United Methodist Calls To Worship:

Mary J. Scifres, B. J. Beu, 2011-04-01 Worship leaders share a common challenge to provide quality integrated creative worship week after week for congregations hungry for meaningful and fulfilling connections with God. We are honored to offer this resource as part of your journey to help your congregations grow in faith. Many of our readers also find it helpful as a weekly devotional guide or a prayer resource as they gather for lectionary study groups. From the Introduction, Alternative ideas for Praise Sentences and Contemporary Gathering Words are offered for those who work in contemporary worship settings. Now more than ever, *The Abingdon Worship Annual* is a must-have sourcebook offering countless opportunities for planning meaningful and insightful worship. [Worshiping with United Methodists Revised Edition](#) Hoyt L. Hickman, 2011-12-01 Revised and updated, this popular book shows pastors and worship leaders the basics of United Methodist worship. In this straightforward and updated commentary, Hoyt Hickman explains the basic pattern of United Methodist worship within the broader context of Christian worship. Drawing upon five basic principles, the author explains the formative nature of worship and how it can revitalize persons' lives. These principles are: God's Word is primary; active congregational participation is crucial; spontaneity and order are both important; worship should be relevant and inclusive; and worship is communion. This revision will highlight the African American contribution to UM worship, discuss at greater length what the various worship styles mean for us today, say more about the formative nature of worship, and include updated resources including *The Abingdon Worship Annual*, *The Abingdon Preaching Annual*, and *WorshipConnection*. Explains basic resources for planning and leading worship. Gives the basic pattern of UM worship and its origins. Gives practical suggestions how to renew and revitalize worship. Helps pastors be effective leaders in planning and revitalizing worship. Helps pastors understand and communicate the uniqueness of UM worship. Helps pastors lead their congregation into a deeper and richer experience of God through worship. *Living As United Methodist Christians* Andy Langford, Sally Langford, 2011 Pastors Andy and Sally Langford take a unique approach in this six-session study by looking at how United Methodists claim and live their faith as individuals and as a denomination. Through the study, you will gain insight into The United Methodist Church, its beliefs and faith practices. *Living as United Methodist Christians* is ideal for small groups, new member classes, and disciple training classes and includes an introduction that sets the stage for exploring the belief and practices of United Methodist Christians. Six chapters that will help learners hear and claim for themselves the Christian story, particular emphases and beliefs of United Methodists, and ways to live as a United Methodist Christian. Leader and learner helps such as reflection questions placed near main text material to which they refer. These helps will stimulate discussion about the reflections or insights participants gain from the material. **To Bless Our Callings** Laura Kelly Fanucci, 2017-07-24 *To Bless Our Callings* Prayers, Poems, and Hymns to Celebrate Vocation is an ecumenical collection that supports the callings of everyone within the Christian community.
