Christ's rapture of His Church is the domino event that will set in motion the next phase in God's prophetic timeline. The Rapture is the event God's people should desirously anticipate as they prepare to meet Him face to face. But the Rapture, Heaven, and the Marriage Supper of the Lamb are not the end for true believers in Christ as Rick vividly explains. In this book you'll learn which group of saints will be raised first to meet Jesus in the Rapture, the identity of those who are alive and remain that will be raised next, the origin of the word rapture and every Greek instance of this word in the New Testament, how to be prepared for the Rapture in the dark last hours of time, what it will look like when mortal bodies put on immortality, the identity of the restrainer that withstands the onslaught of evil on the earth right now, the Antichrist's attributes according to Scripture and when he will finally be revealed, how to avoid contamination by the spirit of the Antichrist that is already in the world, five differences between the Rapture of the Church and the Second Coming of Christ, who will be affected by the horrific bowls of judgment in the Great Tribulation to come, and much more. This book will answer many of your questions about end time events and surprise you with information on this subject you probably didn't know existed. In fact, this may be the most comprehensive look at all three topics: the Rapture, the Antichrist, and the Tribulation you've ever read in just one book.

The Antichrist and the Second Coming Duncan W. McKenzie, 2012-04. What if the commonly held beliefs concerning the Antichrist are mistaken? *The Antichrist and the Second Coming* looks at the Antichrist and the Second Advent of Christ from a preterist, i.e., past fulfillment perspective and provides a unified interpretation of the little horn, the prince to come, the king of the North, the man of lawlessness, and the beast. This is the second in a two-volume set on the Antichrist; it focuses on the book of Revelation. This edition stands on its own and is recommended reading even if you have not read the first volume, which focuses on Daniel and 2 Thessalonians. McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss (Rev. 11:7) that worked through Titus in his three and a half year destruction of the Jewish nation AD 67-70 (cf. Dan. 9:26). This spirit of Antichrist was about to come out of the abyss in the first century (Rev. 17:8 NASB) and was destroyed by the Second Advent of Jesus in AD 70, a spiritual event.
