Winant,2014-06-20 Twenty years since the publication of the Second Edition and more than thirty years since the publication of the original book *Racial Formation in the United States* now arrives with each chapter radically revised and rewritten by authors Michael Omi and Howard Winant but the overall purpose and vision of this classic remains the same Omi and Winant provide an account of how concepts of race are created and transformed how they become the focus of political conflict and how they come to shape and permeate both identities and institutions The steady journey of the U S toward a majority nonwhite population the ongoing evisceration of the political legacy of the early post World War II civil rights movement the initiation of the war on terror with its attendant Islamophobia the rise of a mass immigrants rights movement the formulation of race class gender intersectionality theories and the election and reelection of a black President of the United States are some of the many new racial conditions *Racial Formation* now covers *Preaching Truth in the Age of Alternative Facts* Dr.

William Brosend,2018-08-21 While comedian Stephen Colbert was remarkably prescient some years ago when he introduced the word truthiness to our vocabulary it was presidential advisor Kellyanne Conway who told us that there are alternative facts abroad in the land Rarely has such an offhand comment so captured the imagination while also aptly summarizing the spirit of the age The late Daniel Patrick Moynihan famously said that while everyone is entitled to his or her opinion they are not entitled to their own facts Until now Good preaching has always been a challenge a combination of exegesis insight and craft in witness to the Gospel and in service of the Church Cultural forces in particular the proliferation of media outlets and the explosion of available entertainment sources have only made the challenge greater And that was when most agreed on a common set of facts Those days are now past and gone and preachers may be forgiven if at times it feels as if the task is impossible The pulpit is like a tightrope stretched between red and blue Republicans and Democrats conservatives and liberals And there is no net I read the Beatitudes last Sunday and the tension in the church was palpable Who knew Blessed are the peacemakers were fighting words Everything I say is being interpreted and analyzed for things I never even thought about Joshua and the Battle of Jericho has become a commentary on whether or not we should build a wall on the border I cannot believe how angry people are I m old enough to remember when the big difference was whether you got your news from Walter Cronkite on CBS or Huntley Brinkley on NBC Now no one agrees on what constitutes news Or facts Truth in the Age of Alternative Facts offers a way forward This is a book for preachers teachers and other leaders along with students of preaching It demonstrates how to proclaim honest faithful candid sermons in spite of social and political disagreements It teaches how to preach in a way that allows the Church to be its best self a place of commitment engagement acceptance and compassion for all God s children
