Understanding Anxiety, Worry and Fear in Childbearing Kathryn Gutteridge,2019-11-04 This book informs and enlighten health professionals on how the recognition of fearing women can change their episode of care during childbearing It gives practical advice on the way women present to services and the challenges that this invokes This work is the first of its kind aimed at clinicians to deconstruct ideology around childbearing myths and its challenges The authors review the evidence that exists and how modern maternity systems are responding to fear and shaping healthcare Whilst some worry and anxiety is expected and indeed considered normal during childbearing it has been suggested that this has now proliferated to a degree of abnormal for many women Why is that and how is this panic spread Media portrayal of birth is suggested as unrealistic material and to show only that which is dramatic and horrific This has been considered as

one factor influencing modern women Medicalisation technology and demand upon services is another consequence of providing almost all maternity care in hospitals Given that the majority of childbearing women are fit and healthy is this another causative factor By removing women from their homes and families at such a vulnerable time has a serious consequence for how she will experience her greatest leap of faith into motherhood All of these issues are explored and examined in the book with ideas and practical suggestions of what may be done to change this increasingly common problem This book is intended at midwives and clinicians working in maternity settings

The Use of New Media by the Palestinian Diaspora in the United Kingdom Amira Halperin, 2018-11-07 This book presents pioneering research on the impact of new media on the Palestinian Diaspora and is the result of unprecedented access to the Palestinian community in the United Kingdom It explores issues of politics conflict resolution new media and daily life experiences of the dispersed Palestinian people The research is linked to the contemporary phenomenon of the large immigration wave from the Middle East and Africa to Europe and the increasing use in internet and smart phone applications by immigrants As the book shows new technology empowers the Palestinian people enables their global visibility and strengthens democratic values in this society It deals with the impact of new media on the Palestinian Diaspora from the emergence of satellite television channels and the internet to the development of social networks and smart phone applications During the research period internet and smart phone usage of Palestinians in the UK was higher than the usage in Gaza and the West Bank In recent years there has been a significant increase in the use of digital and information technology in Gaza and the West Bank The book will primarily appeal to international scholars specializing in media the Middle East diaspora and migration political science and peace and conflict studies It will also be of interest to those involved in politics and new media as well as government decision makers and legislators

Understanding Media Theory Hodder Arnold Publication: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Understanding Media Theory Hodder Arnold Publication : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Understanding Media Theory Hodder Arnold Publication : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Understanding Media Theory Hodder Arnold Publication : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
