

Talking About God

- If God is not an object in the universe able to be scrutinized scientifically, then how can we best search?
- In Christianity, there is a strong tradition that says the only way to do it is relationally. Only by trusting in God can we begin to know God.

O taste and see that the Lord is good;
happy are those who take refuge in him.

Psalms 34:8

The INTRAFaith Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters? Susan Strouse, 2016-03-18 This crisp and cogent book by the Rev Dr Strouse is published at a time when both interfaith and intrafaith dialogue are critical to the vitality of spiritual life in our nation As a parish pastor in a small struggling congregation I have become increasingly aware of the insularity and isolation of many of our parishioners This seems less the result of inadequate parish education as it is the byproduct of too many people getting their information from biased TV networks so called social media or word of mouth We parish pastors need to examine our internal intra congregational conversations about diverse faith traditions and how they bear on congregational mission I was particularly impressed by the author's use of footnotes and her extensive bibliography The book is a walking talking workshop in print with its detailed reflection discussion questions and suggestions for further reading Thank you Pastor Strouse for such a comprehensive presentation of how to approach constructively this timely and important conversation Review by Richard G Eddy
