White House administrations and with the President's Advisory Council on Financial Capability, she has become one of America's most trusted sources for financial advice. Here, Carrie will not only answer all the questions that keep you up at night, she'll provide answers to many questions you haven't considered but should.
