African Experience in the Application of the Development Aid Effectiveness Principles Daniel Kipleel Borter,Nadeem Malik,2023-02-25 This book analyses the diffusion and implementation of Aid Effectiveness Principles in Kenya s agricultural sector Although Aid Effectiveness Principles represent a significant step in aid and development discourse studies on its implementation remain inadequate especially in the African context This book combines the perspectives of the Kenyan government donor representatives and small scale farmers The discussion on Kenya brings in comparative perspectives and therefore would

have broader relevance to the African region in general It highlights a disconnect between the government and farmers concerning the ownership concept where farmers lack a voice in important policy matters The book shows that donors have exploited the weaknesses in government responses to interpret The Principles in ways that suit their strategic interests Consequently the book argues that the diffusion of Aid Effectiveness Principles has taken the form of symbolic imitation a form of policy diffusion where the policymakers choose policies for their symbolic value rather than their effectiveness
