Making Her His Lexy Timms, 2017-04-19 From USA TODAY Bestselling author Lexy Timms comes a spin off from the Hades Spawn MC series Beating the Biker Saks Story Anthony Parks AKA Saks straddles two worlds and neither one is very reputable By day he s a motorcycle mechanic and Road Captain of the Hades Spawn a none too squeaky clean motorcycle club By night he s the scion of an organized crime family who wants him to join the family business full time Recent events with the Spawn MC have soured his community reputation and while certain women like bad boys that s not the kind Saks is looking for Add in pressure from his family to marry and Saks is faced with an impossible situation His wise guy uncle proposes an arranged marriage between Saks and the daughter of a don from another crime family When he meets a mysterious blonde who shows him love at first sight is possible he knows he can never accept his uncle s proposal Now he has to figure out a way to tell Uncle Vits without getting excommunicated from the family or putting the Spawn in the crosshairs of a powerful crime organization Now if only he could find the woman who stole his heart Christina s story

Christina Marie Serafina decided a long time ago that her loving but paternalistic family wasn't going to determine the course of her life. She has no desire to get mixed up in any of the illegal businesses her family owns. She's earned a Masters in Business and Communications on her own dime and just landed her dream job as Director of Marketing for an up and coming business. Marriage and a family aren't in her game plan right now. When her grandfather announces that he's arranged a marriage for her with a good Italian man, Christina goes ballistic. She's marrying a man of her own choosing, not some member from another crime family. Urged by her sister to at least check the guy out, she goes to his family's bar to confirm her suspicions. Except she meets a handsome biker that knows exactly how to send her body into overdrive. Realizing the hunky man is the one her grandfather wants her to marry, she sends her into flight mode even though he haunts her dreams. Can Saks convince the woman of his dreams to look past his family connections and take a chance on a lowly motorcycle mechanic? And if he does, can he look past hers?

Payment Required Lexy Timms, Money often costs too much. I have bigger problems than Billie Cross right now. So why is she the only thing on my mind? As Howard Strand drags me into his mess, I have no choice but to face him in court, and even though I'm an innocent man, things are looking grim for me and the business. On top of that, Billie is still in my life, but I'm not sure I can handle the chaos that comes with her right now. Still, I can't get her out of my head. And as it turns out, she might be the key to earning back the reputation that I'm on the brink of losing for good.
