Unified Field Theory Two Jonathan G Randy:

Unified Field Theory II John Hildreth Atkins,Jonathan G. Randy,2012-03-21 Atkins takes up where he left off more than five years ago Many of his theories then in their infancy stage have now progressed to an astonishing conclusion His COW formula explains why planets orbit the sun Magnetic Reconnection interacting with the Earth s plasma field propels us towards the sun And he explains why planets rotate or not on their axis The end result is that he proves beyond any shadow of a doubt that gravitational attraction is a myth it just isn t needed And Astrophysics as we know it today is obsolete An asteroid is said to be heading our way in February of 2013 Scientists are uncertain if it will strike us or not Since the event is so close to the infamous Mayan date of December 21 2012 Atkins insists that we take a closer look at it He even explains that we have the technology to foil this event by a temporal time technique Using the natural engine of the asteroid we can speed it up or slow it down so that it isn t here when we are Pretty clever [The Common Man's Guide to Uncommon Riches](#) John

Hildreth Atkins,Jonathan G. Randy,2007-09-01 Besides teaching you to win online auctions how to buy and sell antiques and collectibles for top dollar I tell you where to buy a home for under 10 000 with little or zero down Own your own home in under a year Isn t that the ultimate in the Great American dreams Too many people are getting depressed paying a thirty year mortgage on a home they will never own Why not buy two or three fix them up then rent them out Or sell them for a profit This is real And it doesn t cost you hundreds of dollars and or hours enduring some stupid seminar You owe it to yourself to get out of the rut you are in And don t forget I will also teach you about selling or buying antiques and collectibles online in regular auctions newspapers etc How much is that worth Opportunity knocks What are you waiting for As long as you sincerely want to get ahead you can So stop playing games with your future and make it happen What excuse will you use now

SHEER GENIUS (Examining the Universe) Jonathan G. Randy,2006-09 Once again Randy has outdone himself And he has taken us to new heights This man was once listed as one of the smartest men in America if not the world The way that Randy perceives the world around us is nothing short of amazing In this latest work Randy gives us answers to many questions which have eluded us This collection of theories covers more than two dozen topics Among these why Astrology is real the speed of light varies the solar system used to have only five planets how to spot abusive people predators how to reduce crime by more than 30%% making rehabilitation of criminals reality exposing government corruption improving the economy how to get rich and the impending civil war If you want answers to life s mysteries you need look no further than Sheer Genius Then again maybe you shouldn t read this Some of it is pretty scary Small Print Version 12 14 *OFF THE WALL Prison Art & Humor* Jonathan G. Randy,2007-03 I wanted to show the world that rehabilitation of criminals is a reality and not just a dream Since most are in prison for property crimes which stem from living in poverty it just did not seem smart to lock them up a few years and then kick them out just as poor as they went in Off The Wall will enable me to hire convicts by buying their art and prose It will be therapy for some and more money for
