The Price of a Smile C. Rose Barbier, 2019-08-20 No one truly knows the price you have paid to smile like you do Physical pain and emotional trauma are not your portion in this life even if they have visited you long and often You can have victory over the depression and the anxieties of life situations but there is a cost to strive for it a price paid to reach so deep and hold on to it once you have it Rape abuse abandonment neglect failed marriages emotional and physical pain are not there to define us but to shape us through the refining fire This deeply moving story uses crisis situations to propel you to victory over the stronghold of the Depression and Anxiety these life situations can bring Even if you are a sufferer of chronic depression schizophrenic disorder bipolar disorder fibromyalgia or chronic pain the only way to break these strongholds is to name them Expose it Ephesians 5:13 rule it and claim your victory over it On this journey of self discovery and awareness building we can weigh the expenses of our losses we may even see the price paid can be a blessing that's just covered up By learning who you really are in Christ pulling apart the myths that surround life's battles you can claim your power understand yourself and own all of who you are unapologetically Remembering always that you are fearfully and wonderfully made in God's image For the Lord your God is he who goes with you to fight for you against your enemies to give you the victory Deuteronomy 20:4

A Bipolar's Journey Vijay Nallawala, 2015-07-16 It was only when the author was diagnosed as a bipolar in 2003 leading to his hospitalization that he first heard about this serious mental illness From being comfortably perched as a successful entrepreneur he was abruptly flung into terrifying unknown territory Extreme mood swings from manic highs to desperate lows made life miserable The awareness about this chronic debilitating condition was almost nonexistent in India back then and the stigma stifling Disturbingly the situation remains largely unchanged unlike developed countries where support groups thrive Where there is iron willed determination the biggest of challenges can be surmounted The unstinted support of his family close friends mentors and medical team helped him in his arduous climb Medical treatment needs to be supplemented by a healing regimen Resolutely he made yoga meditation and spiritual advancement an intrinsic part of his life This cathartic journey ended up freeing him An inspiring story of resilience his is a rare voice of hope from the East trying to reach out to millions of his community saying Yes A bipolar too can lead a normal and happy life A
